## The Eric Palmer Bat Award

Since 1966 this prestigious award has been presented to an outstanding performer in the Saturday morning competition. Over the years, many winners have gone on to play grade cricket. The Executive takes into account a cricketer's performance both on and off the field, efforts in the Saturday morning competition, availability and efforts in the District Representative games, and achievements in cricket outside our competition.

We are pleased to announce that this year's Eric Palmer Bat Award winner is **Oliver Davies** from Harbord Devils Junior Cricket Club.

# Presidents' Report

Welcome to the 2014/15 58<sup>th</sup> Annual Report for the Manly Warringah Junior Cricket Association.

2014/15 was another cricket season of outstanding successes and achievements, with healthy increases in total playing numbers, but back-dropped by great sadness with the passing of Phillip Hughes in November, and MWJCA and Wakehurst Life Member Bob Lind in January.

A big thank you to all our volunteers! Thanks to all the club delegates and committees of all the associated clubs for their continued dedication and hard work over the season. Thanks to all the coaches, assistance coaches, managers, umpires, scorers and everyone who assisted their teams in making this season such an enjoyable one and for their valuable contributions. On behalf of all the clubs/schools and your children we acknowledge and thank the parents! Without your contributions our association could not function and our boys and girls would not be able to play.

This season we had an increase in player numbers with a total of 149 teams compared to 128 teams last season, ranging from Kangas (U8) right through to U16-18 with well over 1600 players across these teams. Our very successful in2CRICKET centres – Beacon Hill, Collaroy Plateau, Cromer, Forest, Harbord, Peninsula and Wakehurst continued their great work at the absolute grass roots level. A big thank you to all the centre coordinators and their team of volunteers who all continue to make this program so worthwhile!

In January this year we learned that Bob Lind, one of the foundation members of the Wakehurst Redbacks Cricket Club and Life Member of both Wakehurst and the Manly Warringah Junior Cricket Association, had passed away. Bob's contribution to cricket in the Manly area was enormous and he will be greatly missed by all of us. We would urge you to read the tribute put together for Bob later in this Annual Report.

**One minutes silence for Bob Lind in January**

All followers of cricket were also touched by the passing of Phillip Hughes in November. Our club and representative players, as well as volunteers were involved in various pre-match tributes to Hughes following this tragedy and it was very moving to see our teams and their opposition united in such gestures as players "putting out their bats" and having 63 seconds of silence prior to their matches.

We continued to grow our cricket opportunities for girls that began last season. We had the T20 Blast Girls format on Friday evenings before Christmas (up to 12 years old). The girls had a great time especially with their favourite music blaring in the background during the games. Many thanks to Chris O'Brien as the Liaison manager with Cricket NSW, and David Nimmo and Chris O'Brien as club coordinators for Wakehurst and Forest respectively and to the girls and their parents who supported it!

In addition to this, an U15 division 1 girl's team was entered in the newly created Breakers Junior Cricket League (BJCL) playing traditional cricket on Saturday afternoons – well done to Deanne Hutt who coordinated and managed the team, and to Julian Humphrey who was

**Under 14 Collaroy and St Augustines players pay tribute to Phillip Hughes**

the coach. We had a number of our girls subsequently selected to play representative cricket in the Breakers Junior Cricket Carnival which was held on 19-23 January 2015 at grounds around Manly Warringah.

Still on girl's cricket, congratulations to the achievements of Saskia Horley from the Wakehurst club. Saskia was selected in both the NSW Women's U15 and U18 teams this season.

Saskia was Vice Captain of U15 NSW team and was subsequently selected in the Team of the Championships and awarded the Player of the Championships. A wonderful achievement!

After the success of last season's "Manly Mini Bash" T20 tournament, it was once again held in February but expanded to include teams from U11 to U16-18. We had 51 teams participate over 4 weeks and the feedback from all involved was excellent. Known as MMB#2, we see this as being an annual highlight of the MWJCA cricket calendar for years to come and can't wait for MMB#3! I can't speak highly enough of Phill Edwards and Kev Davies for their tremendous work in organising and managing the event once again - thanks guys on a job well done!

Congratulations to all the award winners, including premiership winning teams, individual and representative winners. Very special mention to two of our junior club players on some amazing achievements – Jake Osborne from the Forest U13 Div 1 team smashed the batting aggregate record to score an amazing 823 runs for the season, including a record high score of 156 not out – this was the highest junior aggregate in any age group in the Association's recorded history! Also congratulations to Oliver Davies from our Harbord U15 Div 1 team - Ollie had the distinction of being recognised by Cricket Australia as hitting the most runs by an individual player across Australian club cricket in season 2014/15 (as recorded on MyCricket). Ollie hit an incredible 1,755 runs with a high score of 136 across club and representative cricket!

What a wonderful Representative season we have had at Manly. To all our DCA and Presidents Cup teams, congratulations on an outstanding season! This was the most successful Rep season all-round in our Associations history, with 4 out of 6 DCA teams reaching the semi-finals, two of those teams (U11 and U15) making homing grand finals and the U15 DCA team winning their second consecutive premiership remaining undefeated.

On the Presidents Cup front, we had 4 out of 6 teams (U11, U13, U14 and U15) make it into home grand finals with U11, U13 and U15 winning their respective premierships. With all our Presidents Cup teams competing so strongly, Manly-Warringah was awarded the overall Presidents Cup for the second consecutive season for the association awarded the most points across the Presidents Cup season – an outstanding result!

More on the representative season in the Rep Chairman's report but well done to everyone, including the boys, the magnificent coaches/managers and families!

Congratulations and thanks to the Representative committee for all their efforts!

Also a big thank-you to the Manly District Cricket Club and their committee and players, for all the wonderful work they do through the Manly for Manly program, allowing our juniors to have the opportunity to meet and train with grade cricketers. Once again, a wonderful initiative.

Finally a big thank you to our hard working MWJCA committee – Danny and I greatly appreciated and valued the efforts of Secretary Denise Gullick, Competition Committee Karen Brock, Vicki Carden and John Jackson, Treasurer Cathy Hurditch, Web administrator Phill Edwards, together with the valuable contributions of all the club delegates, for their tireless and sometimes thankless work behind the scenes to ensure the season runs smoothly as possible and that our kids are playing cricket each week!

We look forward to the 2015/16 season!

## Secretary's Report

The MWJCA 2014/15 season commenced in September with a significant increase in player numbers across all age groups. Whilst this was an unexpected bonus for the Association, it also presented significant problems as we had more players and less pitches available to accommodate games.

Our Grounds Allocator, Vicki Carden and Competition Committee, Karen Brock and John Jackson did a fantastic job of getting all the teams on the fields and games played each week with a minimum of changes or disruption .

This season was my third as Association Secretary and as part of this role I organised regular committee meetings, dealt with Association correspondence and organised the annual presentation night.

The MWJCA executive and committee have worked tirelessly to provide an avenue for junior cricket on the Northern beaches and they have achieved this with players and teams able to participate in 20/20, one-day and 2 day games across the season. I thank them for their efforts, time and contribution during the year.

Congratulations to all the players, umpires, scorers and parents who have contributed to another successful season and I look forward to the start of the 2015/16 season.

**Denise Gullick**  
MWJCA Secretary

### CRITERIA FOR ASSOCIATION AWARDS 2014/15

**BATTING** – to qualify, a batsman must bat in 6 innings and score 100 runs or more during the season.

**BOWLING** – to qualify, a bowler must take 15 wickets\* and bowl 30 overs during the season.

\* Where 15 wickets have not been taken by any bowlers in a competition, the bowling average award will be based on bowling 30 overs and the highest number of wickets taken.

## Vale – Bob Lind

We were all deeply saddened to learn that Manly-Warringah Junior Cricket Association Life Member Bob Lind passed away on Monday 26th January 2015.

Bob held the position of President at the Wakehurst Redbacks for 14 straight seasons from 1987/88 to 2000/01. He coached teams for many years and helped a number of players achieve higher levels including Jackson Bird (played tests for Australia and current Melbourne Stars player in the Big Bash) and Shawn Bradstreet (former NSW player and current head coach at the Manly Grade club).

**Bob and Jackson Bird**

In the case of Jackson Bird, Bob had a big influence on Bird from the age of six until he was 16 during his days at the Wakehurst Redbacks and playing for Manly junior representative teams including Green Shield.

The clubhouse that Wakehurst uses at Lionel Watts exists due to the significant efforts of Bob, along with representatives from the Wakehurst Football Club and Forest Lions AFL Club. Bob was responsible for the building of the cricket nets at Lionel Watts, negotiating with Council, engaging the contractors and even did some of the work himself.

Bob founded the Wakehurst Redbacks Special Achievement Award at the club in the 1984/85 season after a young Shawn Bradstreet (who was in Bob's U13 Div 1 team at the time) had bowled figures of 8/0. He wanted a way to recognise this significant achievement and Shawn was the inaugural recipient.

In addition, Bob was the first person to create the Wakehurst club Annual Report, which today has evolved into a great summary of each cricket season and the Wakehurst club records. His other achievements were night cricket and driving the introduction of various social activities, including leading season trips to New Zealand to play local teams.

**Shawn Bradstreet and Bob**

**Bob received a surprise visit from West Indies legend Brian Lara in 2014**

President Andrew Fraser, Deputy President David Gainsford, head coach Shawn Bradstreet and coach Phil Marks, to name a few.

Bob's contribution to cricket at the Wakehurst Redbacks, the Junior Cricket Association and the Manly area in general was enormous. He will be greatly missed by all of us.

Rest in Peace Bob

Arman Cosentino (WRCC Life Member) recalls "Bob was an inspiration to all those that he worked with in running the club. There was little he would let go past him without his blessing or review".

He continued to remain interested in what was happening at the Wakehurst Redbacks and Manly Junior cricket in his retirement. Bob received copies of all the meeting minutes and he would read them from beginning to end to keep up with what was going on at the club.

Bob also made major contributions to the Manly Grade club over a long period of time. He had a significant impact on so many players lives, particularly some who today are heavily involved at the club such as

**Bob (far left) being inducted as a MWJCA life member in 2008**

## in2CRICKET

in2CRICKET is the entry-level cricket program, formerly known as MILO Have-A-Go. MILO in2CRICKET is designed to give boys and girls a chance to take part in a variety of activities to develop cricket, physical fitness and social skills, sportsmanship and an understanding of the game of cricket. The emphasis is on fun and involvement.

The following Clubs established an in2CRICKET program this season: **Beacon Hill, Collaroy Plateau, Cromer, Forest, Harbord, Peninsula and Wakehurst.**

## Kanga Cricket

The aim of Kanga Cricket is to enable EVERY player to have a chance of success as well as participating in an enjoyable game. To achieve this, coaches adopt a flexible attitude and are prepared to adjust wicket length, speed of bowling etc to suit each player's size, strength and ability. Coaches can offer ON THE SPOT coaching/assistance which includes encouragement and reinforcement. The minimum age is 6 years as at 31<sup>st</sup> August with 6-8 players in a team, although a maximum of 10 players is allowed. Games must be completed within 90 minutes of the start of play.

The teams participating in Kanga cricket this season were:

Beacon Hill Sea Eagles	Forest White	Seaforth Chipmunks
Beacon Hill Victory	Harbord Sixers	Seaforth Sixers
Collaroy Plateau Electrons	Harbord Blue Tongues	Seaforth Yabbies
Cromer Cobras	Harbord Skylanders	Wakehurst Funnelwebs
Cromer Condors	Harbord Thunder	Wakehurst Huntsmen
Cromer Crickets	Harbord Tigers	Wakehurst Orbweavers
Forest Blue	Peninsula Kingfishers	Wakehurst Tarantulas
Forest Gold	Peninsula Pacers	Wakehurst Trapdoors
Forest Green	Peninsula Stars	

## Under 9 Cricket

The aim of Under 9's Average cricket is to develop ALL players of ALL abilities. There are no statistics for batsmen or bowlers and the score of the match is the average result obtained by dividing the number of runs scored by the number of wickets lost. There were 24 teams in this age group in 2014/15.

The teams participating in Under 9 cricket this season were:

Beacon Hill Breakers	Harbord Eagles	Seaforth Kookaburras
Collaroy Plateau Energy	Harbord Howzats	Seaforth Magpies
Collaroy Plateau Flash	Harbord Quokkas	Seaforth Tigers
Cromer Colts	Harbord Raiders	Wakehurst Funnelwebs
Cromer Crocs	Harbord Strikers	Wakehurst Huntsmen
Cromer Eagles	Peninsula Heat	Wakehurst Orbweavers
Forest Green	Peninsula Lightning	Wakehurst Tarantulas
Forest White	Peninsula Scorchers	Wakehurst Trapdoors

## Manly Mini Bash 2015

In February 2014 MWJCA introduced a T20 competition called “Manly Mini Bash” so that players can get an understanding of T20 at a young age to become better, well-rounded players and great T20 players in the future. The tournament was successful and received a lot of very positive feedback from both players and parents. In light of that, the tournament was run again over four weeks of February 2015 as “MMB #2”. Rounds were again played on Tuesday and Thursday afternoons from 5:00pm to 7:30pm. As it was a separate tournament and data was not entered into MyCricket, it was wholly standalone from the Saturday morning competition:

- Match results had no impact on the Sat morning league tables
- Player scores had no impact on individual player awards at the end of the season
- Match results and scores had no bearing on club championship points

We believe that not having the stats entered into MyCricket encourages players to play in a more carefree manner purely for the fun of the game, and that this is an important factor that makes MMB so enjoyable for players (and therefore parents).

### Structure

One of the main priorities for MMB #2 was to increase the number of players over 2014. Additional grounds were secured, 14 in total, (with thanks for the cooperation of Harbord, Peninsula and Collaroy Plateau cricket clubs) which allowed extra teams to be entered in younger age groups. This year saw teams from under 12 and under 11 taking part for the first time. Once again, teams were invited to participate based on their ladder position in the Sat morning competition as of the last match before Christmas 2104. In many instances lower placed teams were subsequently invited to play as some teams could not take part. MMB #2 comprised the following 13 leagues (compared to 8 leagues in 2014):

Under 11 - League 1  
Under 11 - League 2  
Under 12 - League 1  
Under 12 - League 2  
Under 13 - League 1  
Under 13 - League 2  
Under 13 - League 3  
Under 14 - League 1  
Under 14 - League 2  
Under 15 - League 1  
Under 15 - League 2  
Under 16-U18 - League 1  
Under 16-U18 - League 2

Out of the 66 teams playing traditional cricket in Sat morning competition 11 teams declined their invitation. 51 teams took which means that participation was denied to only 4 teams.

MWJCA provided bright orange balls which not only helped create a sense of difference from other cricket, but also had a very practical impact on visibility which is an important safety consideration with matches completing at 7:30pm. Orange balls were unavailable in the smaller size so pink balls were used for U11s and U12s. Boundaries were kept shorter as in 2014 to enable exciting, high-scoring games.

Each team in a league of four played each other once and finals for each age group/league were between the two teams with the most points after 3 rounds. A bonus system was in place whereby certain aspects of cricket (e.g. high scores, bowling out an entire team etc) were rewarded with points which boost a team's position on the ladder. MMB #2 also saw the introduction of a "joker" system whereby a team nominates one player for one, and only one, of their matches and any bonus points earned by that player are doubled.

## Finals

Finals were decided purely on runs scored with bonus points playing no part. Independent umpires officiated at each final and a BBQ was provided. Thanks go to Mike Pawley Sports for providing vouchers and cricket gloves as awards for finals. The Man of the match received a \$50 voucher and a Manly Mini Bash cap, and the runner-up man of the match received the cricket gloves.

## Results

U11 - League 1	<b>Peninsula Scorchers</b>	defeated	Forest Green
U11 - League 2	Cromer	defeated by	<b>Wakehurst Red</b>
U12 - League 1	<b>Collaroy Plateau Gigawatts</b>	defeated	Harbord Vikings
U12 - League 2	<b>Harbord Tigers</b>	defeated	Peninsula Pacers
U13 - League 1	Harbord Emus	defeated by	<b>Wakehurst Red</b>
U13 - League 2	<b>Harbord Goannas</b>	defeated	Peninsula Tiger Sharks
U13 - League 3	<b>Wakehurst Red (U12)</b>	defeated	Wakehurst Green
U14 - League 1	<b>Harbord Hornets</b>	defeated	Peninsula Vipers
U14 - League 2	Wakehurst Red	defeated by	<b>St Augustines Gold</b>
U15 - League 1	Harbord Scorchers	defeated by	<b>Collaroy Plateau Electrodes</b>
U15 - League 2	<b>Harbord Rebels</b>	defeated	St Augustines Green
U16-18 - League 1	St Augustines Gold	defeated by	<b>St Augustines Red</b>
U16-18 - League 2	Peninsula Firefish	defeated by	<b>St Augustines White</b>

## The Future

The timing of the tournament during February seemed to again work well for players and parents. Nearly all of the feedback received about the MMB #2 was positive and it seemed to be enjoyed by parents and players alike. The Manly Mini Bash has now become an annual fixture in the junior cricketing calendar.

At the end of the 2014 tournament the following improvements were identified:

- 1) Secure grounds so that we're less reliant on the goodwill of other sports for access
- 2) Expand tournament to younger age groups and more teams
- 3) Secure access to the best grounds in the district for finals

MMB #2 delivered on items 1) and 2), but not 3). This was partly due to the fact that it is extremely difficult to secure turf pitches, but also a decision was taken to play the finals on

the same night of the week as the rounds were played as this causes less disruption and is less likely to result in players being unavailable.

MWJCA would like to thank everyone who took part and hope that players and parents all had fun. It is planned to distribute an online survey to coaches, managers and parents in order to identify areas of improvement for MMB #3.

### Tournament Trivia

Here are a few pieces of trivia about MMB #2:

Totals teams entered	51

## 2014/15 Girls Cricket

During the off season Cricket NSW spent much time and effort developing competitions to provide opportunities for those girls interested in playing cricket. Cricket NSW has now formulated a complete female cricket pathway.

In 2014/2015 two significant activities occurred - an expansion of the entry-level program called T20 Blast (previously known as the Little Breakers League) and the introduction of the Breakers Junior Cricket League (BJCL).

### Milo T20 Blast - Girls

The Little Breakers League (LBL) that started last season evolved this season into a T20 Blast competition. The format was the same; girls only average cricket and music playing during the games.

This season it was played at Melwood Oval in Forestville on Friday nights before Christmas. The competition was played between 5 teams from Wakehurst and Forest, with 4 teams playing at any one time and the 5<sup>th</sup> team being taught different skills when they were off the field.

The Girls T20 Blast proved to be as successful as the LBL. We had some girls returning from the LBL last season and several new players. The standard of cricket was high and the girls showed great improvement over the 8 weeks.

Cricket NSW again offered the girls some amazing opportunities including attending a Sixers Big Bash game and be presented signed caps from the players, playing a game on the SCG during lunch of day 3 of the Sydney Test Match and attending a T20 International between the Southern Stars and the West Indies at North Sydney Oval.

Thank you very much to those parents that assisted with scoring and umpiring. A big thanks to Felicity Trinh for helping the girls improve their cricket in the skills zone.

Hopefully see you all again next season and with a big increase in numbers.

## Breakers Junior Cricket League (BJCL)

The Breakers Junior Cricket League is designed to keep girls in the game after they graduate from introductory programs MILO in2CRICKET and MILO T20Blast Girls.

The Breakers Junior Cricket League in turn will feed the Sydney Women's Grade competition and the Cricket NSW Academy Metropolitan Programs.

The NSW Minister for Sport and Recreation, the Honourable Stuart Ayres MP, joined Cricket NSW Chief Executive Andrew Jones and Lend Lease Breakers Ellyse Perry, Alyssa Healy, Erin Osborne and Sarah Coyte at the Sydney Cricket Ground on 8 October 2014 to launch the inaugural Breakers Junior Cricket League. The competition commenced on 11 October 2014 with 22 teams from 15 clubs competing in 2 divisions.

The BJCL is a 10 a-side T20 format but with a limit of 8 fielders at any time and only 8 players to bat each match. Played with a hard ball, when you're out, you're out (with compulsory retirement at 25 runs).

The BJCL competition was run in two parts, an 8 round spring competition that included a number of private school teams and a shorter 6 round post-Christmas summer competition held amongst the club teams. The games were played on a Saturday afternoon in a home and away format.

The Wakehurst Redbacks cricket club fielded an under 15 div 1 team coached by Julian Humphrey in both competitions. The girls came from varied cricketing backgrounds, some having played in the Saturday morning competition, others the Little Breakers League, others school cricket and others were completely new to cricket. Most of the team were only 12 years old, a big ask to play in the under 15 competition. However, the team was very enthusiastic, trained hard and ended up playing some very good cricket. They ended 3<sup>rd</sup> in the spring competition (out of 10 teams) and finished equal 4<sup>th</sup> in the summer competition.

If your club (or daughter) is interested in joining the competition or if you require more information, the competition has its very own website:

[www.breakersjunior.com.au](http://www.breakersjunior.com.au).

## U13 and U15 BJCL Women's Representative Cricket Carnival

The Breakers Junior Cricket Carnival was held on 19-23 January 2015 at grounds around Manly Warringah. The carnival incorporated the Mollie Dive Shield (NSW under 13 State Championship) and the Margaret Peden Shield (under 16). A total of 21 female teams travelled from as far as the North Coast to participate.

Seven of the Wakehurst Redbacks girls were selected to participate in the carnival. Congratulations to Annabel Hutt, Natalie Jonkers, Taylor Klose, Abi Powell, Georgia Quinn, Philippa Rees-Evans and Lauren Warburton on their selection.

## State Representative Honours – Saskia Horley

Congratulations to Saskia Horley from the Wakehurst Redbacks who was selected as Vice Captain of the Under 15 NSW Metro team who won the final of the National Championships in December 2014 where NSW Metro defeated QLD by 7 wickets. Off-spinner Saskia was a standout for NSW, finishing with 2-15 from eight overs and being in a 53 run opening partnership with the bat. Saskia was subsequently selected in the Team of the Championships and awarded the Player of the Championships.

After this success, Saskia was very fortunate to be also selected in the Under 18 NSW Metro team who have just competed in the National Championships in January where the team won the U18 Female National Championships by defeating Victoria by 61 runs in the Final in Ballarat on January 20. Saskia took 2/12 in the final. To our knowledge, Saskia is the first player to be a member of both the Under 15 and Under 18 NSW teams in the same season!

# REPRESENTATIVE TEAM REPORTS 2014/15

## MWJCA Representative Cricket Chairman's Report

Following the successes of 2013/14, I believe that the 2014-15 Representative cricket season has surpassed even that as a wonderful and memorable season for Manly's juniors across the board, in both the DCA and Presidents Cup competitions. This success is judged by the number of boys involved in the Manly Representative cricket program, the high level of coaching throughout all of the age groups and, importantly, the on-field success of so many of our teams. We were as an association, all deeply saddened by the loss of Phillip Hughes in November last year, however it was humbling the way our teams united with their opposition on 30 November (Phillip's 26<sup>th</sup> birthday) to provide various tributes before their matches.

Before I reflect back on this amazing season, I would like to take the opportunity to acknowledge Shane Moran who stood down from the Representative Chairman role at the beginning of the season. After being on the representative committee, Shane took on the role of Chairman in 2011, a position which he held until 2014. Shane did an outstanding job during that time as we forged a strong working relationship on our committee that has seen the rep program grow. On behalf of myself and the MWJCA, I would like to wish Shane all the best for the future and thank him for his years of dedicated service to our representative program.

The Manly Warringah Junior Cricket Association's Representative Cricket program is very demanding and requires dedication, teamwork and a significant commitment. Representing Manly at Rep cricket is the highlight of our player's junior cricketing days – especially as it involves playing in possibly the toughest and most demanding junior cricket competition in Australia. With the help of a large number of dedicated people, both on and off the Representative Committee, the program maintained the development of two teams in each age group from the Under 11 through to the Under 16.

The 2014-15 Representative Committee, made up of Judy Kenzie, Ross Trewartha, Steve Caproni, Ian Hogg, Kevin Davies, Danny LeMoy and myself, worked throughout the year to prepare the schedule of trials, games, coaches, specialist training, nets, kits and uniforms and many, many other facets of the representative program. Special thanks must go to the commitment from our coaches this year in delivering an outstanding effort for

Manly Reps, not only in their ability, but also in the time spent working with their squads and teams. We once again had record numbers of players who came to the selection trials in March 2014 and from this over 150 players played cricket in the Manly Warringah Junior Representative program during 2014-15. With the interest generated from our program this season, we were absolutely amazed at the number of players who trialed just recently in March 2015 for next season – we had 108 players attend the trials for Under 11's alone!

We again had 12 teams compete this year, six in the NSW Cricket DCA competition and a further six teams in the Presidents Cup development competitions. Teams also represented Manly in various country carnivals. I was delighted at how our rep season unfolded with results even stronger than the year before. 6 out of 12 minor premierships, 6 home grand finals with 4 Manly premierships was an outstanding success. A combination of great alliances with the Manly grade club and Warringah Shires through our pathway program and excellent coaching resources have contributed to our results and bodes well for Manly junior cricket well into the future. Whilst all of our teams competed strongly, there were a number of special highlights:

- Manly winning the **Presidents Cup** (being the Association awarded the most points across the Presidents Cup season) with 4 out of 6 grand final teams, and 3 premierships in the Presidents Cup competition.
- **U11 Creak Shield** team – DCA Minor Premiers, Grand finalists and runners-up in the Creak Shield, and semi-finalists in the Ron Arendts Memorial Shield, Newcastle;
- **Under 11 Presidents Cup** team – Premiers.
- **Under 12 Arch Cawsey Shield** team – DCA semi-finalists and Lismore Under 12 Carnival finalists and runners-up.
- **U12 Presidents Cup** team – Fourth place.
- **Under 13 Presidents Cup** team – Undefeated Premiers.
- **Under 14 Presidents Cup** team – Minor premiers, grand finalists and runners-up.
- **Under 15 Weblin Shield** team – Undefeated DCA Premiers for 2<sup>nd</sup> consecutive season. Winners of the Mike Pawley Award for the most outstanding junior representative team of the season.
- **Under 15 Presidents Cup** team – Undefeated Premiers.
- **Under 16 Watson Shield** team – DCA semi-finalists.

We had a special milestone after the Round 4 DCA weekend, where all six DCA teams were undefeated with 5 wins and a tie. After going through the archives we were unable to find a weekend where we had all teams coming away with points and believe this to be our most successful DCA weekend in history!

Congratulations to those players who received higher selection honours, particularly Aiden Bariol and Jack Edwards who were both selected in the NSW U15 All Schools team to play in the Australia National Championships in Darwin in June. Also to Oliver Davies who was chosen in the team of the Carnival at the U14 NSW State Challenge in January.

To those players who finished their junior rep careers in Under 16 this season, we wish you well in your cricketing future, and to those parents who have lived through a number of seasons, we thank you for your dedication in helping your sons play this great game. This was the last season of junior rep cricket coaching for our U16 Head Coach, Rob Pickering - thank you Rob for all your hard work over past seasons.

To the dedicated group of coaches who put in countless hours of planning and preparation, as well as just being there each week for training and matches on Sundays, a huge thanks to all of you for your commitment, enthusiasm, and skilful coaching. In addition to those wonderful parents who volunteered to manage teams, only support from people like you ensure that many tasks get done, and teams run smoothly. Your contribution to the community of Manly rep cricket is immense and invaluable.

Special thanks to Errol Cranney for once again doing a wonderful job as our umpire's coordinator. I always receive wonderful feedback from the players when Errol adjudicates their matches. Congratulations on your Life Membership Errol – richly deserved!

Thanks as always to Danny LeMoy and the MWJCA Committee for your continued support and encouragement to rep cricket during the season. We value all the great work that the Manly junior committee does to promote cricket for all kids in the Manly areas.

Special thanks to the Manly-Warringah grade cricket club and TravelSIM for their support and sponsorship of the Manly juniors this season – your outstanding contribution was much appreciated. To Joel Mason, Phill Edwards, David Gainsford and Shawn Bradstreet – we appreciated the publicity given to the junior reps each week through the MWJCA and MWDCC websites, social media and Shawn's weekly article in the Manly Daily.

Thanks to Mike Pawley (and Mike Pawley Sports) for your ongoing support and supply of our balls and equipment. Also thanks to the Sydney Sixers organisation for providing Sixers memberships to our Manly junior rep players. Thanks to the Specialised Wheelchair Company, Simon Couch at Chiropractic Solutions and Kookaburra, for your support of the Manly juniors once again.

In 2015/16 I plan to take a step back from the day to day running of the rep committee and am very pleased to announce that Ross Trewartha is stepping back into the helm as Rep Chairman for 2015/16. Ross did a wonderful job as Chairman between 2009 and 2011 and we are extremely fortunate to have him in the Chairman's role.

We are all caretakers of the welfare of cricket in Manly-Warringah and everyone from players, parents, officials, committee members and all involved should feel a great sense of pride and satisfaction in what has been achieved in recent years. Through our pathway program we now have a clearly defined road map from

under 11 junior rep cricketers all the way through to Manly 1<sup>st</sup> grade for generations to follow. I look forward to continuing to work in the Manly-Warringah cricket community to enhance the spirit of cricket within and to make it another great season in 2015-16.

### DCA J.H. Creak Shield – Under 11

**2014/15 DCA J.H. Creak Shield Minor Premiers**

**2014/15 DCA J.H. Creak Shield Grand Finalists and Runners-up**

**Ron Arendts Shield Semi-finalists (Newcastle Country Carnival)**

What a wonderful season the Under 11 DCA team had! The team remained undefeated through the pool rounds of the DCA Creak Shield to be overall minor premiers and kept the winning run going all the way through the finals to a home grand final.

Having had time to reflect on the season, it is one so full of positives. I have had the opportunity to get to know a great group of boys and their families and develop new friendships which has been thoroughly uplifting. The thing I noticed most when I assembled the group of players in August for Under 11 trials was their amazing attitude, highlighted by a strong willingness to learn and take on board everything they were told. That is a coach's dream and is why I wanted to stay on after the pre-season to coach the team. Many of the boys lacked experience having only come from Under 10 cricket where we play by average cricket rules so an incredibly big step up straight into tough DCA traditional cricket.

Having selected the DCA team for 2014/15 it was tremendous to have Nick Johnson come on board as DCA co-coach. I had known Nick for some years and his enthusiasm in the role was infectious. Nick was a pleasure to have on board and brought a great deal of passion and knowledge of the game. I really appreciated our tremendous partnership this season – thanks so much Nick!

Blake Cousemacker took on the role of manager, and as well as doing an amazing job in that role, Blake was also very giving of his time and own cricket experience at training as an assistant coach and Nick and I have thoroughly enjoyed the relationship we have formed with Blake.

One thing that struck me at the beginning of training sessions, when boys arrived early, was their ability to be able to set themselves up and do positive focused self-training (and have a ball doing it). This is outstanding for 10 and 11 year olds and can only help their cricket and ability to self-motivate when it counts. It was these types of qualities that ultimately helped drive the success we had. Training had the right balance of a weekly

centre wicket with pressure scenarios, fitness and fielding as well as weekly technique sessions.

We, like the entire cricket community were all shocked to learn of the passing of Phillip Hughes in November. The boys were naturally all extremely upset that this could happen so we addressed them at the training session for that week where Channel 7 asked if they could come along and were filmed for a segment on the news that evening. Prior to our qualifying final against Northern Districts, the boys placed their bats on the ground in the figure of "408" (Phillip's test cricket number) and we had a fitting tribute followed by 63 seconds silence with the opposition.

**The U11 DCA Manly and Northern Districts teams honour Phillip Hughes with 63 seconds silence**

At the beginning of the season Nick and I wouldn't have dreamed that the boys would make it all the way to the grand final but what we found, is that with their attitude and the right balance of coaching they could go grow into a very strong and competitive team and they showed that in bucket loads. To lose to a North Shore team that had already had a year of DCA cricket and were in last year's U10 grand final was nothing to be ashamed of. Nick, Blake and I were taken aback at the utter disappointment of the boys in the change rooms after the match – it just showed how much the season meant to all of them and that was a positive eye-opener for us all. So well done boys on an outstanding season! We only lost one game but look at the season you all had. You all did yourselves, your families and Manly proud.

Many people have provided the team, Nick, Blake and myself with outstanding support. Andrew Cawsey was a tireless worker for the team and his efforts with home game logistics and being our chief barista have helped raise the bar on Manly afternoon teas and lunches to a new level! Andrew also put together an inspirational slide show at the end of the season showcasing the team's journey across the season. Thanks so much Andrew!

Thanks also very much to Kev Davies, Anthony Nicey, and Andrew Cawsey who helped out on Fridays with Nick, Blake and myself to run a number of very good batting technique sessions which the boys appreciated and will continue to do next season.

Finally thanks so much to all the parents, grandparents, siblings, supporters and last but not least the wonderful cheer squad (yes, we had our own cheerleaders!) for your fantastic

support over the whole season. It has been a tremendous experience for Nick, Blake and myself.

And now to the players ....

### **Joel “Curly” Davies** (captain)

What a stellar season Joel has had. In the DCA competition he was named both the ***U11 Creak Shield Cricketer of the Year*** and ***U11 Creak Shield Batsman of the Year***. This was a terrific recognition of what was an outstanding season for Joel. To put it in perspective, Joel’s achievements in the 8 DCA matches played (5 round matches and 3 finals) were:

- Batting: 500 runs @ 71.4 with a high score of 115. This included 2 centuries and 4 half centuries.
- Bowling: 6 wickets @ 17.0 bowling both pace and spin throughout the season
- Fielding: 4 catches, 4 run outs

Joel plays cricket the way we all want it to be played – an entertainment spectacle that keeps the crowd on the edge of their seats. Anything not on the perfect length will get punished and he is always a joy to watch. Well done Joel on a tremendous season!

**The U11 DCA team celebrating with Joel Davies after his unbeaten 112 in Round 2 against Parramatta**

### **Jack “Chicky” Chick** (captain)

Jack was our other captain and brought plenty of experience having played U11 Presidents Cup in 2013/14. “Chicky” was one of our true all-rounders being a middle order batsmen (and occasional opening bat), one of our medium pace bowlers, part-time wicket-keeper and extraordinary close-in fielder where he took some absolute blunders during the season. Jack demonstrated great leadership for one so young and always led by example, managing to take breakthrough wickets when they were most needed or build partnerships when runs required. Terrific season “Chicky”!

### **Ky “Sticky” Broome**

Without a doubt, Ky was among the top bowlers in the DCA competition taking 13 wickets at 9.15 with his left arm orthodox spin bowling. Statistics alone don’t tell the full story. Coming on after our opening pace attack he would literally change the momentum of the game bowling a 10-over spell in tandem with spin-twin Woody. Opposition batsmen simply couldn’t get “Sticky” away and ultimately were forced into mistakes. He bowled 25 maidens (highest in the competition) for his 68 overs for the season with a miserly economy of only 1.75 runs conceded per over. “Sticky” is gifted with excellent control and just the right amount of flight to cause havoc for batsmen. Also a very handy lower order bat, the “Stick” was good at belting some quick runs to help build competitive totals in the latter overs of our innings.

### **James “Rowdy” Buchanan** (also known as “JB”)

James was a man of little words (hence the nickname) but a lot of talent. An attacking batsmen, batting most of the season at number 6, he often destroyed bowling attacks with his strokeplay. In his first season of traditional cricket, it was a pleasure to see him score his maiden half century in the DCA Round 3 match. Overall, “Rowdy” notched up 3 half centuries in the rep season in the DCA comp and Newcastle carnival, accumulating 234 runs across 13 rep matches. “Rowdy” was also a very useful change bowler, managing some good breakthroughs with his outswingers during the season. Lightning quick in the field, James had a marvellous all-round season.

### **Hugo “Slippery” Cawsey**

Hugo, as one of our opening pace bowlers was an attacking spearhead who always seemed to manage an early breakthrough. We just loved watching his sleek rhythm through the crease and see batsmen struggle against his line, length and swing. This was never more evident than in the Round 5 match against Northern Districts when “Slippery” and “Dougie” opened the bowling and had ND’s at 4/20 after 8 overs of great partnership bowling. When Hugo wasn’t taking wickets he was applying plenty of pressure to the batsmen which would usually culminate in his partner getting a wicket – a telling stat is that almost 1/3 of “Slippery’s” overs for the season were maidens along with 6 wickets at 15.0 in the DCA competition.

### **Toby “Cousey” Cousemacker**

Toby got our DCA campaign off to the perfect start in Round 1 against Hawkesbury with a match-winning performance. Only defending 107, Hawkesbury were looking good at 4/64 when opening bowler “Cousey” was brought back for his second spell. He proceeded to demolish the opposition taking 5/9 (including 3 bowled wickets) with Hawkesbury bowled out for 81. Toby’s 5/9 remained the best figures for the entire U11 DCA competition and the only 5-for. Toby has prodigious out swing and is a fearsome site for batsmen as he runs in and explodes through the crease. As another of our opening bowlers, Toby took 11 wickets at 13.2 across 13 matches in the DCA comp and Newcastle carnival – a fine season!

### **William “Gus” Gustafson** (also known as “Jeopardy”)

Every team has their “Mr Cricket” and Gus was ours – he is a student of the game and simply loves the camaraderie that the team environment offers. Always the first to ask a question and provide his opinions on the game (hence his other nickname – Jeopardy), Gus was a pleasure to have in the team. As our number 5 batsmen, Gus always showed good technique (particularly on the front foot) and valued his wicket highly. He was involved in a

**Toby proudly raises the match ball after his Round 1 5-wicket haul**

number of crucial 5<sup>th</sup> wicket partnerships of note during the season when we had lost some early wickets and needed to consolidate and build a total. His 60 run stand with JB in the qualifying final was a great example where Gus stood up to the challenge – a great team player.

### **Luke “Neil” Harvey**

Luke is someone who has thrived under the rep cricket environment and has shown great improvement as an all-round cricketer from being part of this set-up. He soaks up everything he is told and puts it into practice – an absolute joy to coach. Luke worked hard on his batting this season and was able to come in during pressure situations – never easy but the experience has been invaluable. The benefits from his rep season really showed in the back half of the club season where he really came on in leaps and bounds with both bat and ball. I really look forward to “Neil” going on to great heights in 2015/16. As a fielder, “Neil” is one of the best – very athletic and pounces on anything coming his way. He was one of the leaders for most catches this season. “Neil” also had the honour singing the team song after each victory which he did each week with pride and passion – well done Luke!

### **Lachlan “Johnno” Johnson**

Lachie was our primary wicket-keeper and number 4 batsmen. Lachie has really matured as a keeper over the course of the season culminating in him being named “Fielder of the Carnival” at our Newcastle Carnival in January. Across the whole rep season Lachie accumulated 7 catches, 10 run outs and 4 stumpings – quite a tally! Lachie has been a very solid batsman throughout, accumulating 191 runs across the DCA season and carnival. His 53 runs partnership with Gus in Round 1 was half the team total and really set us up for something to defend. I really think with the experience Lachie has gained this season he is destined to start putting together some big scores in the coming season. Johnno – you have been a magnificent contributor to the team!

**Lachie was awarded the Fielder of the carnival at Newcastle**

### **Logan “Logo” Nicey**

Logan started the season as one of our wicket-keepers and evolved into being an opening batsman. “Logo’s” career as an opening bat started in Round 3 where he was rock solid playing a superb anchor role to combine with Joel for a 65 run partnership and put us in a great position against Camden. As the season progressed, “Logo” really took to the opener role playing in further memorable partnerships. Always energetic in the field, Loges was brilliant in the field and an absolute gentleman off it – a real pleasure to coach and see him improvement as a genuine DCA batsman through his hard work and dedication.

### **Harrison “Dougie” Ryals**

An enduring memory was Harry thundering into bowl with his left arm-inswingers with Dad David yelling “Go Dougie” as the ball hooped in to unsuspecting batsmen. “Dougie’s” brand of left arm in-swingers was a perfect combination when bowling with the likes of Hugo and Toby and really helped us get those breakthroughs before introducing spin into the attack. “Dougie’s” return this season was excellent with 8 wickets in both the DCA and

Newcastle carnival – an amazing 16 wickets at 9.6 with close to 1/3 of his overs being maidens – pressure bowling with the well deserved rewards. Harry was also a very handy batsmen in the lower order, capable of getting quick runs when needed.

### Tom “Woody” Wood

Tom, as an all-rounder with loads of ability has a bright future ahead of him. He opened the batting for much of the season but also made his mark as an attacking middle order bat. With 143 runs across the rep season I really see him going on to convert some big scores next season as he is an exciting run-maker. As a right-arm leggie, Woody’s combination with spin-twin “Sticky” was unbelievable – we would normally get 20 overs straight from them, during which time matches were won on the pressure these boys built. Woody ultimately took 12 wickets across the whole rep season. In the field, Woody was outstanding, showing incredible reflexes and a terrific throwing arm to notch up 6 catches and 6 run-outs over the season.

## President's Cup – Under 11

### 2014/15 Under 11 President's Cup Champions

What a great initiation into representative cricket for all the boys lifting their intensity, enthusiasm and willing to learn which was required to winning the President Cup Competition.

**The U11 President Cup team taking a well earned break**

An extremely satisfying 5 month journey from a coaching perspective starting with our 1<sup>st</sup> trial vs. Sutherland whom we managed to beat 3 times throughout the season and most importantly the grand final.

I thoroughly enjoyed all aspects of coaching the boys, improving their fielding, humour on a Friday afternoon, trust amongst each other and most importantly shaking my hand after every training session.

Here is a quick summary on each player:

**Jackson Griffiths** - Joint captained and played a crucial innings in the final with a well compiled 20 under pressure and showed lovely pair of hands in the slips.

**Ned Patterson** - Joint captained and led the team very well with some nice bowling changes and subtle field placings. Swung the new ball nicely and played some nice cameos with the bat.

**Hayden Calvert celebrates his maiden half century – 62 n.o. in Round 3**

**Hayden Calvert** - our only wicket keeper who kept superbly throughout the entire rep season combined with some excellent innings at the top of the order. Scored a great 50 at our home ground at Griffiths Park and raised his bat to everyone in Collaroy.

**Harrison O'Brien** - Leading run scorer with 116 runs showing very solid technique at the top of the order. Bowled very nice medium pacers and developed an excellent slower ball.

**Nathan Colyer** - Quality all-rounder in the making showing glimpses with the bat and consistent bowling and an outstanding gully catch in the final.

**Josh Pritchard** - Batted high in the order averaging 18 and played some timely innings under pressure chasing totals to get the boys home.

**Milo May** - Another quality all-rounder who bowled at good pace mostly into the wind and timed the ball nicely albeit in the air too much for some dads liking.

**Kuan Brown** – Was absolutely dynamite in the field adding another dimension to our fielding with some excellent catching and run outs. Swung the ball nicely picking up 8 crucial wickets.

**Ben Eady** - Our into the wind new ball bowler who did a fantastic job with a lovely action causing batsmen problems every game. When Benny was given his chance with the blade he showed what a heavy ball he can hit scoring valuable runs under pressure in the final.

**Tyko Williamson** - Bowled some fiery opening spells with the new ball getting his team off to nice starts. Fielded in the ring and made some tough catches look very easy.

**Jimmy Downs** – A pleasure to coach who worked really hard on his batting and rewarded with a crucial partnership in the final allowing the team to defend 150. Bowled a consistent line and caught some nice catches at mid-on.

**Raja Ganeshraj** – He transformed himself from a medium pacer to a quality off spinner leading the wicket tally with 13 at an average of 6. His off break between bat and pad vs.

Sutherland was my highlight of the competition, also an excellent fielder and chipped in with the bat in the final.

Special thank you to Jeff Downs for his managerial skills and making life easy for all concerned, Heather and Ben Eady for looking after team social events at their house, all the dads for helping with Friday throw downs and Rob's illustrious leg breaks, and to Chris O'Brien for his compulsory match report reading on a Monday morning.

Thanks also to my great mate Dickie Fry for all his help at our Friday training sessions.

Congratulations to everyone involved in the success of the Manly cricket club from the seniors to the U11s - the relationship has been fantastic and our boys still talk about their fielding session they had on Manly oval Friday afternoon before the grand final.

Finally it was just so pleasing to see how all families embraced the rep season and forged lasting friendships.

Thanks

### DCA Arch Cawsey Shield – Under 12

**2014/15 DCA Arch Cawsey Shield Semi-finalists**

**2015 Lismore Under 12 Carnival Finalists and Runners-up**

Another fantastic season from a great playing group and wonderful parents!

The Manly Warringah U/12 DCA team for 2014/15 retained much of the nucleus of the talented team of 2013/14. The 2014/15 squad lost Joel Davies and James Forbes but we gained the talented pair of Samuel Jones and Samuel Barnett.

The team didn't reach the same heights of the previous season but we came very close. A storm in the DCA semi-final curtailed our chance to reach the final and retain our title. A no result was an unfortunate outcome for the players who worked very hard to be in a position to contest the final. After winning the Newcastle U/11 carnival in January 2014, the squad travelled to Lismore and reached the 2015 final only to go down to the strong North Shore outfit.

As the coach of the team, it was a pleasure to coach such a great bunch of players, players with high standards and players with immense talent. The players enjoy each others company, are supportive of each other and enjoy the abundance of success individuals and the team has enjoyed this season.

A few quick comments about each player:

### **Sid Williams**

Sid captained the team throughout the season and provided consistent leadership to the boys. Sid's bowling under pressure and with the new ball was a highlight. His calmness is certainly a great trait for a captain and Sid exudes this quality. He probably didn't perform to the level he would have liked (or capable) with the bat. A couple of technical improvements in Lismore resulted in better results. Hopefully this creates a great foundation for improved confidence and better results next season.

### **James Brock**

James probably didn't reach the level of performance he desired during the season but team members and parents saw touches of brilliance. His match winning innings with Oscar Lucius against South Eastern was certainly one that everyone involved wishes to see again. When on top of his game and focused James is one of the leaders in the fielding group and regularly creates run outs and catches from nothing. Through a determined approach in 2015, James has the ability and potential opportunity to lead the

team from the top of the order and make the spot his own.

### **Michael Drake**

Michael enjoyed a relatively consistent year but below his own expectations after the standard of his performances in 2013/14. He regularly made it to 15 but unfortunately never posted a score that he is capable and the team required. Michael's leg spin was watched very closely this season. Michael and his family have left the district so we look forward to playing against him next season.

### **Kale Gabila**

Kale enjoyed a solid year of representative cricket. His batting overall created solid results without really going on and making the season one to remember. Kale always creates a buzz when he bats and his energy is contagious. He led the way in Lismore with dominant displays over the first few days to set the team on the path to the final. He is regularly popping up with a diving catch or creating a run out chance from nothing. Kale has a great opportunity in 2015 to increase the consistency of his output and see his bat raised in the air more often.

### **Samuel Greenland**

Sam enjoyed an extremely consistent 2014 representative season. Through his consistent temperament, you always know what you are going to get from Sam. He only goes for 1-2 runs an over. He regularly scores 15 or more. He rarely misses a catch and generally throws the ball at the stumps for a run out. Sam dominated the match against Inner West Harbour where he scored 23 not out and took 3-13 of 7.2 overs. Sam has the foundation of becoming a dominant player in the coming years as his strength and maturity grows and his level of risk increases at the same rate.

### **Samuel Jones**

Sam joined the team in 2014 having played President Cup in 2013. Sam quickly took to the task with a match winning innings in the first DCA match supporting Tom Phelps to get the team over the line. His bowling was inconsistent at times, but he regularly had a knack of creating opportunities for wickets. Sam was dynamic in the field. He regularly took that catch that no-one thought he would be able to take or pick the ball up clean to potentially make the impossible run out. His fielding ability was rewarded with the overall fielding award at the Lismore carnival. The positive aspect to Sam is that he is an athlete with so much upside. I look forward to seeing his development in the coming seasons.

### **Oscar Lucius**

Oscar is one of the glues in the team. His contagious energy behind the stumps is invaluable to the team and they regularly feed of his positive mindset. Oscar has an extremely sound pair of

hands and rarely misses an opportunity to seize the ascendency with a wicket. His ability to execute a run out from a poorly directed throw continues to inspire his teammates. His match winning innings with James Brock was a season highlight and his semi-final innings in Lismore certainly showed that he is capable of much much more.

### **Oliver Melville**

Ollie enjoyed a very consistent 2014 campaign. Ollie arrived

at trials in July boasting a bigger frame and his bowling saw the benefits. Ollie was certainly our most consistent bowler in 2014/15 but unfortunately he didn't get the wickets he deserved. This wasn't due to teammates missing opportunities but more his ability to beat the bat and not get an edge or hit the stumps. His economy rate of 1.47 was one of the best in the competition and testament to his consistency. He also has the shots and ability to be a damaging late middle order batsman we just need to find the consistency to exploit his qualities.

### **Luke Morley**

Luke produced many consistent spells of leg spin bowling but in 2014/15 he didn't make the breakthroughs he did in 2013/14. This certainly was not a result of lack of training, preparation or quality of bowling. The game situations were very different in 2014/15 and his exploits from the previous season meant that oppositions played his bowling very cautiously. Luke is a competent batter who has to maintain his work ethic, but better shot selection and confidence will certainly result in better results.

### **Thomas Phelps**

Tom completed an inconsistent DCA campaign in 2014/15. A commanding 67n.o. and 3/30 in round one created confidence and knowledge that he was capable of such exploits. We saw splatterings of quality at other times but Tom lacked the consistency to make his mark on the competition. The desire to succeed coupled with the technical and tactical capabilities provide a great foundation for success. We just need the results in the scoreboard.

### **Nick Taylor**

Nick was another who showed much promise of a quality season but unfortunately was unable to deliver consistently. Season highlight in a low scoring match against Fairfield, Nick top scored with 23, took 1/12 of 7 overs with a catch and a run out. Nick consistently makes a start to his innings but needs to maintain his game plan to maximize his immense talent. His bowling was extremely effective in matches but unfortunately he was unable to maintain the pressure on batters to create wicket opportunities. He is an outstanding

fielder, rarely drops a catch and is ever present when a run out is available.

John Jackson must be congratulated for his huge contribution to the program. He coached the President Cup team, didn't miss a training session and didn't have a relative in the program. Extremely selfless from John and credit must go to him for the improvement the President Cup squad displayed during the entire summer. John was always supportive of the DCA squad and always adjusted his sessions if the DCA required extra room for game specific practice.

The other contributors to the team were the parents. Without their incredible support the boys would not have played so well.

Richard Gabila (Team Manager) and his wife Gabi must be congratulated for their tireless support of the team. Their organisation was tremendous and endless as the season went on. The best Team Managers leave nothing to chance and are generally one step ahead of the coach. Richard & Gabi are the best Team Managers a coach could ask for.

My personal thanks must be conveyed to Andrew Melville who didn't miss a training session, assisted in any way possible and providing a positive contribution to the entire team. Mark Taylor provided great guidance to the coach and players. He always emphasized the positive way the game needed to be played. His cricket background played a key role in educating team strategies to the players and maintaining the intensity

at training. Adam Lucius, Simon Greenland, Ashley Jones, Karen Brock, Mark Williams and Neil & Lisa Barnett also contributed to the quality, intensity and desired outcomes at training during the summer.

Melinda Gainsford-Taylor was also instrumental in improving the movement of our players. During most training sessions Mel took the U/12's for 10-15mins of running technique, speed and agility which culminated in our players getting to the ball faster, taking the catch easier and running between the wickets faster. Mel's positive outlook and personal experiences as an athlete played a key role in the management of the players and the group dynamics.

Adam Lucius undertook the role of chief script/match reporter for the team to the association after each match. It was always great to read Adam's analysis of the match and replay the achievements of the boys on the Monday after the game.

Every successful team has a support network. The parents and extended families linked to our team must be congratulated for their selfless, unwavering encouragement of the playing group. The chemistry of the parents has led to chemistry in the team and created the outstanding results the team has enjoyed over the past 2 years. May this dynamic continue over the coming seasons!

The team has immense talent, strong competitive drive, mental strength and most importantly contains good respectful people. They are a credit to their parents and themselves. All of the above qualities don't guarantee success. The only thing missing within the team is the single mindedness of individuals who seek personal success. We need the drive to turn a twenty into a fifty or a fifty into a hundred. I look forward to being involved in some capacity in 2015/16.

## **President's Cup – Under 12**

The squad had significant turnover with the team that played Hornsby in Game 1 having six new players to rep cricket. This season's competition had a large gap in standard between the top three clubs and the bottom three sides. We improved from a mid- table side to a side capable of challenging the top teams. Our team was not dominated by the efforts of one or two players but rather the efforts of all players. Joe O'Brien is an astute captain showing a tactical ability above his years.

### **Match Summaries:**

***Hornsby 7-282 (E Dunnachie 4-31) def. Manly 7-99 (L Richardson 47) at Dural Park***

Hornsby won the toss and batted first in 'sauna bath' heat. The Hornsby number 3 (new to rep cricket) scored an impressive hundred. He went on to be the highest run scorer in the competition and played a critical part in Hornsby's premiership.

This was a testing morning. Dom Murphy took two catches on debut and **kept well** in adverse conditions. Dylan Bradstreet proved a more than useful substitute taking two catches and fielding well in the heat. Evan Dunnachie commanded respect with the ball.

The weather changed dramatically at lunch and storms interrupted play. Luke Richardson and Matt Priest batted attackingly and took the game up to Hornsby before the game was called off due to lightning.

**Manly 10/140** (J O'Brien 39, L Richardson 19, M Priest 17, L Trewartha 15) **def. Penrith 11-86** (E Dunnachie 3-16, X Ryan 4-21) at Collaroy Plateau Park

A score of 140 on a slow plateau park put the pressure on our opponents. Joe O'Brien led from the front to anchor our innings. Lachlan Trewartha played the slugger role well.

A rain delay gave Penrith a chance in the game with them needing 50 runs off 11 overs. We bowled tightly and fielded very well to win the match. An excellent catch in the outfield by a well placed Luke Richardson was critical. Xavier Ryan bowled and fielded very well in this period.

This was a good win after a tough start versus Hornsby the previous week.

**Newcastle 11-29 and 5-92 def by Manly 11-100** (N Kasmar 23) at Smith Park, Newcastle

We travelled to Newcastle for the second successive year. It was a mild day with a slow outfield. Newcastle won the toss and batted. Our bowling proved too strong for the opposing batters.

Noah Kasmar held our innings together.

**Manly 11-99** (N Moss 34 H Thomas 16) **def by Sutherland 10-102** (S Dunn 2-16 N Moss 3-16) at Collaroy Plateau Park

This was a nail biting loss to last season's premiers. Noah Moss starred in the match. His 34 anchored our innings and combined with a five ball 16 by Henry Thomas gave us something to defend.

Our medium pacers and spinner Lachlan Trewartha bowled very tightly to build pressure and then Noah Moss took 3 wickets to break the game wide open. Sutherland passed us 10 down in the last over. This result was a measure of our improvement.

**Manly 6-171 (J O'Brien 29, H Thomas 42) def. Northern Districts 11-49 (E Dunnachie 3-6) at Upjohn Park**

A solid platform was established by Joe O'Brien, Noah Moss, Euan Harris and Matt Priest. Then Henry Thomas and Noah Kasmar combined beautifully in a partnership of 60 to run ND ragged. We need to see more batting partnerships like this. Henry's 42 included boundaries to all parts of the ground.

Early wickets to San Dunn and Evan Dunnachie combined with excellent catching support from Dom Murphy and Xavier Ryan put ND on the ropes.

**North Shore 11-214 (S Dunn 5-45) def. Manly 10-148 (J O'Brien 23, M Priest 42\*) at Loftberg Oval**

This game was closer than the scorebook shows. North Shore batted first on a fast and rough Loftberg Oval. We did well to have them at 5-87 but missed a critical opportunity. Lachlan Trewartha bowled 8 straight overs of excellent off spin. Sam Dunn finished with 5 wickets which was a just reward for consistent bowling all season.

With Noah Moss injured Dominic Murphy opened the batting and took his chance in a promising opening partnership with Joe O'Brien. Matt Priest batted well to finish a strong season.

### DCA W.S. Gee Shield – Under 13

The team had to overcome a mental obstacle at the start of the year, after being placed in a group, containing both last year's grand final teams. After losing our first game, the boys worked harder leading up to the last game of the season, which proved to be the highlight of the year- against the champion team for last two years, Central Coast. We lost this game, but gained some confidence in the fact that we could have won the game!! The boys showed great nerve in chasing down an imposing total of 212 at Balgowlah oval falling short by 14 runs. No finals this year, but finished the season with an accomplished performance, to set them up for the challenges in years ahead.

Fantastic opportunity for four of our players this season, after being selected for the U13 NSW State Challenge held in Dubbo during January. Recognition of the following players for their individual performances this year - Jarod Colyer, Joel McGregor, Ned Barnet, Ben Watts. Congratulations to the players in being selected for this inaugural event, playing against the best players in the state.

Our player of the year award was closely contested again this season, with Jarod Colyer nominated as our champion player this season, after some consistent performances at the top of the order. Jarod lead our batting aggregate and averages, as well as being involved in the four highest partnerships for the first four wickets. Personal high score of 64 runs under pressure, against eventual winners, Central Coast. Selected for Dubbo U13 state challenge tournament. Congratulations Jarod on well-deserved award.

After three years, this is my last year involved with coaching this fine bunch of boys. It truly has been an absolute privilege to be able to observe their skill level evolve from that first year of reps as a raw eleven year old, to where they are today. Magnificent and talented group of players-thank you very much for the enjoyment you have provided me!! Wish the playing group all the best for the following seasons under the new coach.

Thanks to the parent group for their support and understanding over the years. Never easy being a parent on the sidelines, understanding that every mum/dad wants their boy to bat up top of order or bowl five overs!!

Special thanks to Craig Tomko, who has been a very special contributor to this playing group over the last three years. His cricket knowledge, gleaned from years of playing grade cricket, has been invaluable to the team and myself. Thanks Craig.

Thank you, to our manager this year, Judy Kenzie for her tireless efforts in ensuring season ran smoothly.

Jarod Colyer 64 runs, Lucas Heffernan 43 runs, Ned Barnet 22 runs		Lachlan Molyneux 2/31, Bailey Kenzie 2/51, Ben Watts 1/26

- Aiden bowled a great first spell, to have only 9 runs off his opening four overs.
- Electrifying 74 run partnership off 15 overs, between Jarod (64) & Lucas (43 off 50 balls) to keep Manly's run chase on track
- Ned (22) & Lachlan (15) gave some hope in the end with 36 runs off 5 overs.

## President's Cup – Under 13

### 2014/15 Under 13 President's Cup Champions (Undefeated)

Another undefeated season for the Under 13 Presidents Cup Team started off badly with Jeremy Tolman not being able to train due to injury. Jeremy had been placed in the Presidents Team after sadly breaking a bone in his leg during the winter which he would eventually not recover from in time to represent the Presidents team this season. Mid-way through our second game, Will Rogers (our opening bowler) picked up a shoulder injury, this would subsequently keep him out for the rest of the season. Nevertheless, one person's loss is another person's gain and, in both instances, Will Davidson and Liam Dinan stepped in and gave it their all, both performing admirably.

The boys trained very well this year taking on board most of what we were trying to teach them. Pre-season went well with extra Sunday morning net sessions and a big thank you to Ben Falconer who plays grade cricket at Manly, for giving up his time to help coach the boys – this was much appreciated by all. Also a big thank you to Steve Callow for providing some excellent training drills, and my two right-hand men, Rob Melchiorre and Scott Osborne.

It was excellent to really mix things up in training this year as young lads tend to have a very short attention span. The emphasis was on fun and interesting drills, creating competition amongst the boys. We obviously worked on all three aspects of the game: batting, bowling and fielding, but tried to emphasise that fielding is a part of the game that should be enjoyed as it is part of the game that we do far more than batting or bowling.

The boys definitely bought into this as performances improved markedly as the season progressed.

Everyone had a fantastic week of cricket up in Ballina. We went with the approach that we would mix up the batting and bowling orders so that everyone could get involved and enjoy the games. Needless to say we were all shattered at the end of the week.

An excellent bunch of lads and a great set of parents to spend summer with and even though we won The Presidents Cup for the 2<sup>nd</sup> year running, we still have a great deal to improve on for next season.

**Anton Callow** – Anton found runs hard to come by but never gave up and recorded his best knock of the season (23) away in Ballina during our last match on tour. He managed to buy a few wickets by tempting the batsmen with some excellent spin bowling and was not afraid to give the ball plenty of air. Anton's highlight of the season has to be his run out in the grand final. Fielding at deep square leg and with only one stump to aim at, he scored a direct hit that left the Central Coast batsman well adrift.

**Ashish Sharda** – Ash would often come on 1<sup>st</sup> or 2<sup>nd</sup> change and proceed to tie batsmen down with some great swing bowling. He does not put a great deal of pace on his deliveries but he has managed to perfect the art of landing the ball on pretty much the same spot each time, known as the corridor of uncertainty. He saved his best til last and recorded figures of 2-8 in the grand final. Ash's highlight for me though occurred during a pre-season game when, not known for his batting, he and Will Davidson put on a stand of 50 to help us win the game.

**Brynn Mendel** – Brynn had an excellent season behind the stumps and with the bat. He ended up opening in the last few games and was not out on both occasions. Brynn can hit a ball a very long way but must keep believing in himself. Highlight was surely receiving Player of the Tournament in Ballina – a fantastic achievement for a Presidents Cup player.

**Callum McKay** – Callum regularly opened the bowling as he had the previous season where he bowled very well without a great deal of luck. This season he not only bowled extremely well but he also got his just rewards with the highlight being his 4-8 from 10 overs in extremely windy conditions in our away win at Sutherland. Callum also recorded 4-7 while on tour up in Ballina. After much hard work in training, he finally began to reap the rewards on match days.

**Jack Melchiorre** – Our other opening bat progressed as the season went on. Along with Brynn, he also remained not out in the last two games. After a bit of self-doubt early on in the season, his confidence eventually grew and he started to hit the ball during the game like we see him play in the nets. After falling ill and sleeping all day during the last game in Ballina, he still managed to get off his sickbed to go out and bat – great attitude. A fantastic pair of hands in the field and he didn't drop a catch all season.

**Brynn Mendel was named  
Player of the Tournament at  
the U13 Ballina Carnival**

**Jake Osborne** – Jake has had the most amazing season that I think he'll remember for the rest of his life. After dropping down from the DCA Team, his attitude was first class and he has been scoring runs for fun all summer. Over 800 runs in Saturday morning cricket and over 250 in rep cricket. Jake scored the first 100 in our rep age group (108 not out in Newcastle). A great attribute is that not once have I heard him brag about his success. Well done on a magnificent season.

**Josh Park** – Josh's batting has improved greatly this season. He enjoyed batting with Jake this summer with the pair of them putting on three good partnerships. During one of our pre-season games away at North Shore in 38 degree heat, I retired Josh on 45 – a very good knock but I don't think he has still forgiven me for not letting him get his 50. While on tour in Ballina, Josh opened the bowling and bowled extremely well throughout the week but with little luck.

**Kai Davies** – Fantastic year claiming 16 wickets in total with best figures of 5-18 against Penrith. Kai often opened the bowling and always managed to completely tie down the opening batsmen. He bowled by far the most amount of overs and on several occasions bowled his ten overs straight through. Superb in the field and very handy with the bat.

**Luka Vajdic** – our 2<sup>nd</sup> king of spin. This was Luka's first year in reps and he bowled extremely well. He claimed 3-14 from 10 overs in the grand final. Luka is probably one of the most vocal in the field always shouting encouragement throughout the whole 50 overs. He has a good cricketing brain and knows what aspects of his game he needs to improve on.

**Liam Dinan** – After Will Rogers was injured in our 2<sup>nd</sup> game, Liam stepped in and recorded great figures of 3-11 against Newcastle. A superb spell of bowling. As the season wore on, Liam matured as a player and he managed to transfer his excellent

attitude in training to his performances on the cricket pitch. He can now be relied upon as a very accurate wicket taking bowler.

**Oliver Little** – Ollie had his first year with the Presidents and captained the side along with Brynn Mendel. Ollie earned his top score of 44 on his first outing against Hornsby. He probably has the best technique of all the boys and is like lightening between the wickets. He just has to learn to hit the bad ball and I am sure he will then go on to become a very good player. Ollie can bowl with a great deal of pace and it all came together for him in the grand final when he recorded 2-4 from only 10 balls.

**Will Davidson** – after the initial disappointment of missing out on Rep selection, Will stepped in after the door was opened to him due to injury. Very much a team player Will often sacrificed his own wicket in the pursuit of quick runs towards the end of an innings. He is very good at moving a game on and his running between the wickets is excellent. During our first pre-season game he managed to put on a stand of 50 with Ash, eventually winning the game. He found bowling a little more difficult this year but came good after Christmas with figures of 2-5 away to Sutherland.

**Will Rogers** – The season started in a magnificent fashion for our opening quick by claiming a wicket with his first ball of the match against Hornsby. He went on to record 1-7 off 9 overs with 4 maidens. Sadly in our 2<sup>nd</sup> game away at Penrith Will picked up a shoulder injury that would not see him bowl for the rest of the season. Will is definitely the most vocal member of the squad and can be heard shouting encouragement both on and off the field. Even though Will could not bowl he still came on tour to Ballina and played as a batsman and recorded his top score of 26 against a very strong Brisbane North team, who eventually went on to reach the final.

### DCA Harold Moore Shield – Under 14

Hopes were high for a new look Manly U/14 DCA in the 2014/15 season. The selection trials had been plagued by bad weather but once the team was announced, no time was wasted in the preparation for the upcoming season. Four new faces were in the team, Byron Bates and Henry Wilkinson-Gill from Presidents and two rep debutants in Lennox Whittaker and Justin Soo. Our hopes were raised even higher after two solid performances in the trials against two of the competition heavyweights, Sutherland and North Shore.

Several good individual performances in the trials had the coaching staff looking forward to the challenge ahead, with the hope of improving on the previous season quarter final appearance. Byron "Alright" Bates and Lennox were our new opening batting combination. Both made a number of starts but neither capitalised on these to go on to make big scores with Lennox highest score of 32 and Byron 15. Byron also helped out with the keeping at times to take the pressure off Lachie's knees. Lennox's fielding at times had to be seen to

be believed. For such a big unit, his reflexes are amazing. Lennox adapted to rep cricket with ease and his larger than life personality soon made him a hit with his team mates.

Ollie was the mainstay of the batting, posting the teams three highest individual scores of 72, 136 n.o. and 100. His 136 n.o. at Melwood was a great innings, marked by several scorching cover drives but his 100 against Penrith, in searing 45 degree heat was an innings of great character. Ollie also bowled his leggies and was the leading wicket taker with 7 wickets, with best figures being 4-20. Congratulations also go to Ollie for being named Manly U/14 DCA Rep player of the year.

Kyle was given first shot at the no. 4 spot and also made a couple of good starts without going on with it, with a top score of 15. We all know how much ability he has and once he starts realising his potential, the runs are bound to come thick and fast. His fielding was outstanding and is a great defender of the boundary.

Will has been earmarked as an opening bat by many a good judge but has spent the past couple of seasons in the middle order. He also made a couple of solid starts but failed to go on with it, with a highest score of 14. Will was handed the Vice Captaincy this season and in combination with Ollie, did a great job of leading the team. He also made several handy contributions with the ball, with best figures of 2-8.

Adi was shifted down the order this season to try and keep him fresher for bowling with the new ball. He was called upon to bat in every game, making handy runs each time with a highest score of 25. Being our main strike bowler, Adi had many an opening bat jumping around in the crease, taking 6 wickets for the season with a best of 2-15.

Luca made handy contributions with both bat and ball throughout the season with the highlight being in the game against Canterbury West where he made 29 and then took the ball for the last over, when Canterbury needed 10 to win off the last over. Luca held his nerve and we won by three runs.

Lachie is our live-wire keeper and although he didn't get a lot of opportunity to bat, when he did he would always get the running between the wickets cranked up and it was pity on the other batsman trying to keep up! Lachie finished the season off in style when he took the gloves off and had a bowl, with Penrith 9 wickets down and on their knees. Lachie showed them no mercy and finished them off with his very first delivery, not just of the match but of the season!

Liam is a player who brings a lot of excitement to the game. He showed his potential in the trial against Sutherland, with arguably the ball of the season, to knock over their best bat. He also hits a mean ball but his season was marred by injury, first breaking a finger whilst taking a great outfield catch in the second trial and then damaging his shoulder not long after. Who knows what our season might have been with a fully fit Liam?

Henry was recalled to the DCA team this season with the main intention of bowling his offies in tandem with Ollie's leggies. Henry is renowned for bowling tight spells and didn't let anyone down with several good spells in the season with best figures of 1-16. Henry didn't get much of a chance with the bat but was able to pick off a few at the death several times.

Nathan was up there with Adi as the pick of the quicks, often frustrating the batsmen with his nagging line and length. He returned best figures of 3-18 off 10 overs against South Eastern but one of his highlights was an outstanding caught and bowled against the Coasties. Nathan was almost always thrown in the deep end with the bat, but like Henry, managed to score a few handy runs.

Justin, like Lennox, was totally new to the rep scene and struggled early on to find his place in the team. His net form had been immaculate in the trials but it wasn't till the 4<sup>th</sup> game against Canterbury West, that we got to see the bowling that the selectors had seen. While other bowlers were being carted around the park, Justin held firm to return the

great figures of 1-18 from 9 overs, being unlucky not to grab another couple of poles, He backed it up the next week against Penrith with 0-9 from 6, a great finish to his debut DCA season.

Stats don't always tell a true story but this season one stat never rang so true – lack of batting partnerships. It's very hard to win games without at least one, maybe two of these and the games we did win were based around at least one good partnership. The potential of our batsman is definitely there, it's just a matter of realising it – simple!

**Lachie Scheffers was named Fielder of the Carnival at the U14 Newcastle Carnival**

The bowling on the whole was pretty good, as a couple of the low scores we kept the opposition to were proof of that. An extra fielding session per week also paid dividends with several good catches and run-outs.

We also headed to Newcastle for the January carnival where the weather once again did us no favours. We ended up winning 2 from 4 games with special mention to Lachie Scheffers – Fielder of the Carnival and our super sub Jordy Brewster – Joint Bowler of the Carnival. Well done boys!! An extra special mention to Lennox, for his ability to conceal his identity as

**Jordan Brewster was named Bowler of the Carnival at the U14 Newcastle Carnival**

the "Mole". He kept his identity well hidden until the day of the reveal and was able to inflict plenty of punishments upon many players, siblings and parents alike, particularly Jenny "I'll Buy You a Beer Instead" Wilkinson!

A big thanks to everyone involved, manager Iain Hogg, Richard Fry, our team scorers and all the taxi drivers (parents). A special thank you to Peggy - our famous cook who coordinated all the lunches and for the endless supply of shortbread biscuits and sponge cake! And an even bigger thanks to-co coach, Andy Franks for his commitment to the cause.

The Manly U/14 DCA team may not have fulfilled the hope riding on their backs but they certainly gave it a go and did show us in the trials what they are capable of. But as they hopefully have learned since that first trial against Sutherland – "one swallow doesn't make a summer"!

**Kev Davies and Andy Franks**

## President's Cup – Under 14

**2014/15 Under 14 President's Cup Minor Premiers (Won 4, Lost 1)**

**2014/15 Under 14 President's Cup Grand Finalists and Runners-up**

The advantage of playing three practice matches prior to the competition starting was it allowed us to get our worst performances out of the way! Having been undefeated the season before we went in to the new season probably even stronger on paper but it didn't feel that way as we approached the season for real.

Run scoring had been our issue and having batted first in these games we struggled to give our strong bowling attack much chance of defending the low totals. A particularly chastening defeat to Sutherland removed any doubt that we had to knuckle down.

Our first game was away at Hornsby and while eagerly awaited, was overshadowed by the death of Phil Hughes. The cricket community's response was moving.

Having decided to field first our bowlers got to work. While wickets didn't come quickly we applied the pressure that eventually told. Our bowling and fielding had been the highlight the previous season and it was to be again this season. Our seam bowlers kept an impeccable line and length with Mulder (4-17) and Ivers (2-4) the pick. Hornsby were eventually all out for 110 in the 46<sup>th</sup> over.

Lightning was our biggest concern and a few breaks kept us on edge. Fletcher Kirby 46\* and Harry Kantor-Smith 25\* ensured we got over the line at 1-95 in the 28<sup>th</sup> over of a reduced game. Tenzin also weighed in with a quick fire 21 opening the innings.

Round 2 saw us at our Harbord Park home against Penrith. Batting first had been problematic in the practice games and having been sent in we found ourselves 4 down for 10 runs. The outfield was slow but we made very hard work against some disciplined bowling eventually being dismissed off the final ball of the 50<sup>th</sup> over for 87.

When chasing a low total its best to remain positive especially with heavy storms forecast for the afternoon. Fortunately due to some fantastic seam bowling from Rath, Ivers, Brewster and Mulder and some tentative batting from Penrith we managed to restrict them to 2-34 off 25 overs. The above bowlers went for 17 runs off 20 overs and were well supported in the field. As predicted the storm hit and fortunately minutes after we had bowled the final required over. The storm could be described as biblical as the hail pounded the ground and club house. Water poured off the roads and flooded the ground completely. We had picked up the points but had used a lot of luck up in the process.

Our final game before the Christmas break saw us travel to Newcastle. This is always a well contested fixture and this was with out doubt the game of our season. Newcastle batted first and got off to a solid start. We struggled to get wickets but we kept plugging away on a warm day. A late flurry of boundaries as we tired saw the hosts post a competitive 5-168.

It was a bigger score than we had managed to date but the boys batted with great maturity. Oscar Greenwood and Fletcher Kirby got us off to a great start making 19 and 54 respectively. Jake Alexander 27 and Harry Kantor-Smith 23 kept the runs coming but it was getting tight. It was left to Jake De Angelis to find the boundary a few times to relieve the pressure and get us home with a couple of overs to spare. It was a really good game played in excellent spirit by both teams.

Christmas came at the wrong time of the year for us (not sure we can rearrange it) as we were just finding our best form.

Our first game in 2015 was against Sutherland at Harbord Park. Having been thrashed in a practice game we were determined to show them that we were much better than our last performance. Fielding first again our bowlers got stuck in straight away to the big hitting Sutherland top order. Jackson Rath who had bowled well in every game with little reward finally got what he deserved bagging 5-8 off 9 overs. Our seamers again were the destroyers but both spinners, Tom Fountain and Tenkyong Tenzin bowled with control and helped us get through our overs and keep the pressure on. Sutherland succumbed for 93 although based on our last innings here nothing was being taken for granted.

Sutherland bowled well as expected and while we struggled to score quickly we didn't panic and with Captain Harry Kantor-Smith playing a great knock of 54 not out we got home with 6 wickets and overs to spare.

Our final round game was a bye due to Blacktown dropping out. As byes counted as wins we finished the group stage on top undefeated although we had tested our nerves all the way.

A break before a final is not ideal but in the end our nemesis North Shore were too strong for us again.

The visitors won the toss and batted first. The boys bowled well without much luck until Jordan Brewster struck twice in quick succession to remove both openers. At the final drinks break North Shore had been contained to less than 3 an over. However they came out and smashed us all over the park in the last 15 overs. The boys had not faced such an onslaught and before we moved in to containment mode the North Shore score had ballooned out to 7-186.

Our chase at Newcastle had shown we were capable but the added pressure of a final took its toll and we panicked slightly in the early overs losing cheap wickets trying to get off to a quick start. Harry Kantor-Smith again batted well for his 37 and some late order resistance from Mulder and Tenzin saw us stagger to 112 all out.

You often learn more in defeat and I have no doubt that all the boys will be better players for the experience.

As with last season our success was very much a team effort. All of our bowlers can be proud of their efforts and Oscar Greenwood was very dependable behind the stumps. We have no shortage of batting talent but we need to turn starts in to decent scores. The first 20 runs are the hardest and yet that's where we often got to and stopped. Next season we will be playing on turf wickets and that will bring new challenges to the boys and I know they will enjoy the experience.

Not only were we successful on the field but off it too. I would like to thank our team manager Alecia De Angelis and all the parents who were great supporters of the team as well as great scorers, umpires and lunch makers.

### DCA E.G. Weblin Shield – Under 15

**2014/15 DCA Weblin Shield Champions (Undefeated)**

**Winners - THE MIKE PAWLEY REPRESENTATIVE AWARD**

*for the most outstanding junior representative team of the season*

The 2014 season presented the U/15 DCA side with a number of challenges which would test the character, skill and determination of each player and the team as a whole. Following on from a remarkable 2013 season where they won the Harold Moore Shield, The Graeme Malcolm Shield (Newcastle Country Carnival) and the NSW State Challenge, the big test was going to be could they replicate their performances again this season. If

they were to then there were a number of questions to be asked. Did they have the desire to work even harder than before at training and in games? Were they going to approach matches with complacency? Would they manage the demands of playing 60 over matches? Were they going to adjust and cope with playing on turf wickets? Only time would tell the answers to these questions.

After a long pre-season training schedule and four trial matches the players were ready for the season to start and to show where they were in relation to the questions asked of them.

---

The results above show the team had been quite dominant throughout the round games, Quarter Final and Semi Final. Clearly evident were some outstanding individual performances. Aiden Bariol hitting centuries in consecutive matches and being the leading run scorer in the entire competition with an average of 56.43. This combined with his

exceptional wicket keeping meant Aiden was deservedly recognised as the Player of the Year. Nick Osborne scored 336 season runs, averaging 56.00, highlighted with a brilliant unbeaten 102 in Round 3. Will Yeaman was the second leading wicket taker in the competition with 15 wickets which included 3 wickets in three matches and 4 wickets in another. Jonah Anderson's 6/24 in Round 4 showed the wonderful development he has made with his off spin bowling in a relatively short time.

There are several performances which are not as obvious from the match results but are certainly clear with everyone associated with the team. The fact that every member of the team has made a significant contribution with the bat or ball and often both is a reflection of the team's enormous depth of talent. Further to this is the fact that the team is potent in the field and often strangle the opposition with sharp fielding and safe catching.

**The U15 DCA team embrace after winning the grand final**

It is quite a special feature of the team where so many players are genuine all-rounders. Every player is a more than capable batsman and the majority of the team can be used as a strike bowler. In fact all 12 players bowled during the season. The depth of bowling was no more evident than in the first match against Northern Districts. In just the 7<sup>th</sup> over the captain, Jack Edwards, threw the ball to Matt Brewster to try and make a breakthrough with off spin. Matt had not bowled in DCA since U/13s and with his third delivery claimed the wicket of the opener. He was then replaced after that over not to bowl again that innings, although Matt later bowled in the second innings with impressive figures of 3/31 from 7 overs. This was incredibly astute and mature captaincy from Jack which he showed week after week. He has a great depth of cricket knowledge and backs this up with aggressive tactics, attacking field placements and wisely utilising the array of bowling options he is fortunate enough to call upon.

The match results also do not show the valuable bowling partnerships which played an integral part of the team's success. The openers Shahill Nair and Hayden Brown were outstanding. Shahill with figures of 2/13 (5 overs), 1/6 (4 overs), 1/15 (5 overs), 1/19 (7 overs) and Hayden 2/9 (5 overs), 2/14 (10 overs) and 2/17 (9 overs) usually resulted in the opposition two wickets down for not many runs after 10 overs and creating pressure on the batsmen which the first change bowlers could seize on. And that is what Matt Moran and Jacob O'Sullivan did. Matt's in-swinging deliveries at one end, Jacob's out-swinging deliveries at the other continued to take wickets very economically. Together they took 13 wickets with an economy rate of 1.72 for Matt and 2.13 for Jacob. Importantly they set the bowling up for the spinners to come on and bowl to batsmen under pressure to score runs. The leg spin combination of Isaiah Vumbaca and Will Yeaman was powerful taking 25 wickets and this was no more evident in the Grand Final with Isaiah taking 4/44 (12 overs) and Will 3/46 (11 overs). Add the bowling of Ned Hole, Nick Osborne and Jack Edwards who combined bowled 45 overs, picked up wickets with an economy rate of 2.9 further added to the team's bowling armoury.

This season the top order batsmen had been set the task to collectively dominate and they certainly made a statement in most games. The first five batsmen often laid the foundation for the innings, scoring together totals of 275, 218, 181, 176 and 154 and many of these were off the back of a solid opening partnership between Aiden and Jack. The top order performances then allowed the middle and lower order to build runs quickly and post formidable totals. With the top order frequently performing, the middle order got few opportunities to bat long but they scored quickly and batted unselfishly for the team cause. Middle order highlights included Isaiah Vumbaca's 72 in tough conditions against Parramatta along with Jacob O'Sullivan's 37 and Matt Moran's 19 not out in the same game. In other matches Hayden Brown scoring 27 not out, Jonah Anderson 17 not out and Ned Hole 33 all at a rate of faster than a run a ball. Add the positive running between wickets of Ned, Jacob, Jonah and Hayden late in the innings which often had the opposition see a likely competitive total with 8 overs to go turn into an insurmountable total.

The batting depth was never more evident than in the Grand Final. Chasing 200 in a final is a challenging target. The top order did well, especially Nick Osborne with 56 who was greatly supported by Ned 35, Aiden 33 and Isaiah 28. But with five wickets in hand the middle order were left with 40 runs to get from as many balls. For the last 4 weeks the team had undergone centre wicket training scenarios simulating this very situation. Every batsman was able to come to the crease and bat and run aggressively knowing that every player in the order could do what was required to get the team to 200. And with great composure under pressure Jonah Anderson 14 (14 balls), Jacob O'Sullivan 13 (12 balls), Hayden Brown 8 n.o. (8 balls) and Matt Brewster – 3 n.o. guided the team home.

This culminated in the team becoming winners of the U/15 E.G. Weblin Shield – a remarkable performance from a remarkable team. Over the course of this amazing season the team ultimately answered the challenges and questions we had of them at the start of the season:

*Did they have the desire to work even harder than before at training and in games?* This is a very dedicated team who were pushed physically and mentally harder at training and in games this year. Without complaint they went about their work giving 100% to every drill, every task and every ball and enduring a lot of pain, sweat and at times blood but all for a great reward. Integral to their training regime was the tremendous coaching input from the Manly Warringah Grade Club and the support from Shawn Bradstreet and Phil Marks to

**Congratulations to Aiden Bariol, who won the overall U15 DCA Weblin Shield Batting Award. Aiden topped the DCA batting table with 395 runs at an average of 56.43, including two centuries**

foster these coaching links. The continued dedicated work of Bobby Rollins undoubtedly contributed to the fabulous batting results. The centre wicket and seminar session with Ahillen Beadle was brilliant and impacted significantly on the way the boys approached their cricket, especially their batting. The support of David Gainsford and Greg Boyer in providing technical advice as well as guiding the players through their pathway to higher levels of cricket has been enormous. Specialist sessions with Gavin Fletcher and Todd Darvall helped hone the boys' bowling and throwing techniques respectively.

*Were they going to approach matches with complacency? It has been pleasing to watch this team continue their*

success by respecting the quality of the opposition and primarily directing the focus to what is most important – ensuring they strive to achieve their individual and team goals in every match.

*Would they manage the demands of playing 60 over matches?* Although it made for a long day, this team thrived playing 60 matches. Having such bowling and batting depth meant that every ball of the 60 overs there were players in the team able to contribute positively.

*Were they going to adjust and cope with playing on turf wickets?* From a coaching perspective it was great to see the players start to modify their batting and bowling technique to meet the demands of playing on turf wickets. They certainly made a successful transition to turf and started to show maturity and expertise in playing on different wickets. A definite factor in their success was the hours of hard work at training geared towards playing on turf.

*Could they replicate their performances again this season?* In terms of results, yes they did repeat their performance from U/14s. However, the success of the team is not to be judged on their victories. For the coaches it has been about two things – player enjoyment and player development. These boys love their cricket. After hours of training or a day's play all they want to do is play more cricket, watch more cricket or talk more cricket. It is a joy coaching a group who are so passionate about cricket and are willing to work so hard at the game they love. To then see the players develop their game to such a high standard has been a very rewarding outcome. To have 8 players selected to play Green Shield, 9 players Shires and 6 players Grade is a tremendous reflection of their development as cricketers and a testament to the opportunities available through and success of the

Pathways Program. Special mention to Aiden Bariol, Jack Edwards, Nick Osborne and Isaiah Vumbaca who were selected in the U/16 NSW Academy Squad.

Thank you to the many people who again this year contributed to making every training session and game day a time for all to enjoy and the boys to develop and showcase their cricket. Manager Shane Moran who as always organised every detail and had the needs of the players and team covered. Physiotherapist Steve Bariol worked overtime to keep the players physically prepared to perform at their best for every training session and match. Our scorers Penny Moran and Phill Edwards who love scoring and are so good at it. To all the wonderful parents who help prepare incredible lunches, set up fields, organise ice, not complain when training sessions go 30 minutes longer than scheduled and anything that is ever asked of you.

An enormous thank you to the 12 players in this team for giving us the opportunity to be a part of your cricket journey. It has again been a delight and we hope you look forward to the challenges that lie ahead next year.

## President's Cup – Under 15

### 2014/15 Under 15 President's Cup Champions (Undefeated)

Congratulations to the Manly U15 Presidents Cup team, coming together this season and forming a very talented and competitive side - **winning the competition.**

Our team was made up of the following players:

Mitchell Beach, Tom Braund, Gabriel Harris, Jack McKenna, Adam McNeil, Adam O'Brien, Claeton O'Connell, Meet Patel, Joshua Smith, Jack Stevenson, Luke Trbojevic, Dan Ward and Jadon Wilson.

Every player contributed in some way to the success of the team. Runs, wickets and catches were well shared. Each player developed their skills and matured as both cricketers and young men.

Congratulations to Claeton O'Connell, who is our recipient of the player of the season award. Claeton took 10 wickets at an average of 12.3 throughout the season and his performance in the final was simply outstanding.

Well done to Jack McKenna who captained the side with distinction, winning six straight tosses and helping develop a competitive culture with lots of really positive talk, making sure the boys competed hard every ball and letting the opposition know they were in for a challenge.

A big thank you must go to all the families. Whether helping out with preparation of delicious lunches, scoring and umpiring duties or just being there for the boys – your involvement is very much appreciated.

Finally, our congratulations to the winning U15 DCA team who really set the standard for us and others to follow. The commitment and work ethic shown by Roy, Paul and the boys sets a wonderful example.

### **Match Summaries:**

***Round 1 v Hornsby: Manly 1/115 (23.3 overs) defeated Hornsby 8/114 (50 overs)***

**Jadon Wilson 3-24 (10 overs), Meet Patel 51, Dan Ward 43 (no)**

#### **A promising start but plenty to do!**

After a solid pre-season build up, the competition proper finally got started with us taking on Hornsby at LM Grahame Reserve. We put in a solid performance with the ball to restrict Hornsby to 8-114 off their 50 overs on what looked to be a pretty friendly batting track. All the bowlers kept things tight and made it very difficult for the batsman to score runs as indicated by 12 maiden overs and only 7 boundaries. Special mention to Jadon Wilson who commenced his Presidents career with a fantastic 10 over spell taking 3 wickets for only 25 runs and Luke Trbojevic who took 3 catches and effected 1 stumping.

Our openers, Dan Ward and Meet Patel got the run chase going with a 94 run opening partnership with some positive stroke play and running between the wickets. Meet finally holing out for 52 and Dan finishing 41 not out, closing the game down with 26.3 overs to spare!

***Round 2 v Penrith: Penrith 11/87 (46.5 overs) defeated by Manly 2/91 (16.3 overs)***

**Dan Ward 33 no, Gabriel Harris 44, Adam McNeil 3-19 (8.5 overs)**

#### **Focus and power!**

We won the toss and decided to bowl with an eye to the forecast afternoon storms. As was the case last week, the boys put in a disciplined and energetic display, regularly taking wickets and making it very hard for Penrith to score. 13 maidens in 46 overs is a pretty good indication of dominance. A special mention must go to Adam McNeil whose efforts last week and again this match was rewarded with a three wicket haul. The remaining wickets were shared by 6 of our bowlers.

It became apparent that Penrith had one eye firmly on the weather and were playing for time! We kept the tempo up and it was great to see the boys jogging into position during the final overs in what were hot and humid conditions. As the clouds started to close in around us the openers set about their task with some fantastic running between the wickets and controlled aggression. Dan Ward, adding to his 43 not out last week with

another important innings. We were closing in quickly on the target however the storms were closing in just as quickly on us!

Gabriel was stumped for 44 attempting to really go after the bowling, in any other circumstances a 50 would have been assured. The boys wrapped the game with decisive boundary from Jack McKenna in just 16 overs, before 3pm and just before the rain started.

**Round 3 v Newcastle: Manly 8/177 (50 overs) defeated Newcastle 11/132 (49.1 overs)**

**Dan Ward 36, Luke Trbojevic 33, Gabriel Harris 46, Tom Braund 5-28 (9 overs),  
Jadon Wilson 2-14 (7 overs)**

**Perhaps we are the real deal!**

Newcastle were last year's premiers and we found ourselves on the end of a hiding when we last met. With some good early season form the boys were looking forward to their first real test for the season. After all the rain of last week it was great to see Frank Gray Oval looking an absolute treat. We won the toss and decided to bat on a pitch that was already well worn.

An early run out was not the start we were looking for, however Dan Ward (36) and Luke Trbojevic (33) settled things down with a great 2nd wicket partnership of 59. The outfield was quite slow, but hard running and some powerful stroke play from Gabe Harris (44) and Jack McKenna (21) saw our total build to 5 for 155 off 45 overs.

With plenty of wickets in hand the boys went after runs in the last 5 overs with many putting the team goal ahead of personal averages. You always wish you had more runs, we ended with 177 off our allocated 50 and with the slow outfield we thought that it might just be defendable.

The boys set to the task with hard work and good straight bowling. Newcastle were not scoring runs and the pressure just built and built. Our boys kept up a lively patter of positive talk led by captain Jack, tensions began to rise and wickets started to fall regularly. Newcastle were feeling the heat!

The star of the show was Tom Braund who set the game alight with a 5 wicket haul and once again we had a strong contribution from Jadon Wilson who chipped in with 2. As has been the case all year, every bowler contributed and our fielding remained sharp, two catches from Mitchell Beach. Special mention to Josh Smith who bowled 4 maidens and at one point had the figures of 1 for 8 off 7 overs!

**Round 4 v Sutherland: Manly 8/193 (50 overs) defeated Sutherland 5/162 (48 overs)**

**Dan Ward 47, Josh Smith 37 (no), Jadon Wilson 28, Jack McKenna 24, Adam McNeil 1-33 (9 overs), Clayton O'Connell 1-35 (9 overs), Tom Braund 1-17 (8 overs), Mitchell Beach 1-11 (5 overs)**

**Commitment shows!**

We took on Sutherland at Harold Fraser Oval Cars Park, a very petty ground a little outside of the Sutherland heartland. Captain Jack won the toss and elected to bat on a pitch that looked pretty good but where Campbelltown- Camden 3<sup>rd</sup> Grade had been bowled out for 50 the day before.

The openers were instructed to keep it simple early and try and see off the Sutherland openers who had taken plenty of wickets through the season. Dan and Jack S did the job

and we lost our first wicket (Jack) in the 10<sup>th</sup> over with the score at 16. Luke and Dan then moved the score along to 47 after 20 overs before we lost Luke, bowled to a great ball for 12. An identical ball then bowled Adam O first ball and we were under a little pressure with the score at 3 for 49.

Jadon then did a wonderful job partnering with Dan to move the score along to 78, before Dan was run out for 47 after 30 overs. It was a wonderful creative innings from Dan and it really set us up to go! Jack (24) and then Meet (16) joined Jadon and really took up the challenge. We saw some great hitting from then both that quickly pushed the score to 7 for 142 off 44 before Jadon was unluckily run out for 28. Josh and Tom then took the score to 150 from 46 before we lost Tom for 3. Mitchell joined Josh at the crease and we saw a wonderful unbeaten partnership of 43 off 4 overs, against Sutherland best. Josh played some wonderful pure cricket shots to all parts of the ground to be not out 37 and Mitchell (10 no) turned the strike at better than a run a ball in support. It was a big ground and the boys ran their hearts out to find extra runs with every opportunity. We were very happy to set a target of 194 on a ground that was a little difficult to score on. To make our bowling task a little easier the umpires deducted 2 overs from Sutherland due to their low over rate!

The call from the coaches was to get early wickets. The boys responded again and Sutherland found themselves at 5 for 44 after 23 overs. This was the result of some wonderful, disciplined line and length bowling from Adam, Clayton, Tom, Mitchell and Josh. Game over! A 6<sup>th</sup> wicket unbeaten partnership of 118 spoiled the party a little however the quality of the bowling meant that Sutherland were never in the hunt. We offered them singles and they seemed happy to take them, ignoring the challenge of chasing the target!

**Round 5 v Northern Districts: Manly 6/294 (50 overs) defeated Northern Districts 11/107**

**Luke Trbojevic 140, Dan Ward 33, Jadon Wilson 33, Meet Patel 21, Clayton O'Connell 2-15 (5 overs), Tom Braund 2-6 (6 overs), Jadon Wilson 2-23 (6 overs)**

**What an innings!**

The team was challenged at training to "go big" once settled. Luke was certainly listening and posted an amazing score of 140, characterised by hard hitting and fantastic timing. Once settled he punished any ball pitched near his pads, 14 fours and 2 sixes tells the story. He was well supported by Dan (33) and then Jadon (33). Some quick scoring from Jack M (two boundaries) and Meet 21 not out (3 boundaries) left us with a total that was always going to be difficult to chase.

The first Northern Districts wicket fell at 26 runs after 7 overs and from then on they fell regularly. Northern Districts were all out after 40 plucky overs, for 107. It was a great team effort with 6 bowlers sharing in the wickets and two run outs. Special mention to Claeton who got two wickets and could have had many more and Josh who bowled 4 maidens in 6 overs!

**Grand Final v North Shore: Manly – 11/178 (45.1 overs) defeated North Shore 11/172 (49.3 overs)**

**Meet Patel 39, Claeton O'Connell 4/23 off 9.3 overs, Luke Trbojevic 61, Jadon Wilson 2/30 off 10 overs, Jack McKenna 23**

**These young men are made of stern stuff.**

Unbeaten this year meant a home grand final. Mike Pawley Oval looked an absolute treat. North Shore is a very good side, a team that we have never previously managed to beat. The boys were looking forward to a competitive game and had a great week's preparation. Captain Jack won his sixth straight toss and we chose to bat.

A great opening stand of 60 off 14 overs was just the start we needed. Meet's 39 off 44 balls screamed to North Shore that we intended to take the game right up to them. Luke continued his wonderful form with an awesome 61 off 64 balls. Jack M partnered with him to score 23 off 21 balls setting the game alight with a powerful display.

At 6 for 161 and with 12 overs remaining the boys looked set for a big score. North Shore, to their credit, stuck to their task and instead of setting the scoreboard racing in the finals overs, as we have done previously this season, we saw a quick succession of outs. At the start of the day we would have taken a score of 178 but it was hard not to feel a little like there was an opportunity lost.

Once again our opening bowlers Adam M and Claeton did a magnificent job tying down the batsman. Plays and misses were the order of the day. After 10 overs North Shore were 1 for 15 and knew they were in for a game. Some tight bowling from Tom and Josh and a wonderful 10 over spell from Jadon (2 for 30), kept us in the game and at the final break with 12 overs remaining, North Shore needed 51 runs with 6 wickets in hand. With the boys fortified by the traditional bag of snakes, the last session of the season was always going to be worth watching.

The effort to a man was simply magnificent. Claeton (4 for 23 of 9.3) and Adam M (0 for 22 off 10) charged in with venom, bowling a wonderful line and length and the field defended every ball as though their lives depended on it. Every dot ball was talked up and the pressure on the opposition built. With 5 overs to go North Shore needed 30 runs to win with 3 wickets in hand. The pendulum had swung our way, but not by much! Parents and coaches were pacing the boundary and our support was bolstered by the U16's Presos boys. Every run was cheered by the opposition parents and every dot ball cheered by the Manly contingent.

It's amazing what self-belief and positive energy can do. North Shore were forced into taking quick singles and 4 run outs (which could easily have been 6 but for some bad luck) was testimony to the quality of the response. The boys catching was just as good with 7 wickets falling to some fantastic catches. Special mention must go to Jadon who took 1 catch and had a hand in 2 run outs, Adam M who took two catches and effected 1 run out and Dan our keeper who assisted in 3 of the 4 run outs.

The win was wrapped up on the third ball of the final over with North Shore still 7 runs short. Never in doubt!!! The game was worthy of a grand final, North Shore were as tough as expected. We were just tougher.

Well done boys. Thank you Andrew and Rob for a great season.

### DCA C.S. Watson Shield – Under 16

#### 2014/15 DCA Watson Shield Semi-finalists

We entered the 2014/15 DCA season with great enthusiasm and a belief that some of the work from previous years would provide a strong platform for improvement. We had a great group of boys really keen to improve their performances and qualify for finals for the first time.

We introduced two new members to the team, leg spinner Dan Horton and all-rounder Jack Heysmand together with Manly Cricket Club stalwart and scorer Don “Dollars” Sellin. In preparation for the season the coaches spent time developing and articulating our game plan which provided a structure for the boys and allowed each to understand their role. It provided guiding principles about how we would bat, bowl and field and set milestones so that we were aligned in our approach throughout each game.

The games began with two trial matches against historically strong opposition in North Shore and Sutherland. The trial approach was not about winning but preparing for the season ahead and continuing to test our game plan and find the best balance within the team. We lost against Sutherland batting second on a pitch that virtually disintegrated under our feet and we found ourselves short of a mediocre total. We learnt some valuable lessons - runs on the board create pressure and that spin and medium pace bowling would play a big role on the dry, lifeless wickets we would experience during the season.

The second trial saw us defeat North Shore who had been the benchmark in this age group for many years. We batted first and scored 220 runs and then strangled them with medium pace and spin bowling backed up with energetic and enthusiastic work in the field.

**The DCA team after their Round 4 win against Central Coast enjoyed a great bus trip home to the beaches with a stop at 711 for slushies and a chance meeting with Sea Eagles recruit Willie Mason who was keen for a chat and photo.**

The season proper began well with a solid performance against Blacktown at Whalan. We won the toss on a ‘green top’ and managed to roll the opposition inside 24 overs with our

four quicks sharing the wickets, Ned Healey leading the way with 4/11 off 6 overs. In return we fumbled our way chasing a small total with Joel Wood (18 no) and Ned Healey (14 no) seeing us home 5 down.

We won well against Northern Districts with skipper Jack Pickering (67 no) and Will Akhurst (45 no) chasing down 151 losing only 2 wickets. Lachie Kerr led the bowling with 3/20 off 11 overs.

In game 3 we again faced Sutherland who had won smartly against us in the trial. They won the toss and batted on a beautiful Mike Pawley pitch posting a solid 8/196 with the wickets shared. In return we lost an early wicket but again fought with Jack Pickering scoring a quick 61 before a middle order collapse. We found ourselves 5/105 with the game really in the balance. A brilliant innings from Alex Bain (40 no), well supported by Ned Healey (34) and Lachie Kerr (19 no) saw us home in a tight one.

It is amazing what success can do for a team's confidence and the next game against the undefeated Central Coast would determine our finals qualification. We lost the toss and were sent into bat after a rain interrupted start. Our openers Josh Blount (27) and Harry Brock (31) did it tough but put on an opening stand of 67 before a major collapse. Only on a late counter attack from Lachie Kerr (29) saw us post 144 and rescue us from real disaster. Central Coast commenced their innings with real aggression making easy work against the quicks on a drying fast outfield. At tea we were in desperate trouble with the Coasters cruising at 3/79 off 20 overs requiring only 65 off the final 25 overs (2.6 runs per over). The boys dined out on 'red frogs' at afternoon tea and with the knowledge that the season was on the line took the field in high spirits. What happened next was a remarkable turnaround with off-spinners Ellis Raymond (3/11) and Jack Pickering (3/20) taking 6/30 to dismiss CC for 110. What a game!

We returned to our home of Mike Pawley keen to maintain our unbeaten record against Fairfield. We batted first, scoring an impressive 258. Alex Bain continued his strong batting performance with a nicely constructed 72 but was also well supported by Josh Blount (59) scoring his first DCA half century, Ned Healey (45), Lachie Kerr (32 no) and Joel Wood (31). Another 6 wickets to the off-spinners Pickering (3/22) and Raymond (3/25) saw us dismiss Fairfield for 126.

We had made the finals for the first time undefeated in our pool.

Interestingly we drew Central Coast in our Quarter final - a team we knew would be keen to turn around their defeat in the rounds. Unfortunately the cricket world mourned the loss of Phil Hughes during the week and we knew it would be an emotional day for everyone. We celebrated the contribution of this young man taken too early with a moving ceremony led

by Duncan Kerr. It was fitting we shared the moment with the DCA U15 group playing on the field next to us and were joined by former Test Captain Steve Waugh.

The ceremony concluded and the game began after losing yet another toss and bowling. We bowled exceptionally well, dismissing CC for 126 with the wickets shared by Joel Wood (3/9), Jack Pickering (3/24), Ellis Raymond (2/1) and Ned Healey (2/24). We chased down the runs in 37 overs - Jack Pickering (39 no) and Joel Wood (35 no ) making sure we qualified for the semis.

We drew Bankstown in the semi and whilst we dismissed them for 185 (Pickering 3/34, Heysmand 2/27) and were the only team to bowl them all out during the season we struggled to find any flow with our batting. We were caught with major storm activity threatening and unfortunately had one eye on the weather and the other on the run rate. It seemed rain had interrupted every game in Sydney except ours and we disappointingly lost our way and were finally all out for 119 after 37 overs.

As we left the clouds opened up - maybe we were only 15 mins from victory??

I'd like to recognise the enormous contribution of our Team Manager, Cathy Wood, for doing a wonderful job across two seasons and creating the opportunity for the coaches to coach and the boys to play.

I'd also like to say a big thank you to my assistant coaches Stuart Love and Duncan Kerr - Stuart Love who provided great support and contributed to creating a wonderful culture and spirit within the team.

Don 'Dollars' Sellin bought a new dimension to the group and we really enjoyed his words of wisdom and relieving the parents of the scoring duties for the season. Thanks Dollars!

A special thanks to all the rest of the parents for helping out in particular Sharon Bain, Kim Kelly and Sally Raymond for the afternoon teas and of course the boys who provided the coaches with so many highlights and such a rewarding season.

Finally it was very exciting to see the progression of our boys with six boys playing Green Shield - Jack Pickering, Joel Wood and Alex Bain making their grade debuts and the success of Lachie Kerr, Sam Kelly, Will Akhurst, Harry Brock, Dan Horton and Sam Kelly all making their mark with Warringah in the Shires competition.

The pathway program is alive and well!

Thanks for a great year!

## President's Cup – Under 16

The season began with only 6 of last year's Presidents cup team playing this year, so a few new faces to the team meant some adjustment and settling in. Many thanks to Stu Love and Rob Pickering for their expert coaching skills which they brought to our training sessions during the season.

New coach Paul Johnson brought an enthusiastic approach to how the game should be played....be competitive, always give your best and at the end of the day...enjoy playing cricket.

Many thanks must also be given to the Ali family who provided all the afternoon teas at our home games.

Whilst the results may not have always gone our way, the team showed what playing this great game is about. A number of top order collapses early in the season left the team defending small totals and where small mistakes in the field can be extremely costly. However, they never lost the will to be competitive or win.

As a result, when they started to play to their potential, results came their way, beating North West comfortably and coming close to beating Hornsby.

The boys final season saw them win one game, have one game abandoned due to a cyclone, one washed out and 3 losses. Not the most flattering results, however the enjoyment was and hopefully they can carry on with their cricket careers well into the future.

### Player of the year:

#### **Tully Moffat**

Topped the bowling averages with 9 wickets at a cost of 22.2 runs per wicket.  
Second in batting aggregate with 100 runs at an average of 20.

### Players:

**Lochlan Charley** - A solid season behind the stumps and even swapped the gloves to open the bowling against Hornsby and snare a couple of early wickets. Top score of 22 against Sutherland. Never stopped trying to create opportunities for the team with his captaincy.

**Lachlan Morley** - Was rewarded with joint captaincy duties which reflected his ability to read the game and lead the team. Played several important innings with the bat in the middle order. Scored 31 against Penrith at a critical time in the game.

**Matt Morley** - A consistent performer with both bat and ball throughout the season. Top score of 23 against Penrith and only conceded 1.8 runs per over when called upon to bowl. Has matured into a very competitive cricketer who consistently improves with each season.

**Blaney Powe** - Never one to shy away from a challenge, Blaney took on the opening batting role when asked and delivered the goods. Top scored opening with 22 against Central Coast and also took 3 for 8 against Hornsby. A great team player who always looked for the positive.

**Dan Watts** - A new addition to the team, Dan shows great potential as an all-rounder with his copybook batting and leg spin bowling. Bowled 29 overs of leg spin to concede only 91 runs, a great achievement for any "leggie".

**James Nelson** - After a slow start finally found some form with the bat in the middle order and showed glimpses of what he is capable of. Top score of 33 against Hornsby. Chipped in with 2 wickets when called upon to bowl his off spinners against North West.

**Henry Johnson** - A talented middle order batsman who displayed the ability to dig in and work the ball to get the team out of trouble. Often going in to bat with the team in dire straits, Henry built partnerships and controlled the middle order. A solid fielder who helped lift the spirit of the team.

**Ruben Donato** - Showed great improvement with his batting when promoted up the order. Was able to take an opposition bowling attack apart with some prolific hitting. Able to hit the ball to all parts of the ground, Ruben's batting became a catalyst for the team performing to their potential. Averaged 35 with the bat and a top score of 90 against North West.

**Tully Moffat** - A very consistent season with both bat and ball. Tully bowled 40 overs conceding only 2.75 runs per over and took 9 wickets. Best bowling 4 for 29 against Hornsby. He scored 100 runs with a top score of 48 against Hornsby after coming in with the score at 3 for 13.

**Umar Ali** - Put fear into opposition batsmen with some seriously quick spells of fast bowling. Umar bowled with great control and accuracy, taking 3 for 12 against North West. Umar added some much needed spark to the lower batting order with some lusty hitting when required.

**Bailey Walz** - a new player this season, Bailey was called upon to open the bowling and was consistent with line and length. More often than not, Bailey would take a wicket that would break a partnership.

**Sean Harlen** - Returned to the side mid season to add that extra pace to the bowling attack and some lusty hitting to the lower order.

Also played: Tom McDade, Wil Dawes, Nick Marsh, Aaron Stevens,

**Paul Johnson** - Coach  
**Dave Nelson** - Manager

Association records have been kept since the 1957/58 season. Rule changes resulted in records being re-commenced around 1975 (the exact year varied in each age group). Under 10 and Under 11 Division 2 and 3 now play average cricket so these records are now unchanged. The old records were:
