President's Report

Welcome to the 2010/11 44th Annual Report for the Manly Warringah Junior Cricket Association Incorporated (MWJCA).

As President I welcome you to read this report.

The 2010/11 season was my third as President of the association.

Firstly, I would like to take this opportunity to thank the countless numbers of volunteers throughout the clubs who give their own time free of charge to ensure that a game of cricket is made available to every boy and girl who wishes to play the game each season. They are the people who organise registration days, the face you meet at registration days, the people who organise teams, the coaches and managers that take on the task of preparing and organising teams ready for the Saturday morning game. Without your time, the game would not happen. Little is said of your efforts, so I take this opportunity to publicly thank you.

Player numbers this season are on par with previous seasons. We continue to develop healthy numbers in the Milo Into2Cricket program and the Kanga game format. The players in these age groups are the future for our clubs.

The association has continued with its aim to have all coaches accredited. Vice President, Ross Denny organised a Cricket NSW Level 1 Coaches Course which was well attended. It is proposed to run a course for the 2011/12 season. We also ran a NSW Umpires course which was facilitated by NSW First Class Umpire and Cricket NSW Umpires Education Officer, Darren Goodyer. This association subsidised the cost of the course by 50% for attendees.

The relationship between the Manly Warringah Cricket Association, Warringah Shires Cricket Club, Manly Warringah District Cricket Club and the Manly Warringah Junior Cricket Association continues to flourish. Junior players now have identified pathways to continue playing cricket at higher levels if they desire.

Our representative program has been expanded to include two teams in each age group from Under 11 through to Under 16. This provides the opportunity for more players to represent the MWJCA. To Representative Chairperson, Ross Trewartha and your committee, you have done amazing things with representative cricket in this association over the past two seasons. Unfortunately Ross Trewartha will be stepping down as chairperson after having served in this role for the past two seasons. I thank Ross for the role he took on and the efforts that he put into the role. Our junior representative program is up there with the best.

We continue to suffer with poor playing fields. I have continued with my efforts to let the relevant councils know of the substandard conditions we are subjected to on some of our fields. However, I must thank Warringah Council for the replacement of pitches at Beverley Job and Allambie Heights. Recent meetings with them have been positive, with council indicating that it is their intention to replace several other pitches for the forthcoming season. Whilst there may be a long way to go with our playing fields, we are making inroads.

The MWJCA has again been served well by the Executive Committee. The Executive for this season was, Vice President Ross Denny, Secretary Sharon Porter and Treasurer Danielle Simpson. A big thanks must also go to Competition Secretary Vicki Carden for the excellent job organising the draw and somehow finding grounds when last minute issues arise. A final thanks to the club delegates who attend the association monthly meetings.

Congratulations to those teams who have won premierships and players who may have won individual awards. The feedback I get from players, umpires and parents and my own observations is that the game continues to be played in the spirit that is expected. Well done.

On a final note, I take this opportunity to announce that this will be my last season as association President as I will not be standing for re-election. I have thoroughly enjoyed the past three seasons as President. Being President has enabled me to meet some wonderful people along the way. I thank everyone for the support and assistance that has been given to me.

Yours in cricket,
Rob McKenna
President, 2008/09, 2009/10 & 2010/11

Secretary's Report

Season 2010/11 was my second as Secretary of MWJCA.

During the year I have:

- Maintained accurate minutes and records for the association.
- Dealt with all correspondence on behalf of the association, including regular communication with Cricket NSW as well as the wider Northern Beaches cricket community.
- Organised regular committee meetings.
- Put together a comprehensive Annual Report which includes details of all Saturday morning competitions, representative team reports, records, winning teams etc.
- Organised the annual presentation evening

On behalf of MWJCA and all players, I take this opportunity to thank Vicki Carden for continuing in the role of Competition Secretary for another season. This is a huge role. The 2010/11 season was logistically difficult from an allocation of grounds perspective, with several grounds under repair. Vicki juggled these challenges with precision. Her hard work and tenacity are very much appreciated.

Thank you and farewell to Rob McKenna, Danielle Simpson and Ross Trewartha, President, Treasurer and Rep Chairman respectively. Your support and understanding over the last 2 years has been much appreciated. Thanks also to the small but dedicated MWJCA committee, made up of delegates from all of the clubs. All attend monthly association meetings and work tirelessly for the good of all of our children.

I encourage all parents to consider becoming involved in the MWJCA. This is a warm and friendly committee. The success of our Junior Competition, and the pleasure that the players derive from it, is a direct result of the great work done by our behind the scenes, army of volunteer parents. Thank you to each and every one of you.

Sharon Porter

The Eric Palmer Bat Award

Since 1966 this prestigious award has been presented to an outstanding performer in the Saturday morning competition. Over the years, many winners have gone on to play grade cricket. The Executives takes into account a cricketer's performance both on and off the field, his efforts in the Saturday morning competition, his availability and efforts in the District Representative games, and achievements in cricket outside our competition.

We are pleased to announce that this year's Eric Palmer Bat Award winner is Mickey Edwards from St. Augustine's College Cricket Club.

The Eric Palmer Bat Award Winners

Year	Name	Club
1966/67	Greg Bush	Seaforth

2010/11 CLUB CHAMPIONSHIP
was won by
Collaroy Plateau Cricket Club

CRITERIA FOR ASSOCIATION AWARDS

BATTING – to qualify, a batsman must bat in 6 innings and score 100 runs or more during the season.

BOWLING – to qualify, a bowler must take 15 wickets and bowl 30 overs during the season.

In2CRICKET

in2CRICKET is the new entry-level program, formerly known as MILO Have-A-Go. MILO in2CRICKET is designed to give boys and girls a chance to take part in a variety of activities to develop cricket, physical fitness and social skills, sportsmanship and an understanding of the game of cricket. The emphasis is on fun and involvement.

The following Clubs established an in2CRICKET program this year: Beacon Hill, Collaroy Plateau, Cromer, Forest, Harbord, Peninsula and Wakehurst.

Kanga Cricket

The aim of Kanga Cricket is to enable EVERY player to have a chance of success as well as participating in an enjoyable game. To achieve this, coaches adopt a flexible attitude and are prepared to adjust wicket length, speed of bowling etc to suit each player's size, strength and ability. Coaches can offer ON THE SPOT coaching/assistance which includes encouragement and reinforcement. The minimum age is 6 years as at 31st August with 6-8 players in a team, although a maximum of 10 players is allowed. Games must be completed within 90 minutes of the start of play.

The teams participating this season were:

Collaroy Plateau Sparks	Harbord Orange
Cromer Kanga-toos	Seaforth Panthers
Cromer Sharks	Seaforth Wallabies
Forest Green	Wakehurst Funnelwebs
Forest White	Wakehurst Huntsmen
Forest Bloo	Wakehurst Redbacks
Harbord Red	Wakehurst Trapdoors
Harbord Blue	Wakehurst Tarantulas

Under 9's

The aim of Under 9's Average cricket is to develop ALL players of ALL abilities. There are no statistics for batsmen or bowlers and the score of the match is the average result obtained by dividing the number of runs scored by the number of wickets lost. With 17 teams in this age group in 2010/11, the teams were split in to 2 groups.

The teams participating this season were:

Beacon Hill	Harbord Wallabies
Beacon Hill Blasters	Peninsula Starfish
Collaroy Plateau Gigawatts	Seaforth Kookaburras
Collaroy Plateau Lightning	Seaforth Strikers
Collaroy Plateau Megawatts	Seaforth Waratahs
Collaroy Plateau Thunderbolts	Wakehurst Black
Forest	Wakehurst Green
Harbord Crocs	Wakehurst White
Harbord Emus

The MWJCA would also like to acknowledge the achievements of Mikaela Turik from the Collaroy Plateau Cricket Club, This season Mikaela played in the Premiership winning U16/17 Collaroy Plateau Static team. Mikaela also played in the Weet Bix T20 cup with CPCC and even had a run in the CPCC 6th grade afternoon competition team. Mikaela also played representative cricket in the CNSW U18 City Team and the CIS (Combined Independent Schools) NSW team.

In the international arena Mikaela played in the Canadian National Team and was named 'Most Valued Player'. In addition Mikaela was named Player of the match, by the ICC for her performance in T20 cricket..

REPRESENTATIVE TEAM REPORTS 2010/11

Representative Overview from the Rep Chairman – Season Report 2010/11

The 2010/11 season saw the junior rep programme on the Northern Beaches expand to accommodate more rep cricketers than ever before.

With the help of a large number of dedicated people, both on and off the committee, we extended the programme to include pre-season squads and added extra teams, making 2 teams in each age group from Under 11s, to Under 16s.

In addition we asked for a large commitment from our coaches this year, and they delivered an outstanding effort, not only in their ability, but also in the time spent working with their squads and teams.

In all, over 175 boys were part of the rep programme during 2010/11.

The additional teams were prompted by the record numbers of boys who came to selection trials in Feb/March 2010.

We had 12 teams compete, 6 in the main NSW Cricket DCA competition and a further 6 in the Presidents Cup development competitions.

For the first time in many years, Manly achieved a premiership, with our Under 14s Presidents Cup team winning their competition. Congratulations to those boys and to John Parkinson for his outstanding coaching effort.

Our Under 11s DCA made the semi-finals, being beaten by the eventual champions Sutherland. Congratulations to those boys, many in their first year of rep cricket, and to Aidan Baker in his first year coaching a junior rep team.

Most other teams competed strongly throughout the season and were on the verge of semi-finals.

To those boys who are now over 16, we wish you well in your cricketing future, and to those parents who have lived through a number of seasons, we thank you for your dedication in helping your sons play this great game.

We look forward to continued use of Narrabeen and I thank, Mike Pawley and David Gainsford for fostering the relationship with Narrabeen and Chris Mamo at the sports academy, for his help in accommodating each team's training programmes.

To the dedicated group of coaches who put in countless hours of planning and preparation, as well as just being there each week for training and matches on Sundays, a huge thanks. In addition to my new circle of friends, those wonderful parents who volunteered to manage teams, only support from people like you ensure that many tasks get done, and teams run smoothly.

A special thanks to those involved in the Presidents cup teams, who live with more uncertainty in terms of selection and coaching than the DCA teams, often finalising arrangements on short notice. Your contribution to the community of Manly rep cricket is immense and invaluable.

To our major sponsor NAB, who through James Carter, gave a substantial donation to the rep programme, we give a great thanks and look forward to a continuing relationship over coming seasons.

Thanks to Glenn Meredith, at Manly Car and Truck Rentals, who has sponsored junior cricket in the area for many years, and also to Simon Couch at Chiropractic Solutions and Dean Gilchrist at SportsPro, who have come on board this season.

Big thanks to Rob McKenna and the general junior committee, for your support during the season. Rob has been a great supporter of rep cricket in his time as President of the junior committee and his boots will be hard to fill.

To my friends on the hard working rep committee, thanks for your wonderful support to me over the past few years as chairman, and earlier as a coach. Thanks to Shane Moran for stepping into the Rep Chairman's role for the upcoming season.

I look forward to staying on the committee and working with you all to enhance the spirit of cricket within the Manly community.

We look forward to a great season in 2011/12.

Ross Trewartha

MWJCA 2010/2011 Season Report DCA - J.H. Creak Shield – Under 11

The 2010/11 season was an extremely successful season for the Under 11 JH Creak Shield boys. Throughout the competition every player contributed, we were very much a team. There were no specific standouts or indeed individual brilliance, rather a team who worked hard for each other, enjoyed each other's company and indeed enjoyed their Cricket.

In what was most players first year of Representative Cricket, the boys did themselves and the Manly District proud. Some Season Highlights were:

- The only Manly Warringah DCA side to play Finals Cricket.
- We placed 3rd in the competition
- Although losing the Quarter Final, we progressed as the highest place losing side.
- We lost both the Quarter Final and the Semi Final to the two finalists.

That gives you a rundown of what the team contributed to the club, an outstanding effort. Here is what I thought of each individual player:

Aiden Bariol (Captain): A very quietly soft spoken cricketer who lets his actions and capabilities do the talking. A natural behind the stumps, who will no doubt keep progressing to a future star, he is as good a wicket keeper I have seen at this age. His batting technique is brilliant, if only we can get his mind and belief to follow his talent.

Isaiah Vumbacca (Vice Captain): No better to have as our deputy leader, where Aiden led from the front with his play, Isaiah is a leader in every sense of the word. He speaks effectively and efficiently and his thought process and level headedness shines throughout games/practice and outside of cricket. He was by far the best Leg Spinner in the competition, through accuracy and ability to hit consistent areas. He will be a future opening batsmen with such a level head, rarely plays a bad shot.

Jack Mckenna: One of the coolest kids in Sydney I think. Just strolls around as if he owns the joint with a smile and a laid back attitude, this will help him out in the long run when he realizes his talent. Don't give up this laid back nature, cause there is nothing worse as a bowler to run down put your guts in and the batsmen is smashing you round the park and he doesn't look like he's trying.

Jack Edwards: A lot of the kids look up to Jack, he is the biggest and he has always been a star of this age group. He is still a star and will continue to be, the pressure he puts on himself is unbelievable for a kid of his age. He knows he can do it; in some cases I think he tries too hard, belief in yourself back your abilities and remember you will not always be the biggest so work hard at training. You are doing everything right at the moment, don't let go of that.

Jacob O'sullivan: The entertainer of the group, always the centre of attention with his little dances or singing. It was great to see him using the willow as a voice rather than his tonsils in the Quarter Final. We always knew he had the talent; it was just a matter of when. He delivered when we needed it most and his fielding was by far the best. A natural athlete (and singer/dancer).

Ned Hole: Very quiet but funny individual. Fantastic cricketer who is only going to get better and better with the more opportunities that come his way. Believe in yourself mate, you have the talent and you can bat in any position, even opener. Don't get caught up in what might happen on the cricket field, rather than what is happening. Enjoy whats in front of you and accept the challenges.

Oliver Davies: The legend of the team, someone who everyone will want to have a drink with later down the track. Builds his cricket on doing the basics right, tight lines and length in his bowling is his strength. Build pressure and the wickets will come. Your batting was

solid however didn't produce the results mate, but they will come in the short term. Will be sorry to lose you mate and as will the team, fingers crossed common sense prevails down the track and I can coach you again when you are a legend on the field as well as off it.

Tom Braund: Always got a smile on his face, I feel you have grown as a person but more so as a cricketer over this summer. You are only going to get better when you catch up (Growth wise) to the others. Peninsula Cricketer of the Year highlights the contribution you make as a cricketer and as an individual. Stick to the basics and your results, long term will speak for themselves. Great year with the ball and some very gutsy knocks with the bat. Can't wait to see where you go.

Matt Moran: Fantastic year mate, you showed continually the talent you have with both bat and ball. Your innings in the Semi Final highlighted that you can bat anywhere given the opportunity. As the Opening bowler I believe you got better throughout and every chance you got you took. Keep enjoying it and your results will continue to grow and you will reap the rewards. Big future.

Matthis Guichon: I was probably guilty of not knowing what to do with you. You seem enthusiastic and have the talent however your demeanor suggests that you are the best. I tried to knock this out of you, whilst still trying to give you every opportunity to succeed. You can be a very good cricketer, but do the talking with your bat and with the ball. Work hard and let your performances do the talking.

Jadon Wilson: I wish I had as much energy as you, always smiling, always bubbly and by far the best on ground at Afternoon Tea. Aside from that mate, not far behind Isaiah as the best leggy in the competition. Your action is the only thing that stops you from being as good as Isaiah, don't dare change it. Your unpredictability is what sets you apart, with practice and dedication which I know for certain you will continue, this unpredictability will become predictability and you can become anything you wish. Try to understand a little bit more of what you are doing, rather than just doing it and this will come quicker than you expect.

Shahill Nair: Built to be a fast Bowler, long, lanky, tall and his limbs are all over the shop. Showed what he can do in every game, we really missed you in the Quarter Final and I was disappointed you couldn't be there. That aside you can achieve anything you want and have the talent to prove to yourself and the team how good you actually can be.

To Shane Moran, your hard work, diligence and enthusiasm was unbelievable. The work you did for these boys went above and beyond what I thought anyone could do. Without your help mate we wouldn't have achieved such great results, let's hope it's as successful in years to come.

Great Year boys and to the parents, without your dedication and support the kids can't produce results on the field, see you all next year. Go the Mighty Manly Boys!!!

Aidan Baker

P.S Thankyou to Ross Trewartha, I know you will not be lost to Manly Cricket, but for the time being you will be missed. Thanks again mate.

MWJCA 2010/2011 Season Report DCA Arch Cawsey Shield – Under 12

Coaches: Darryl Stevens and Ian Raymond

Manager: Cathy Wood

Team: William Akhurst, Alex Bain, Max Hodder, Max Jolley, Toby Kovacs, Ned McDermott Healy, Tully Moffat, Ellis Raymond, Aaron Stevens, Josh Tighe, Daniel Watts, & Joel Wood.

Best & Fairest: William Akhurst (wicket keeper and batsman)

Overall results:

New South Wales Districts CA - Under 12 Arch Cawsey Shield

Division 2 Table

Rank	Team	P	W2	W1	D	L 1	L 2	WKT S LOST	RUN S FOR	WKTS TAKEN	RUN S AGST	Points	quotient
1	North Shore	5	0	4	1	0	0	27	592	45	470	23	2.0993

5	Hawkesbury	5	0	0	1	4	0	33	413	34	606	7	0.7022

A season remembered:

The boys on reflection would agree that the 2010 season was filled with highs, lows and mixed results. The weather was not kind during the regular DCA season resulting in a reduced over match and a washed out match. The reduced match although delayed, was only played after a huge effort by both parents and boys in drying out the area around the pitch and out field utilising brooms, buckets, pumps and any implement we could lay our hands on including a super soaker borrowed from a nearby oval.

All teams stepped up this year particularly both the Nth Shore and Newcastle teams being very tough to beat this year and they deserved their respective 1st and 2nd placing on the table. We battled it out with Penrith and Hawkesbury for the minor placings and were only pipped for third place by Penrith by the narrowest of margins.

Performance wise, the boys competed well in most games. We were competitive in our bowling and in our fielding but confidence in our batting was probably our Achilles heel. Although a number of boys performed well individually with the bat at different times, we just needed consistency in building partnerships and individual innings as well as making competitive totals to chase and/or defend.

Batting: The following boys attained respectable batting achievements over the course of the season.

	Player	MAT	INN	NO	100s	50s	0s	4s	6s	Mins	HS	▾RUNS	AVE.	STR.
1	Bain, Alexander	4	5	2	0	0	1				47*	88	29.33

5	Tighe, Joshua	4	14	2	58	3	0	0	2/14	19.33	28.00	4.14

The trip to the annual Lismore tournament in January was greatly enjoyed by all the boys, their parents & siblings. The boys enjoyed the opportunities to play on turf for the first time and we came away with one win from three games. Again the weather caused the abandonment of the rest of the tournament and all of us returned home before the big floods hit Queensland. The boys were most concerned for the team from Toowoomba whom we played against in our first game.

Although the regular DCA season did not match our expectations, the boys still enjoyed their cricket, their time together and particularly maintained their pride in representing MWJCA.

On behalf of Darryl and Cathy, we would very much like to express our thanks to all of our families (parents, grandparents and siblings) who drove the boys to training, games, participated in the "tour", supported, cheered and watched anxiously as the boys played. Collectively you have all contributed greatly by supplying wonderful afternoon teas; scoring, umpiring and helping out with warm-ups and setting the field. We couldn't have done it without you all. A thank you also to all the boys who filled in and played for us throughout the season. A special thank you to Cathy, who did a wonderful job as manager and for all the behind the scenes work in keeping us all organised and informed.

Once again, Darryl and I felt the U/12 DCA team was a pleasure to coach and the boys did themselves, their families and Manly Warringah Junior Cricket proud in the way they behaved both on and off the field. Well done boys!!

Coaches: Ian Raymond

Darryl Stevens

MWJCA 2010/2011 Season Report DCA W.S. Gee Shield – Under 13

This was a tough season for the boys who won 1 out of their 10 matches. However, despite the results the boys gave their best and maintained their enthusiasm throughout the season and should be commended for this.

There were a number of team highlights during the season:

The game against Northern Districts, when we batted our 50 overs to reach 9 for 72 on a very wet and grassy outfield. Northern Districts reached the target in the 50th over with 8 wickets down. The boys batted sensibly to craft as many runs as possible and bowled and fielded magnificently. They never gave up and nearly pulled off a very unlikely victory.

The game against Illawarra, when although the documented result looks conclusive (a victory to Illawarra by 6 wickets), their coach wanted to play on after he had won. The boys had to be dragged back on to the field after tea where upon they took the last 8 wickets for 34 runs! The difference between the teams was the 3rd wicket partnership of 132 which took their score from 2 for 2 to 3 for 135, 7 runs short of victory.

The game against Brisbane Bears where our top 6 batsmen scored well which set up our season high score of 182 and gave our bowlers a large target to defend.

On an individual basis, Nick Hidas's batting was a highlight as he registered the team's only 50 for the season, 52 against Illawarra and was well on the way to another but had to retire on 42 against Brisbane Bears. Nick is a very powerful and destructive hitter and played some magnificent shots during the season.

On the bowling front, Jake Carden and William Denny proved to be a very effective opening combination taking 12 and 9 wickets respectively and in the majority of matches took a couple of wickets in their initial spells to put pressure on the opposition.

The main area of focus needs to be the team's batting. Apart from the 182 scored against the Brisbane Bears, our next highest score was 138. Unfortunately, we were unable to produce any consistency in scorecard or build partnerships which meant that building a competitive total or chasing a target was very difficult. Continued practise on batting technique and application in the off season should result in improvement for next year.

I would particularly like to thank Denise Gullick for managing the team and scoring so efficiently and Ross Denny and Steve Carden who were very helpful to me throughout the season. Once again, thank you to the parents who supported the boys so well during the season, including the trip to Ballina which also involved a significant financial commitment.

Overall results: Played: 10; Won: 1; Lost: 9

Trial match results

Opponents	1st innings	2nd innings	Result
Central Coast	CC 144 (38 ov)	Manly 106 all out (33 ov)	Lost by 38 runs

MWJCA 2010/2011 Season Report
DCA Harold Moore Shield – Under 14

Team - Jake Ellis, Sam Gainsford, Herbie Griffiths, Hayden Kelly, Matthew Levene, Andrew Mahn, James McClintock, Adam McCormick, Jack Shepherd, Damon Steel, Zach Trewartha, Ben Wickham

Coaches – Bobby Rollins & David Gainsford

Player of the Year – Matthew Levene

Overall Results – Won 3 games and Lost 2

Final Position – Ranked 2nd out of 5 teams in the Division

Highlights

- Bowling - Highest wicket taking team in the competition with 43 (ave 8.6 wkts/game)
- Batting - Second highest team aggregate runs scored in competition (by only 2 runs) with 688 (ave 138 runs/game)

Match Results

Round 1 24/10/10 Nolans Reserve - Manly

Manly Warringah 4/108 def Newcastle 7/106(cc)

This match hold a unique position being the only game played across all age groups in the DCA competitions that day due to wet weather. In an overs reduced match, Newcastle won the toss & batted first accumulating 7/106 off 36 overs. Line & length bowling in difficult conditions laid the platform with an outstanding start to his Representative career witnessed Jake Ellis taking 2/18 off 7 overs.

A splendid performances from Adam McCormick (55) helped Manly cruise to victory in the 29th over.

Round 2 31/10/10 Bert Saunders Reserve - Blacktown

Manly Warringah 9/157(cc) def Blacktown 105

After losing the toss Manly, batting in warm conditions, found themselves in trouble at 5/58 until Matt Levene (51) & Zach Trewartha (25) put on a splendid, disciplined 61 run 6th wicket partnership. Wickets continued to tumble until James McClintock (20) and Damon Steel (10) combined for a final wicket stand of 28 valuable runs.

In response Blacktown batted slowly due to Manly's extremely tight and accurate bowling led by James McClintock (3/20 off 8.1 overs) and Damon Steel (3/18 off 5 overs).

Blacktown eventually falling well short of the Manly target being all out for 105 in the 46th over.

Round 3 7/11/10 Griffith Park – Long Reef

North Shore 7/155 def Manly Warringah 9/153(cc)

Due to rain leading up to the game, the match was transferred to Griffith Park where North Shore won the toss and put Manly in to bat. This appeared to be a wise decision with Manly reeling at 8/87 until James McClintock (40) and Herbie Griffiths (23) and Jack Shepherd (7) steadied the ship with combined 9th & 10th wicket partnerships of 63 to wrap up the innings after 50 overs.

North Shore approached their response in a workman like manner and although they passed Manly's total in the 50th over, they never really appeared under pressure losing just 7 wickets in their chase. The highlight for Manly being Matt Levene's 2/22 off his 9 overs.

Round 4 14/11/10 Griffith Park – Long Reef

Manly Warringah 5/145 def Hornsby Ku-ring-gai & Hills 144

On our 'new' home at Griffith Park, Hornsby won the toss and elected to bat. In what appeared to be a wise decision, Hornsby built a solid start to be 2/79. As the season evolved Manly's controlled and varied bowling attack applied relentless pressure against all opposition and Hornsby suffered the same fate as those before them losing the next 8 wickets for just 65 runs.

In a very patient run chase, Andrew Mahn (45), James McClintock (31) and Matt Levene (22) guided Manly to a decisive victory in the 45th over with just 5 wickets down.

Round 5 21/11/10 EDSAAC South – Bateau Bay

Central Coast 9/127(cc) def Manly Warringah 125

Going into the final round Manly were looking for a win to consolidate top position in the divisional group. The winner of this match will proceed to the semi finals. We were off to an encouraging start winning the toss for the first time in 5 matches and invited Central Coast to bat on a very slow outfield. The bowling throughout the season was excellent and today was no different. However our catching was not to the usual standard with several chances off their leading batsman in particular going to ground allowing our opponents to scramble to 125 off their 50 overs.

In response tight bowling and a lush outfield restricted our top order batsmen with only James McClintock (33) getting amongst the runs. The run rate throughout the match was barely 2.5 runs per over. As tension mounted, the season rested on the last 6 overs with Manly requiring a run a ball with just 2 wickets in hand. Unfortunately it was not to be with Manly all out off the final delivery just 3 runs shy of victory.

MWJCA 2010/2011 Season Report DCA E.G. Weblin Shield – Under 15

Coaching is a privilege and the Group of young men who I was charged with to look after this summer was no different. But the real thing for me is the chance to watch young men learn and grow during the period and with this group I can honestly say that I have seen such development that I am encouraged to return again.

That said, I am cogniscent of the fact that there are a great deal of other influences on these young peoples abilities, whether they be assistant coaches, parents, other coaches in other spheres and players in their peer group to whom they must all be grateful. For my part I will focus on what I can, or tried to, control in terms of messages passed on and received.

The real thrill is to see someone LISTEN, and then put that knowledge into practice. Luckily we are blessed with a group of lads, most of whom are really eager to pick up as much information as possible, and grow their game to a level where they will be noticed. At the top of this list is a set of guys who go the extra yard, in terms of truing to implement the things they are taught, by asking questions and seeking confirmation of what they are trying to improve upon. Some of these players have really developed over the summer and that is thanks to a combination of all I have written above PLUS the very vital opportunity to develop their game on turf. Not wishing to push the Pathway wagon any more than it needs to be, but this opportunity has without any doubt created a group of players who having played at a higher level on the premier surface.

Not wishing to praise anyone more than others although it is inevitable, the majority of players when summoned turned up with eager anticipation of what the new Coach was to offer. We started the pre season early as I knew I had to be overseas when the trial games were going to be at their peak. I must praise Greg Boyer as Assistant and Ian Ferguson who took on a lot of my job during that period away in late September. But the early start worked for me, identifying player's skills, nature and personalities which are all critical parts of team building. In addition we began to find out those who could go the extra yard when it really mattered.

When it finally came to the BIG SPLIT when we had to make some tough calls as to who was to be in DCA and who was going to play PRESIDENTS CUP there were a few players who were on the border line, and it was their performances at practice, their attitude and resilience and willingness to roll up their sleeves that separated some from others. Overall though it was their ability to listen and put into practice what was being asked of them that

ultimately decided it. This latter point is vital to understand what needs to be done in coming seasons. At the Grade Club every year the Coaches single out those players who are good trainers, those guys who put in more than anyone else, who offer to help and ultimately seek to GIVE and not TAKE all the time. For those of you who contributed this way, well done and you already know who you are and have had some praise heaped on you. For those of you who fell outside that category, if you want to improve and be something in cricket then you know now what you have to do.

So the season itself started with a washout at Parramatta which was obviously disappointing. My main memory from that day is the keenness all the players showed by running around in the rain and puddles and Jimmy Crombie's drop goal onto the roof of the stadium which cost him a rugby ball from his own collection as a fine! So we were already up against it trying to qualify for finals but we still hadn't played a game so it was back to Narrabeen to work on a few more technique things and strategic batting and bowling plans.

For Round 2 we played North Shore; in the Trial game we reached some milestones that had not been reached before which was great; with that confidence on board we batted first and posted a decent score of 214 thanks to 49 from Ferguson, 56 from Hole and contributions from Crombie (28) but we felt that we were probably 20 or 30 runs short. The key thing was that when we had got a start we didn't go on with it; once individuals reach a milestone, they must re focus and start again to turn a 40 or 50 into a 70 or 80 or even a hundred. Sadly our attack that day lacked bite and the North Shore boys with a few new faces that we hadn't seen before were up to the chase and we were well beaten when the visitors passed our score with only 3 wickets down in the 53rd over.

Round 3 was to be played at Mike Pawley Oval again, much to our relief as the opposition was ACT from Canberra. Once again the La Nina factor played its part and despite considerable effort by Pete Falconer and Greg Boyer with SuperSoppas at various venues we were forced to play the game up at Plateau Park on synthetic turf. We made some changes to our attack bringing back Andrew Fry to lead our fast bowling and it paid off when ACT chose to bat. Fry took 3-26 off 6 overs to decimate the visitor's highly rated batting line-up and with Mehta (2-21) and Pearce (taking the last 3 wickets in his only over) we had a slender total of 114 to chase.

As with all small totals there was always going to be a sting in the tail; the ACT bowling and fielding was superb and it was only a gritty innings by the Captain, James Boyer of 44 not out that enabled us to pass their total. Only two other players managed to make double figures in support (Griffiths and Pearce each with 12) but it was enough to win the day and the first game that this group of lads had won in two summers.

Belief is a marvellous asset and with this hard fought match under their belts I felt that we could make up for the lost game at Parramatta and the defeat by North Shore when we took on Illawarra down in Port Kembla. On a bright sunny day we made the big journey to find a beautiful oval with a well grassed wicket. It was one of those wickets that you don't mind losing the toss and we did. Fry opened up with Falconer and soon had one opener back in the shed in an aggressive spell of quick bowling but the wicket proved to be very good and our bowling generally to a length of their liking. We bowled half volleys to their strength and only Fry 2-32 and Pearce 2-37 really made any impression although Hole (1-34) bowled tightly. The hosts scored an impressive 252 off their allotted 60 overs and I was confident that we would mount a decent challenge on a good wicket and quick outfield.

Sadly nothing was further from the case. We quickly succumbed to a very skilled and accurate attack and were all out for 50 and were forced to follow on and finally managed to hold on to prevent Illawarra from obtaining an outright win. This was a tough day for everyone concerned but lessons were learnt and we came away with our heads held high as our hosts were a far superior team in cricket skills, height and maturity. At least we knew where we were in terms of level of skill.

So to the last DCA game of the summer at home (Mike Pawley Oval) against Northern Districts was Round 5. Winning the toss we changed the batting order and Griffiths accompanied Ferguson to the crease. Both players batted sensibly and gradually built up the score and put on 90 until Ferguson fell for 48. Hole then came in and showed that he was a class above the rest of the team playing unselfishly for the team and with elegance until he fell for 58 and with help from Boyer 34 the side posted a respectable 234 off their 60 overs. I was not convinced that this was enough and in fact we needed to show the opposing team how to put the foot on the gas at times and show more urgency to score runs, thus pressurising the bowling and fielding team.

Though with Fry taking 2-20 and Mehta 2-26 and Man of the Match Huw Griffiths 2-9, the outcome was really never in doubt. The visitors never looked capable of passing our score and in fact ended up with a miserable 137 off the 60 overs. At times we wondered what the pint of their innings was as they seemed to be content to keep their wickets without going in search of runs.

So we had won 2 games and whilst we were not ecstatic, there was a general warm feeling of another stepping stone or two being reached. Milestones had been achieved; players had learned to value their wickets more and to build big individual scores. Players had their first introduction onto turf and learned to adapt to the variable bounce and cut. During the summer we were very fortunate to have the services of Katinga Schroeder as Team Manager, a role she perfected and even extended to the parents. Thanks K. Greg Boyer was ever present and a fabulous shoulder upon which I could lean at times, as was Ian Ferguson. Not to forget Dollars in his up tempo spirit and his dedication to scoring, I would like to thank Simon Crombie for his bangers and Russell Hole for his vain attempt in trying to bake the best scones. Ferg's Gingerbread House stole the show, no question. For me I had a wonderful time; I met some lovely parents and players and enjoyed being a part of the family that is Under 15's Reps.

I enjoyed the good manners of all the players, their willingness to listen and learn and to help out when it was needed. All good traits for a promising future. More importantly I hope was the fact that I think most of the players took something away at the end of the Reps season than they had had before.

Strangely enough I know that constant repetition of the disciplines that are needed to make a great cricketer did sink in to some of the players, and I even benefited myself when it came to play a few 5th Grade matches. WATCH THE BALL, I would say constantly and when it came finally to my turn to bat I found that I was actually listening to my own advice and executing. One more important thing; I didn't give my wicket away in any of those games. That is something you guys must work on for next year. Anyway well done everyone, thanks to you all for making my job so easy and enjoyable and if I have forgotten anyone my sincere apologies.

One last word of praise for James Boyer who did a very good job of captaining the side and Sam Hole who was a perfect foil as Vice Captain and for me was the player of the

summer. Both these guys went on to bigger and better things as the summer wore on and should continue to do so next summer when the challenges will be that much greater.

Having written this in May 2011, I now can't wait to get going for next summer
Well done everyone, Simon (Cliffy) Lyon - Coach

MWJCA 2010/2011 Season Report DCA C.S. Watson Shield – Under 16

The U/16's this year was an extremely competitive age group when it came to positions in the side. With a few new faces in the squad selections were going to prove difficult. After starting slowly during the trials and with a great deal of hard work from every player in the team the boys were able to turn it around and narrowly missed out finals.

The way every player finished the season and the improvements they all made are testaments to their characters and their abilities. It was a pleasure to be able to coach a team as talented as this and I wish them all the best in the future.

I would like to thank all the parents for their help and support throughout the season. Without their help life would have been extremely difficult with special thanks to the Graham Trickey.

Tom Kelly

MWJCA 2010/2011 Season Report President's Cup – Under 11

Player of the Year: Matthew Brewster

It was a beautiful summer morning back in October of 2010. The smell of freshly cut grass was enough to let us know that cricket was back. There was a special feeling amongst the group. Everyone sensed we were going to have a great season; players, coaches and parents alike.

The world famous Under 11 Presidents cup team had gathered on the Central Coast for the first game of the representative season. Months of preparation, hard work, sweat and tears had the boys ready and eager to hit the field for the 1st game of the season. The stadium quickly filled, thousands had gathered to see this fine group of boys play cricket that you would normally see at the MCG or Lords.

The bowlers were simply sensational, bowling with express pace. Opposing batsmen were hopping onto their back feet as balls sailed past their noses. They simply could not deal with such aggression and many were quaking in their boots. I am certain that the Australian selectors would have been taking notes as they prepared for the Ashes series over that summer.

The batsmen then graced the field and played an elaborate range of shots that would have raised a proud Australian tear in Ricky Ponting's eye. The range of shots seen on that fine October day would have had Richie Benaud lost for words. The timing, poise, and concentration was simply world class. The season started with a fantastic and hard fought victory in front of a packed Central Coast stadium. It was wonderful to see them all stand up as one to applaud the mighty Presidents Cup team as they walked off the field.

And so the story continued right the way through the season. This group of boys played beyond their years. They played cricket the way it should be, with a smile, head held tall irrespective of the state of play, supporting each other in good and shaky times, but most of all, playing as a team, a "Manly Warringah President's Cup Team". What a fine group of boys and as coaches, parents and supporters, we could not have been prouder of their accomplishments.

As it turned out, the team finished second on the ladder, beating the eventual winners on their home turf. It was a hard, tense and hard fought game with Manly Warringah winning by 1 run, with 1 wicket remaining and two balls left in the days play. What excitement, what drama, the 80 thousand or so fans left the ground that day feeling as though they had experienced history.

In the end, only a draw separated 1st and 2nd place. A fantastic season and a credit to all of the boys, many of whom were playing representative cricket for the first time. Well done fellas, you should be proud of each other with many more years of cricket to be played together.

Without doubt, the single most important factor throughout the season was the fact that we all played as a team, one big team made up of players, parents and coaches. There was a wonderful spirit in the camp which contributed to not only the results, but the general feeling of being welcomed into a family. Well done everyone for your contribution. It was a sad day when we knew the season had come to an end for we knew that the "team" was

going to disband. I am sure though that many of the boys will be back hungrier than ever to don the Baggy Blue.

I would like to take this opportunity to acknowledge Sean Ledbury for his assistance as co-coach throughout the season. Thank you for your great support and on behalf of the boys, thank you for your dedication.

I am genuinely proud of the boys. What a fantastic group of fellas who not only did themselves proud, but all of Manly Warringah. I am sure we are going to see many of them wearing the Baggy Blue with distinction for many years to come.

Well done "TEAM".

Regards, Steve Caproni, Coach

MWJCA 2010/2011 Season Report President's Cup – Under 12

Coach: Craig Blount and Rob Pickering

Manager: Richard Perrignon

Team: Umar Ali, Yavar Bates, Rick Batty, Joshua Blount, Harrison Brock, Lachlan Charles, Sam Kelly, Lachlan Kerr, Lachlan Morley, Matthew Morley, Luke Perrignon, Jack Pickering.

Fill ins (Aaron Stevens, Lochlan Charley, Nathaniel Hamill)

Best & Fairest: Harrison Brock

Overall results

Played: 8

Won: 3

Lost: 5

Washouts: 0

As coaches, we have never seen a bunch of keener kids, so enthusiastic to train and play a game with their mates. If these boys are any indication, then the future of Australian cricket is in good hands. Sure they still have a bit of growing to do and development in some areas, but their willingness to learn and play cricket at a high standard is huge. Although we only had three wins from eight matches, every game went down to the wire and they could have easily beaten the top two teams. Although all of the boys played well and each had moments of brilliance, special mention must go to Harrison Brock who took the most wickets in the entire competition- well done Harry.

The biggest thankyou must go to all the families (parents, grandparents and siblings) whose support in preparing afternoon teas, scoring, umpiring and preparing the players we couldn't do without.

We would like to leave you with a note we received from one of the players grandparents who watched her first game of rep cricket this season. Her thoughts on the day articulate well what rep cricket is all about.

"I attended my first ever junior cricket match this season – my grandson plays in the under 12s Manly Rep team. I was particularly impressed by the way the whole match was conducted – the boys were a happy bunch of normal kids who were very focused on their match, and extremely competitive. They were encouraging and supportive of each other when things went well, as well as when they did not.

None of this would happen without the example set by the coaches and parents, there was none of the shouting and aggressive behaviour often seen at junior sports matches. I particularly liked the way that the coaches and trainers wore uniform and obviously saw their role as development of skills rather than win at all cost. They took boys aside who

were nervous before going in to bat, spoke quietly to them and likewise when they were out were reassuring and supportive. I would also like to comment on the umpire who was outstanding. He spoke to the boys on the field and they all spoke respectfully to him, but if they were out, he spoke to the coach to explain what when wrong so that the boy would receive the right advice. My grandson told me that there would be a 'fantastic afternoon tea' and he was not wrong- the parents provided a wonderful array of cakes etc. However the best part of tea was the way the boys conducted themselves – the captain of the home team made a speech of welcome to the opposition and the boys made sure that the other team were looked after before they proceeded to help themselves.(quite a feat for hungry 12 year old boys). All this sounds like they were a bunch of angels – they were normal kids playing a very competitive game of cricket and very mindful of their role as district representatives, but they were in an atmosphere of support and encouragement and clearly developing skills that are both social and competitive, required for the future in the game. Well done to Manly Warringah Junior Rep Cricket, none of this is accidental I am sure that these values and behaviours are part of your overall vision for the game - these boys are learning more than cricket skills, they are learning about being well mannered and responsible young men who happen to play cricket very well.” – Barbara Adair

MWJCA 2010/2011 Season Report President's Cup – Under 13

Under 13 President's

The 13's had a disappointing season results wise, not being able to claim a victory – although showing great improvement as the season went on, and being on track in the last game until the rain came. The main problem was not being able to score enough runs to put pressure on opposition line ups, and not being able to finish teams off when having them in vulnerable positions.

The boys showed great spirit and teamwork, as well as good sportsmanship and it was a pleasure to be involved with them. John McNally was the stand out performer, with 14 wickets at 10.14, and was deservedly voted the players player. The stand out with the bat was Ryan Haskard with 152 runs at 21.71.

Thanks to Mark Haskard for his help as manager, and to all the parents for help with scoring, ground set up etc. Thanks also to Tyler Jarvis who performed captain's duties with great maturity and good sense.

MWJCA 2010/2011 Season Report President's Cup – Under 14

THE MIKE PAWLEY REPRESENTATIVE AWARD for the most outstanding junior representative team of the season

Coach : John Parkinson

Manager : Brian Jones

Team :

Johnny Dew; James Gonda; Braden King; Michael King; Kian Mantle; Jack Murphy;
Tom Nelson; Luke Parkinson; Daniel Plant; Ben Schimek; Nick White; Matt Wickham

Match1 : T20 vs Central Coast at Beverley Job.

Central Coast batted first and scored 5-128 we replied with 9-102 (Manly lost). On the whole we played poorly and the lads knew that our bowling and fielding could only get better. The only highlights were Michael King's 37 not out and Nick White's 21.

Match 2: T20 vs Hornsby at Lionel Watts.

Hornsby batted first and scored 3-107 we replied with 3-111 (Manly won). Thankfully our bowling improved as did our fielding, especially Tom Nelson (4-2-1-9). Our batters shot selection was good as was the running between the wickets. Daniel Plant top scored with 32 not out, Braden King 21 and Michael King 18 not out

Match 3: 50 overs vs North Shore at Nolans #1.

Manly batted first and scored 10-184; North Shore scored 153 all out (Manly won). A good start from Jack Murphy (31) and quick runs from Braden King (37) ; Ben Schimek (24) and Johnny Dew (22) gave us a total which if we bowled well we could defend. North Shore started well and at afternoon tea we had our work cut out for us as North Shore were 1-86. Once we got these two batsmen out our confidence grew and the wickets tumbled getting the other 10 wickets for 67 runs. Luke Parkinson (9-1-4-21); Johnny Dew (8-1-4-26).

Match 4: 50 overs vs Central Coast at Kariong Oval Central Coast.

Central Coast batted first and scored 122 all out; Manly scored 8-124 (Manly won) Our bowlers started really well having CC at 6 for 23 after 15 overs. Then the next 2 batsmen decided to have a go and put on 59 in the next 15 overs. A good catch on the boundary by Ben Schimek gave us back the momentum and wickets started to tumble again. Ben Schimek (8-0-4-35) Tom Nelson (7-3-3-5) With just 122 to get we felt that this was ours for the taking. A solid start from the top order, a quick 37 from Braden King and with the tail chipping in with runs saw us to a well deserved win.

Match 5: 50 overs vs Hornsby at Griffith Park.

Manly batted first and scored 9-179; Hornsby scored 145 all out (Manly won). A solid innings from Daniel Plant (40) and quick fire innings from Braden King (54) and Michael King (27) saw us reach a defendable total of 179. Again the bowlers started off really well having Hornsby at 4 for 8 off 6 overs. Then 2 good innings saw us stumble to 4-78 before a great catch by James Gonda gave us back the momentum. Luke Parkinson (7-1-4-19); Ben Schimek (9-1-2-17); Johnny Dew (10-1-2-25)

Match 6: 50 overs vs Newcastle at Darling Oval Newcastle.

Manly batted first and scored 8-168; Newcastle scored 156 all out (Manly Won). A good start of 40 from Jack Murphy (15) and Daniel Plant (69) was just what we wanted. The middle order supported Daniel well and with Ben Schimek getting a quick 27 we posted a reasonable total of 168 which if we bowled well we could defend. Newcastle started steadily and at 2-79 at afternoon tea (having dropped 7 catches) I thought this match was getting away from us. But the lads came out believing that they could win. When Luke Parkinson took a good one handed catch to dismiss their top scorer, the momentum started to go our way. Wickets tumbled and with each wicket our confidence grew and we got them all out with 1 over to spare. Luke Parkinson (9-1-4-28); Ben Schimek (9-0-3-23) Jack Murphy (8-0-3-26)

Match 7: 50 overs vs Sutherland at Griffith Park.

Manly batted first and scored 10-190; Sutherland scored 5-193 (Manly lost). A good start once again from Jack Murphy (11) and Daniel Plant (26) set a good platform. Followed by a quick fire 23 from Matt Wickham, then a 50 partnership between Ben Schimek (46) and James Gonda (38) as well as James and Luke Parkinson (17) putting on another 32. This gave us our best score for the season of 190, so at lunch we thought we had a great chance of another win. After lunch our bowlers started very well and had Sutherland at 4 for 9 after 7 overs. THEN the weather took a turn for the worse, from being a nice sunny day we had howling wind and persistent driving rain. Within a very short time the ball was like a bar of soap, which made it very difficult for the bowlers and fielders. Luke Parkinson (8-0-4-20) All credit to Sutherland they took full advantage and punished the bad balls and kept out the good balls, one lad got 93 not out the other 53 not out in a partnership of 125. The 'never say die' attitude of the boys during all this was one that will stay with me for a very long time, and I am sure that anyone there that day will not forget it either. Sutherland's coach complemented me on the attitude of our boys for wanting to win fair and square rather than by default on run-rate, something that I feel very proud off. In the end it was just not our day.

Match 8: 50 overs vs Penrith at Jamieson Park Penrith.

Manly batted first and was all out 99; Penrith all out 64 (Manly won.) We started with a wonderful opening innings from Jack Murphy of 26 which on any other oval would have been a lot more. Sheep would have been happy to graze there for a week. With contributions from Kian Mantle (13) and James Gonda (16) we ended up all out 99. I said to the players at lunch that with the outfield being so long if we bowled full we could have a chance. The boys started well getting early wickets and keeping the runs down. So at 3-16 of 12 overs we knew we had a chance. Confidence grew and wickets kept coming and we ended up deserved winners when Penrith were all out for 64. Nick White (10-3-4-14); James Gonda (9-1-3-14); Ben Schimek (5-1-2-5). We then waited on the result from Newcastle to see if we had done enough to become champions..... Eventually we heard Central Coast won and we are CHAMPIONS !

What a season!!! From such a very poor start our boys started to believe in themselves and then they started believing in their team mates. This to me was the turning point. The

boys went out with a positive attitude and tried their very best, not for themselves, but for every member of the team. If a catch was dropped or a mistake happened nobody was blamed as they knew it was just an accident. This meant that the morale of the team improved and their confidence grew and results followed. With everyone knowing their role in the team the boys played well individually but more importantly they played well together as a team and enjoyed in other people's successes just as much as their own. It was a real pleasure to be part of this team.

A big thanks to David Gainsford and Bobby Rollins for their knowledge and understanding of the game that they passed on to the boys at training. Thanks to Bruce Wickham who managed our age group squad so well over the long season and to Brian Jones for managing the team and keeping me calm on match days. Last but by no means least I would like to thank the parents, families and supporters of our boys for all their help in scoring, umpiring, doing the afternoon teas, getting the boys to training and matches. The support you gave me throughout the season was very much appreciated and made my job so much easier and more enjoyable.

Cheers, John

Player of the Season : Luke Parkinson

MWJCA 2010/2011 Season Report President's Cup – Under 15

It was an honour to coach this team for the season. For me the highlights were in watching players perform well above their ability as well as improving with each game we played. A special mention should go to Bede Sajowitz and Chris Brown who after missing out on the U'14 teams were included in the U'15 team. Both fitted into the team and performed extremely well.

Other notable performers include

- Patrick Flakelar for his 5/25 against North Shore
- Harris Rogers for his wonderful captaincy, consistent batting. For also having the courage to take on the role of the team off spinner plus consistently taking wickets
- Samuel Collett for his team spirit, positive input, encouragement and never say die attitude
- Darcy Munce and Justin Seagar for forming a formidable opening bowling partnership that yielded very few runs

I would like to thank:

- Captain Harris Rogers for excelling in this role and not being afraid to try new things
- Vice-captain Samuel Collett for his enthusiasm, energy and persistence
- Assistant Coach Kevin Munce for his input and support
- Manager Geoff Harris for making sure we had what we needed for each match
- Team Scorer Mrs Collett for doing a fantastic job
- The parents for their support of the team and making sure everyone got to training and games

I would like to thank all of the boys for their support at training and on game day. I wish them all the very best for the upcoming season.

Mechelle Hare - Coach

"Keep on playing - no matter what the circumstances...."

If this team should be proud of anything, it is their commitment to the spirit of cricket.

It is true that our best technical result was a draw, but if you look deep within the records you can see that we got very close a couple of times to winning the day.

But that's not where the team spirit comes from. This group of boys had fun and played hard. They joked when they were up against it, they called out together to support each other. When things did not go their way they just kept going. They didn't dispute decisions, get distracted by rain and last minute field changes, or complain about the situation or the score - they just played hard and did their best.

At the end of the day they learnt a lot and will be back next season at rep or club level to keep up the rage and maintain that spirit - good job lads.

Many things happened during the season, for each player through there is something worthy to note:

Pat - for some of the most impactful bowling we have seen in a long time - very nice;
Justin - 5 wickets well taken - very consistent; **Lachlan** - nice spin, cheeky batting - good stuff; **Sam** - great all round, brilliant on field jokes, never gave up - very funny with style;
Riley - had a go at everything, great hands - good tempo; **Bede** - great perseverance and very focused - keep it up; **Matt** - deceptive bowling, stylish batting - lovely new bat; **Dylan** - nice bowling action, got heaps faster during the season - keep going; **Jack** - 86 runs, 6 innings, never gave up - well done; **Chris** - always there, always working hard, never waived - tough stuff; **Andrew** - for helping us out with the bowling - wow fast!!; **Matt** - for helping us out with the batting - never has a ball been tonked before with such style;
D'Arcy - the marathon bowler and last man standing at the wicket on many occasions - you deserve a rest and then get back into it for next season; **Harris** - for switching to spin

bowling 1/2 through the season and capturing 8 wickets - what a surprise - we thought you were the opener.

Special thanks to Mechelle - a tolerant and diligent coach, Kevin - the assistant coach, the Parents for being there and scoring.

Hope to see you all next season - let the spirit live on.

Geoff R - Manager on training wheels

MWJCA 2010/2011 Season Report President's Cup – Under 16

Cody Bruce: Cody had an excellent season for our team. Cody was relied on heavily batting at the crucial position of number 3, where in our last game he scored a brilliant 97. He was our top run scorer with 165 runs at an average of 33.0 and he was also an excellent fielder, which is one of the most important aspects of the game. This assisted in his selection in the Green Shield team where he enjoyed success. Well done Cody.

Nick Cohen: Nick had a good, solid season with the ball. Nick is developing into a great left-arm orthodox bowler, and if he trains hard he can progress to a high level of cricket. Nick was always there to take wickets when we needed them and was normally quite economical. Keep training hard Nick.

David Morris: David has developed into an excellent all-rounder. Opening the batting and bowling for our team, he performed very well in both aspects. He was our top wicket taker with 12 wickets at an average of 13.17 and was also one of our top run scorers coming in 3rd with 137 runs at an average of 22.83. A great moment of David's season was when he opened for the first time and scored 50 runs against a very good Hornsby team. Dave was relied on to take wickets which he did extremely well, taking wickets in every game he played. If Dave keeps working hard at his cricket he can do very well in shires cricket and possibly grade. Well done Dave, keep up the good work.

Thomas Paton: Tom was a very good 1st change bowler for us this season. He bowled quick and at the stumps which is essential for a pace bowler. He took 4 wickets but had a very tidy economy rate of 2.38. Tom has a lot of potential as a fast bowler and should keep working hard through the off-season. Well done Patos.

Will Russel: Unfortunately for Will he suffered a couple of injuries that prevented him from playing in a few games, but Will was still a very valued member of our team. He was great behind the stumps and solid down the order with the bat. Will's wicket-keeping has progressed a long way and he is still developing into a great wicket-keeper. Will took 3 catches, assisted in two run-outs and had a stumping while keeping which is very well done considering he didn't play all of the games.

Ned Sanders: Throughout the season Ned worked very hard at training and was a great team player and should be commended for this. Ned's wicket-keeping is developing but if he keeps training hard his keeping will keep improving and his ability behind the stumps will become a big factor for any team he plays in. Keep working hard Ned.

Cobi Stevens: Cobi was our captain this season and performed very well under the pressure of the position. It is always a tedious task being the captain of a team but Cobi was always there making sure warm-ups were running smoothly and, while on the field, he knew how to organise the team efficiently. Cobi was an outstanding opening bowler picking up 8 wickets at an economy rate of only 2.87. He bowled economically and knew when to take himself off which shows he has potential to be a great captain. Cobi also performed well for 5th grade shires, where if he keeps playing there, his bowling will only get better.

Matthew Terry: Matt was a very valuable addition to this side. His consistent scoring of runs at the batting position of number 4 was critical to us getting runs on the board. He was quick between the wickets and could also steady the ship with his solid defence. Matt scored 162 runs at an average of 40.5 which is an astonishing effort. Should Matt keep working at his cricket and staying focused he could become a great cricketer in years to come. Very well done Matt.

Ian Thomson: Ian works very hard at cricket and this showed in an improvement in his ability through the season. Ian's leg-spin bowling was hot and cold throughout this season but has improved out of sight from last year. If he keeps working hard on his cricket and doesn't lose focus at training he will develop into a very tricky leg spinner.

Liam Tulley: Liam has enjoyed a lot of success with the bat this season. He Scored 494 runs at an average of 44.91 for shires cricket and was the 3rd highest run scorer for Warringah. This is an amazing effort from a young cricketer in a men's competition playing against a high percentage of men twice his age. This success helped him into making this year's Green Shield team and boosted his confidence to score more runs. Unfortunately we only had Liam for 3 games as he was called into the Watson shield and squad. Great season Liam, keep working hard.

Matthew Varjavandi: Matt is developing into a valuable all-rounder. His bowling was tricky to face as he is a good swinger of the ball and this helped him to collect 8 wickets throughout the season. His batting ability also improved as the season progressed, scoring 104 runs at an average of 26.0 for us and scoring a half-century. He was great to have in our middle order to boost the run rate and get some quick runs on the board. Matt also came very close to a century in 7th grade cricket scoring 94 which shows that he is capable of scoring many runs. Keep up the good work Matt.

Scott White: Scott had an excellent rep career this season. Scott's batting earned him a promotion to the Watson Shield team where he was the top run scorer for Manly-Warringah with 150 runs at an average of 75.0 and a top score of 122 which is an excellent demonstration of Scott's ability with the bat. We only had Scott for 4 games but he was still a very valuable team member, he was on stand-by to put the gloves on and wicket-keep should he need to and scored 83 runs at an average of 20.75. Scott's batting is still improving, and playing shires cricket against older men is a driving force behind this development. If Scott stays focused and works hard on his cricket I can see him moving through the grades at Shires. Congratulations to Scott on being selected the Green Shield team.

Thanks to Will Shaw, Liam Neeson and Ryan Bishop-Perrett who filled in for our team when we needed players. Thanks very much boys it was appreciated by everyone within our playing group.

Thanks also to Graeme White and Andrew Sanders for managing the team, helping at trainings and being there on game day when I couldn't make it. I really appreciated your help this season guys.

Sam Alexander

MWJCA Old Records

Association records have been kept since the 1957/58 season. Rule changes resulted in records being re-commenced around 1975 (the exact year varied in each age group).

Under 10 and Under 11 Division 2 and 3 now play average cricket so these records are now unchanged. The old records were:
