President's Report

Welcome to the 2012/13 56th Annual Report for the Manly Warringah Junior Cricket Association.

I trust and hope you all enjoyed your cricket this past season and may I congratulate everyone in the spirit you played the game and the sportsmanship demonstrated both on and off the field!

This season we had a total of 108 teams registered teams from Kangas to U16-18's, together with the great work done by our six In2Cricket centres – Collaroy Plateau, Cromer, Forest, Harbord, Peninsula and Wakehurst. The work and commitment from these centres is critical for introducing our game to new boys and girls, so as we can retain them and grow our numbers.

Congratulations to all the award winners, including premiership winning teams, individual and representative winners.

From my visits around the grounds throughout this past season, whether it was In2Cricket, Kangas or right up to U16-18's, it was evident that cricket as a whole in the Manly Warringah area was in a good place. A great barometer for this was the positive feedback from coaches, managers, parents and more importantly the players.

As most of you know and have experienced, this past season, we as an Association made some rule changes that we deemed necessary, to make the game of cricket more enjoyable for our players. This initiative was brought about by our own observations and experiences over the last few years, together with an independent report commissioned by Cricket Australia. What it re-emphasised to us, was that player numbers were reducing and that the primary reason for this was the lack of opportunities and more specifically lack of participation by players in a game. Players were simply getting bored!

These findings were the catalyst to explore the possibility for rule changes as an Association. After considerable research and many constructive discussions, we as an Association decided to incorporate new rules for one day games of traditional cricket for this past season. This was a ground breaking initiative for any junior cricket association in NSW, which was humbly endorsed by Cricket NSW & Cricket Australia!

So the new rules (in a nut shell), were that the top 5 batsmen could not be the first 5 bowlers and that 8 players had to bowl a minimum of 3 overs each. We as an Association were pleased with the majority of responses and feedback we received, and as a result, look forward to the retention of players in the future!

As with any season our clubs could not operate without the diligent work and commitment of many volunteers. To all the committees of all the associated clubs a big thank you for the time and effort you all put in throughout the season. To all the parents who give their time freely each and every week, whether as Coach, Manager, Scorer or general assistance, I know I speak on behalf of the Association and more importantly your children to say thank you for your support!

On the representative front, I acknowledge and thank Shane Moran and his Representative committee for their continued hard work in providing the opportunities our Representative programme offers our players. Well done to all the DCA and Presidents Cup teams this past season.

Congratulations to the U13 DCA team which made the Final of the competition, who were undefeated in the qualifying stage and semi finals.

It can be said that overall, the standard of cricket and results are improving across all age groups, as a result of all the contributions from coaches, managers and specialised coaching through our association with Dean Gilchrist (Sportspro) and valuable coaching assistance from Warringah Shires and Manly Grade players.

As many of you know, we have continued our work on replacing pitches throughout the peninsula and this past season, through the continued hard work and diligence of life member Tony Pecar and MWCA President David Sheedy, we are happy to report that three more pitches were replaced - two at Tania Park and the solitary pitch at Balgowlah Oval. We will continue as a priority to replace pitches throughout the council areas and then move on to the refurbishment or construction of training nets.

Finally a big thank you to the hard working MWJCA committee for all their efforts - especially our VP Ross Denny, Secretary extraordinaire Denise Gullick who has done an outstanding job in her first year, Competition Secretary Vicki Carden, Treasurer Cathy Hurditch, together with the valuable contributions of all the club delegates. May I also take this opportunity to thank Kim Wilson, President of Forest and valuable contributor to the MWJCA committee, who is standing down for next season.

Bring on season 2013/14!

Danny LeMoy

Secretary's Report

The 2012/13 season was my first as Secretary for MWJCA.

During the year I have:

- Maintained accurate minutes and records for the association.
- Dealt with all correspondence on behalf of the association, including regular communication with Cricket NSW, Warringah Council, as well as the wider Northern Beaches cricket community.
- Organised regular committee meetings.
- Assisted with the compilation of the Annual Report which includes details of all Saturday morning competitions, representative team reports, records and winning teams.
- Organised the annual presentation evening

When taking on a new role in any organisation you rely on those who have been involved for many years to help and guide you through the, at times, murky waters of correspondence and contacts.

With this in mind, I would like to thank the members of the MWJCA Executive – Danny LeMoy, Ross Denny, Vicki Carden and Cathy Hurditch. Your assistance and advice throughout the year have proved invaluable and made the role of Secretary manageable.

Once again, Vicki Carden has continued in the role of Competition Secretary and despite a major hiccup with pitches still covered by dirt on our first competition weekend, she has managed to cope with unpredictable weather, shifting ground availability and competition changes with her usual brisk efficiency.

Vice President, Ross Denny has provided invaluable assistance with all aspects of running the association. Ross has compiled the annual report this year and his attention to detail and record keeping is unrivalled.

Danny LeMoy, as President, has provided strong guidance and direction to the Association again this year. His support and assistance have been appreciated. Our Treasurer, Cathy Hurditch has worked with the committee to strengthen our financial position and provide guidance with the Representative program and Pitch improvements.

Delegates from all Clubs, who make up the general committee, and attend our monthly committee meetings, work tirelessly in the administration of the MWJCA Competition to help ours, and your children, play Cricket.

I look forward to working with the Committee in the forthcoming season and encourage all parents to become involved with the administration of the MWJCA.

Denise Gullick
MWJCA Secretary

The Eric Palmer Bat Award

Since 1966 this prestigious award has been presented to an outstanding performer in the Saturday morning competition. Over the years, many winners have gone on to play grade cricket. The Executives takes into account a cricketer's performance both on and off the field, his efforts in the Saturday morning competition, his availability and efforts in the District Representative games, and achievements in cricket outside our competition.

We are pleased to announce that this year's Eric Palmer Bat Award winner is **Jake Carden** from the Collaroy Plateau Cricket Club.

CRITERIA FOR ASSOCIATION AWARDS 2012/13

BATTING – to qualify, a batsman must bat in 6 innings and score 100 runs or more during the season.

BOWLING – to qualify, a bowler must take 15 wickets* and bowl 30 overs during the season.

* Where 15 wickets have not been taken by any bowlers in a competition, the bowling average award will be based on bowling 30 overs and the highest number of wickets taken.

In2CRICKET

in2CRICKET is the entry-level cricket program, formerly known as MILO Have-A-Go. MILO in2CRICKET is designed to give boys and girls a chance to take part in a variety of activities to develop cricket, physical fitness and social skills, sportsmanship and an understanding of the game of cricket. The emphasis is on fun and involvement.

The following Clubs established an in2CRICKET program this season: Collaroy Plateau, Cromer, Forest, Harbord, Peninsula and Wakehurst.

Kanga Cricket

The aim of Kanga Cricket is to enable EVERY player to have a chance of success as well as participating in an enjoyable game. To achieve this, coaches adopt a flexible attitude and are prepared to adjust wicket length, speed of bowling etc to suit each player's size, strength and ability. Coaches can offer ON THE SPOT coaching/assistance which includes encouragement and reinforcement. The minimum age is 6 years as at 31st August with 6-8 players in a team, although a maximum of 10 players is allowed. Games must be completed within 90 minutes of the start of play.

The teams participating in Kanga cricket this season were:

Collaroy Plateau Electric	Harbord Hammerheads
Collaroy Plateau Storm	Harbord Knights
Cromer Cobras	Harbord Spinners
Cromer Colts	Peninsula Electric Eels
Cromer Crocs	Seaforth
Forest Blue	Wakehurst Funnel Webs
Forest Green	Wakehurst Huntsmen
Forest White	Wakehurst Trapdoors
Harbord Eagles	

Under 9's

The aim of Under 9's Average cricket is to develop ALL players of ALL abilities. There are no statistics for batsmen or bowlers and the score of the match is the average result obtained by dividing the number of runs scored by the number of wickets lost. There were 14 teams in this age group in 2012/13. The teams participating this season were:

Collaroy Plateau Electrons	Peninsula Hammerheads
Cromer Crusaders	Peninsula Killer Whales
Forest Blue	Peninsula Kingfishers
Forest Green	Peninsula Lobsters
Forest White	Seaforth
Harbord Dragons	Wakehurst Black
Harbord Hawks	Wakehurst Green
Harbord Super Sixers	Wakehurst White

REPRESENTATIVE TEAM REPORTS 2012/13

Overview from the Representative Chairman – Season Report 2012/13

The 2012/13 season further consolidated the expansion of the junior cricket representative program on the Northern Beaches. With the help of a large number of dedicated people, both on and off the Representative Committee, the program continued the development of two teams in each age group from the Under 11s through to the Under 16s. The 2012/13 Representative Committee, made up of Ross Trewartha, Bruce Wickham, David Gainsford, Ross Denny, Danny LeMoy, Mark Haskard, Steve Caproni, Ian Hogg and myself, worked throughout the year to prepare the schedule of trials, games, coaches, specialist training, nets, kits and uniforms and many, many other facets of the representative program. Special thanks must go to the commitment from our coaches this year in delivering an outstanding effort for Manly Reps, not only in their ability, but also in the time spent working with their squads and teams. There were record numbers of boys who came to the selection trials in February and March 2012 and from this over 180 boys were part of the Manly Warringah Junior Representative program during 2012/13.

The Manly Warringah Junior Cricket Association's Representative Cricket program is very demanding and requires dedication, teamwork and a significant commitment. Representing Manly at Representative cricket is the highlight of the boys' junior cricketing days – especially as it involves playing in possibly the toughest and most demanding junior cricket competition in Australia. We again had 12 teams compete this year, six in the main NSW Cricket DCA competition and a further six in the Presidents Cup development competitions. Teams also represented Manly in various country carnivals and the Under 13s T/20 competition. Whilst all of our teams competed strongly, there were a number of special highlights including both of our Under 16s sides, playing their final year of junior representative cricket. The C. S. Watson Shield side had four wins and only one loss and the Under 16s Presidents Cup side had four wins and only two losses. To those boys who are now over 16, we wish you well in your cricketing future, and to those parents who have lived through a number of seasons, we thank you for your dedication in helping your sons play this great game.

Special congratulations to our Under 13s DCA team who were the W. S. Gee Shield Minor Premiers and remained undefeated throughout the season before going down to Camden in the Grand Final.

To the dedicated group of coaches who put in countless hours of planning and preparation, as well as just being there each week for training and matches on Sundays, a huge thanks. In addition to those wonderful parents who volunteered to manage teams, only support from people like you ensure that many tasks get done, and teams run smoothly. Your contribution to the community of Manly rep cricket is immense and invaluable.

To our major sponsor NAB, who through James Carter and Peter Jones, gave a substantial donation to the Manly Rep program, I give great thanks and appreciation for what has now been three years of support. Thanks to Simon Couch at Chiropractic Solutions and Dean Gilchrist at SportsPro, for their continued support and sponsorship of the Manly juniors this season. Also thanks to the Sydney Sixers organisation for providing Sixers memberships to each of our Manly junior rep players.

Big thanks to the MWJCA Committee, especially Danny LeMoy, Ross Denny and Denise Gullick, as well as the general junior committee, for your support to rep cricket during the season.

To my friends on the hard working Representative Committee, thanks for your wonderful support to me over the past year as Chairman. Whilst I am sorry to see several long-term members rotate from the Committee at the end of this season, especially David Gainsford and Bruce Wickham who having finished with their Under 16s group, I know that they will continue in various roles with the wonderful Manly Cricket Pathways Program and with further opportunities elsewhere.

I look forward to working with the Representative Committee in continuing to enhance the spirit of cricket within the Manly Warringah community and to make it another great season for the Manly Warringah Junior Cricket Association representative teams in 2013/14.

MWJCA 2012/2013 Under 11 Season Report

DCA J.H. Creak Shield – Under 11

Team: Bailey Kenzie (captain), Ned Barnet, Lachlan Burgess, Jarod Colyer, Michael Drake, Jayden Grech, Lucas Heffernan, Ewan Hughes, Finn Nixon-Tomko, Jeremy Tolman, Ben Watts, Bill Williams

Coaches: Paul Heffernan and Craig Tomko

Manager: Andrew Barnet

Player of the Year: Bailey Kenzie

The fantastic thing about cricketers at the very early stages of their cricketing life is the rate of improvement that can be achieved in such a short period of time. This year's U11 DCA team was a great example of this. The team that represented MWJCA in the final of the Newcastle Carnival on the 17th January bore little resemblance to the bright eyed boys that wandered out to Seaforth Oval on 7 October for the first trial of the DCA season. The hard work, dedication and genuine enthusiasm of the boys throughout the season ensured that the same boys that were over-awed by a strong North Shore side in that first trial, ended the season battling it in the final of the Newcastle Carnival with the DCA champions, Central Coast.

During the DCA season, the team won 3 of 5 matches and narrowly missed out on making the finals. More importantly, the boys played with wonderful spirit, sportsmanship and endeavour. Regardless of the situation of the game, they played it hard but fair until the final ball was bowled.

The season had many highlights and provided some great learning experiences for the boys and the coaches. The Round 3 win over Inner West Harbour was a textbook team win, with some excellent top and middle order batting, which was then backed up by a superb bowling and fielding performance. The next game against South Eastern was another fantastic experience for boys, coaches and parents alike. Whilst the boys were not able to come home with the 5 points, they did have the marvellous experience of meeting the late, great Tony Greig who had a son playing for South Eastern. An experience I am sure we will all remember for a long time.

There were many individual highlights during the DCA season.

Bailey Kenzie was as solid as a rock batting at number 3. He scored two half-centuries, including a 69 against Bankstown where he batted for 30 overs before finally being the last batsman dismissed. He scored 186 runs at an average of 37.2 over the 5 matches. Bailey was ably supported in the batting ranks by the batsmen around him, particularly Jarod Colyer at the top of the order and Ben Watts creating havoc in the middle-order.

Michael Drake's leg-spin bowling was another highlight. He was the team's leading wicket-taker and had best bowling figures of 4/20 against Northern Districts. The team had a great balance across the bowling ranks, with some accurate opening spells from Jeremy Tolman, Bill Williams, Jayden Grech and Lachlan Burgess. The real highlight from the bowling perspective was the spin bowling quartet of Michael Drake, Ben Watts, Bailey Kenzie and Ned Barnet. Each boy bowled some fantastic spells during the season, and with Lucas Heffernan's off-spin showing promise in Newcastle, we expect the spinners to have another strong year in 2013/14.

A special highlight for the boys was the opportunity to meet cricketing legend Tony Greig in Round 4 who had a son playing for South Eastern. Tony went out of his way to meet the boys and was a true gentleman of the sport

In the field the boys showed tremendous improvement over the season with the stand-outs being keeper Finn Nixon-Tomko, Ewan Hughes and Lucas Heffernan.

The team came together in January and headed north to Newcastle to compete against 11 other teams in the Ron Arendts Under 11 Carnival. After winning 2 of their first 3 matches, the Manly team were placed fourth overall and had qualified to play the Semi-Final against South Eastern, a team that had been too strong for us during the DCA season. In a superbly contested game Manly were able to turn the tables on South Eastern.

Individual highlights from the game were Ned Barnet's off-spin bowling tearing the heart out of the South Eastern middle order with 4/17 and then some scintillating lower order hitting from Ewan Hughes (27) and Jeremy Tolman (21), including a 6 from Jeremy to close out the game for Manly. It was enough to bring a tear to the eye of one old coach!

The Manly lads fought hard in the final against a very well drilled Central Coast side that already had the JH Creak Shield in their trophy cabinet. Despite falling short it was an amazing experience for the boys and one that will stand them in good stead going forward. The two games they lost over the week were against the two teams that competed in the DCA final and in both games Manly were very competitive.

The cream on top for the team was the awarding of Player of the Carnival (in a 3 way tie) to Ned Barnet, and the Fielder of the Carnival (in a 2 way tie) to Finn Nixon-Tomko. Also worthy of mention is Jeremy Tolman for his powerful lower-order batting during the carnival. Jeremy scored 118 runs including 2 massive sixes and provided the crowd with plenty of excitement when he was at the crease.

Finally we would like to thank the entire parent group for getting behind us and the lads during the season. Special mentions to Andrew Barnet for managing the team, Judy Kenzie for arranging the home game catering, and Niels Tolman for leading the scoring team.

Player of the Year: Jack Hobson

Fresh from the selection trials in September 2012, the U11 President's Cup team came together for the first time as a team for what was going to be a very special season. For all of the boys this was going to be their first taste of representative cricket, with many moving up from playing two hours of average cricket the season before. What a step up this season was, moving to 40 over cricket on Saturday and 40 overs a team on Sunday for six hours. It was brilliant to watch the enthusiasm, joy and the willingness to improve, learn and respect the game.

New friendships were made as the boys came together from their various club teams, friendships that will likely last for many years. I recall Gus (coach U13 Presidents) telling us all on capping night that the majority of the boys he played under 11 cricket with, attended his wedding some 15 years later and continue to be great mates today. With a bit of luck and hard work these guys will represent Manly senior teams and play in the right spirit drawing on their experiences with Coach Mick.

Mick set about working on line and length bowling and instilling the concept of patience when the boys batted. He also worked with the three captains on tactics and the importance of field placings.

What is always particularly rewarding is seeing the team and individuals improve over the season. The first trial match of the season saw a nervous team overwhelmed by a strong North Shore team however only a few weeks later in round 1 against the same opposition the boys produced a significantly improved performance and whilst it was a loss the signs were very positive.

The boys had a fantastic season winning 5 of their 7 games, finishing 3rd on the table one win away from top spot. A great effort.

In the batting department 5 of the boys totalled over 70 runs each whilst in the bowling department 5 of the boys took more than 5 wickets each over the competition. Well done to Will Rogers for leading the batting aggregate with 98 runs @ 32.7 and to Noah Vumbaca the leading wicket taker with 11 wkts @ 8.55.

A big thank you to a great group of parents, brothers, sisters, grandparents and friends for all your help and support with the lunches (Sue-Ellen), shade tents, photos (Giles), square leg umpiring when required and barbequing. I think we all enjoyed being part of the boys first season, supporting not only our own son but the other boys and the team as a whole. This positive environment will ensure the boys continue to enjoy and flourish in their cricket.

There were many highlights over the season whether it was the excitement of winning a game or an individual moment of brilliance either at training or during the game – perhaps a great catch, scoring some runs, a new high score, a wicket taking delivery, hitting a 4 or even a 6 or simply securing the front spot in of the lunch queue, all of these highlights were followed by fantastic smiles and were priceless to watch.

A great bunch of boys and at only 9 or 10 years of age they showed great maturity and were a pleasure to be involved with.

Well done team, a great season with many more to come.

Hi everyone, it is with mixed emotions that I write this final wrap on what has been a wonderful season for the whole Manly Cricketing Family. Whilst cricket is the reason we all congregate together, the friendships we build amongst over 100 mums, dads, brothers, sisters, grandparents and friends is in my view what this is all about. This year we also welcomed several new boys to the fold, along with their extended families. I sincerely hope you enjoyed the experience and the joys of seeing your young fella shine in their own unique way.

Last year we set off on a 5 year journey where we wanted to establish a fine group of gentlemen who just happen to play good cricket. Amazingly, 2 years have now passed

and I am more certain than ever that we are well on this pathway. Not only are the boys developing their cricketing skills, they are bonding in a wonderful way which will hopefully translate into lifelong friendships. I am often comforted when we get reports from opposition players and supporters or umpires, commenting on the good spirit and discipline shown by both teams. Well done Manly Family.

There are many highlights throughout the season, most actually don't involve scoring runs or taking wickets. It might be the pat on the back that one of the boys gives to a fellow player when they haven't achieved what they thought they should have, a smile and a laugh at training when playing a game or the stomping on new shoes by the team. There are of course many cricketing feats throughout the year and I sincerely hope that your young bloke has been able to walk away with a sense of fulfilment in some shape or form. At the beginning of the year I also asked if you could embrace not only your own son, but the other boys in the team. Each boy is trying their utmost and having the support of your entire Manly Family has no doubt contributed to their sense of accomplishment. Thank you.

I have been fortunate throughout the season to have the support of a wonderful team of coaches and managers. As I mentioned at the start of the year, we are all volunteers wanting to create an environment where the boys feel safe to explore their skills and more importantly, showcase their own individual characters. Thank you Mike, Graham, Kev, Iain, Alecia, Micheal and Andy, your contributions to the team and to the community in general are most appreciated.

Thank you to all the extended volunteers for the extra support; from organising afternoon teas, to accommodation, taking photos, pick up/drop offs, carrying tents, etc... It takes a lot of organising and support and this experience would not be possible without your contributions. Thank you.

From a cricketing point of view, the boys are developing nicely as a group. As coaches we can see them all growing as cricketers and the attitudes they bring to training and game days is one of wanting to learn and grow. This is all we can ask for. I am sure you can see the development from the sidelines. They are really starting to think a lot more about their games and how best to improve.

Cricketing Results:

The DCA team finished 2nd in their group, winning 3 and losing two tight games (one to last year's champions and the other to a grand finalist in the Lismore Carnival). The group just missed out on playing finals by a small percentage. As coach, I thought the group performed exceptionally well. A great improvement on the previous year.

The President Cup Team performed well in most of their games falling short by a few runs in a couple of their games. I believe this group has the capability to grow into a stronger unit over the next couple of years. A bit of hard work and perhaps we can aim to win a couple more games next year.

I sincerely hope that you all enjoyed the 2012 / 2013 program. It has been a thrill to be part of your boys lives and I hope they walked away feeling that they enjoyed the challenge and thrill of being part of a competitive yet nurturing environment.

DCA W.S. Gee Shield – Under 13

THE MIKE PAWLEY REPRESENTATIVE AWARD

for the most outstanding junior representative team of the season

The U13 Manly Representative Cricket team enjoyed a most successful season. In the DCA Competition (WS Gee Shield) our team completed the pool rounds undefeated with wins against Illawarra, Camden, Hawkesbury and St George. We went into the finals series as the number one placed team. We enjoyed solid wins against South Eastern and Sutherland in the quarter and semi-finals respectively and made our way to the grand final where we played Camden. We went down in a tough game, hence finished as runners up. It was disappointing to lose the grand final but our boys are to be commended on their commitment & improvement during the season. To make the grand final is an achievement in itself. We also performed well at the Ballina Cricket Carnival making our way to the semi

final, where we unfortunately lost an amazing game by only 1 wicket. No doubt the experiences learned from these two competitions will assist us next year.

We started preparation back in August and worked steadily on each player's cricket skills in the lead up to competition. The players worked hard during the pre-season and preparation was further enhanced by additional coaching support and advice provided by Bobby Rollins, David Gainsford and Greg Boyer. We started the competition with much excitement and optimism. On the back of a solid pre-season along with the dedication and enthusiasm expelled by all players during the season, we enjoyed many team successes. These include:

The standard of catching and fielding was exceptionally high throughout the season; such to the extent in the semi-final win against Sutherland that both umpires commented it was the highest standard of fielding either umpire had seen in over 20 years of umpiring. We also enjoyed the remarkable feat of bowling out every team in every game we played. This was largely due to the ability of our bowlers to work in tandem, place enormous pressure on the batters and executes bowling plans accurately, combined with high quality fielding, catching and wicket keeping.

The Gee Shield U13 match took a break at 11am on 11th November for a minute's silence. It's fantastic to see the importance of this great tradition being passed on to the boys

Equally as important was the ability of our top order to form partnerships and score runs so that our strong bowling and fielding could apply the required pressure to take wickets. Our top order did their job consistently, compiling most of the runs during the DCA season, thus enabling the middle and lower order to enjoy batting without the added pressure of having to saving the match or just bat out overs. We changed the batting order around in Ballina and it was great to see other batters scoring runs freely and show the depth of batting available in our team.

Our players also enjoyed many fine individual performances and fantastic team contributions. These include:

Jonah Anderson – Jonah brought enormous enthusiasm and commitment to all aspects of his cricket. His fielding was simply outstanding and he set the highest standard throughout the season for the entire team to aspire to. Jonah is to be congratulated for winning the best fielder award for his fine efforts at Ballina.

Aiden Bariol – Aiden proved once again that he is one of the finest wicket keeper's in the DCA competition. He was exceptionally miserly with his byes and incredibly reliable behind the stumps. Our spinners enjoyed great confidence in the knowledge that Aiden would stump any batter daring to leave his crease & miss the ball. He won the wicket keeping award at Ballina for his fine performances behind the stumps. Aiden's batting was also a huge contribution to the team. His 73 against Illawarra and 43 n.o against Bayside Easts were both innings of power and resilience and proved how dangerous a batsman he can be.

Tom Braund – Tom generally bowled first change during the season and enjoyed working in tandem with the bowler at the other end. He tempted many batters into playing and missing with his consistent line and length and his ability to swing the ball away from the right hander. His 2-8 against St George and 2-4 against Sutherland in the DCA season were bowling highlights and his 40 n.o against Bayside Easts in Ballina was a great knock.

Matt Brewster – Matt brought great composure to our team in the field. His enthusiasm in the field was appreciated when the team needed motivation and his cool head in the field also assisted the players when the going was tense. His catching at gully and generally close to the bat was outstanding. His 24 runs against St George was a quick and well compiled innings which helped our team finish the innings in a strong position after losing early wickets.

Hayden Brown – Hayden's main role was to open the bowling and set the tone for the innings. He did this in a manner that would have made Glenn McGrath proud. His consistency was amazing for such a young player and all opposing batsmen found him difficult to face. Hayden's 2-14 against Hawkesbury and 2-5 against South Eastern in the quarter final were awesome spells of accurate fast swing bowling. We also enjoyed watching his steely determination in making each run difficult for any batsman to score off his bowling. You could always count on him when the ball went his way in the field and he took some marvellous catches for the team during the season.

Jack Edwards – Jack stepped up as captain for our team this season and showed a remarkable talent and liking for this role. As with Michael Clarke he led by example with bat and ball and his general fielding was always of a high standard. In a competition game against Camden he scored 41 runs, took 4-8 with the ball and made 4 catches. It was a stunning performance in this outstanding team win. Jack was most consistent with his batting with regular scores in his twenties and thirties. He took 14 wickets during the DCA season at an average of 7 and was one of the leading fielders with 8 catches.

Ned Hole – Ned opened the bowling with Hayden and proved to be equally difficult for opposition batsmen to face, particularly as he was able to generate good and consistent speed. His 2-4 against South Eastern in the quarter final was a spell of unbeatable pace and accuracy. Ned's fielding was also highlighted by the number of outstanding catches he took and run out opportunities he created with his strong arm. Ned also proved with his

batting he can score runs freely or consolidate if needed. His running between the wickets was also a highlight.

Matt Moran – Matt was one of our most consistent players this season. His batting continues to improve and he scored a terrific 59 against Illawarra in our first game setting the team up for a fine win. Matt also proved his value to the team as a bowler with consistent performances throughout the entire season, none better than his 4-25 against Camden in the final enable us claw our way back into the match and dismiss Camden for 159 runs. His catching in close was also invaluable to our team's success and he took 8 magnificent catches during the season.

Nick Osborne – Nick was certainly our surprise packet for the season. His fielding and bowling was consistent but it was with the bat that he excelled for our team. Batting at the difficult No. 3 position Nick proved that hard work, patience and determination all go a long way into building consistent and long innings. His 65 against Camden, 44 against St George, 51 against South Eastern, 43 n.o against Mid North Coast and 43 against Hunter Valley proved what a consistent run scorer he has been for our team. His bowling has also proved valuable to the team often making break throughs when he came on to bowl. We also remember fondly his 2 one handed catches against Camden in the final.

Jacob O'Sullivan – Jacob was dynamic in the field, setting the standard with his diving saves, quick pick up and throws, often hitting the stumps, and his outstanding catching, non better then a diving catch behind his head in the outfield in the final against Camden. Jacob made the most out of limited opportunities with the bat and ball during the DCA season and managed to contribute when the opportunity arose. His 4-11 against Illawarra was a wonderful spell of accurate fast bowling and his 59 against Mid North Coast was the highest score in the competition at Ballina. Jacob also won the award for best bowling at the Ballina Carnival.

Isaiah Vumbaca – Isaiah continued his excellent form as one of the leading leg spin bowlers in the competition. He has an amazing ability to land the ball on a consistent line and length. This creates much doubt in the batsmen's minds as they wonder where their next run will come from, causing poor shot selection which often ends in a wicket to Isaiah. His 4-20 off 10 overs against Camden, 2-9 against South Eastern and 5-23 against Hunter Valley were all consistent spells of spin bowling. Isaiah's batting continued to improve during the season and he showed in Ballina the quality of his batting on his way to 40 n.o against Bayside Easts.

Jadon Wilson – Jadon made the most of every opportunity during the DCA competition and took wickets with most spells. He bowled beautifully against Hawkesbury taking 2-11 from 6 overs. His hunger and love of the game is infectious and it was pleasing to see him improve in all aspects of his cricket during the season. He defined himself as a consistently good bowler when given more opportunity to bowl during the Ballina Carnival taking 3-5 against Bayside Easts and 3-15 against Mid North Coast.

Congratulations to Jack Edwards, Aiden Bariol, Isaiah Vumbuca and Nick Osborne for being selected in the U13 NSW Academy Team. This was a fitting tribute to their fine performances during the DCA season.

The players have all contributed to the success of our season and are they are all to be congratulated on their commitment, determination and dedication which have resulted in such a wonderful season. We would also like to thank Shane Moran (Manager) for his

considerable contribution to the management of the team, Steve Bariol (physio) for his endless contribution to the physical well being of the team, Penny Moran and Phill Edwards for scoring and statistics and to all other parents and friends who have assisted and supported us throughout the season.

Congratulations to the players for a fine season.

President's Cup – Under 13

The Manly Under 13 Presidents Cup season was a beauty.

We lost our first 2 games narrowly before going unbeaten through the next 5 games.

It was a wonderful team with a great attitude towards playing the game in the right spirit with passion and skill. Improvements were made in all players as the season played out.

We selected 12 boys back in October but used 16 as injuries and illness played their part. The feeling around the team is best explained when injured players turned up to watch us play at home and away games.....that says a lot.

It is hard to pick a stand out player as the team was literally a team in the fact they all played a role in the field with a great attitude, taking their catches (some 'catch of the season' stuff), run outs and of course with the bat and ball.

In saying that we had a player that took the most wickets in the Presso league.....Finn Harris. Finn bowled his spinners with bravery and guile and was rewarded with a huge haul of wickets.

The parents were outstanding in supporting the boys through the long season and through the school holidays when we got a semi final spot in the 20/20 State knockout. Never a day when anyone had to be asked to score, do teas, set up boundary markers and wickets.

Our captain Dan Ward has been my captain for a couple of years now and he is growing into a fine leader.

Stevo was a superb manager and we both look forward to working with and improving the boys next year.

Presso's 13's 2012/2013 thanks for being a pleasure to coach. Fine young men all of you.

See you all at the trials in a few months.

Coaches: Stuart Love, Luke Grant

Manager: Sharon Bain

Player of the Year: Jack Pickering

Having seen the 2011/2012 DCA in training before the season started it was surprising how much talent we actually had. The boys worked hard at training in aspects including fitness training thanks to Duncan Kerr's massive background in this area. He taught them the importance of keeping the body match fit to nutrition. From a coaching point both Luke and I wanted the boys to understand the areas which would set them in good stead long term and not just the season ahead. Both Luke and myself wanted the boys to understand the patience of batting, the areas which to bowl consistently, the energy and commitment needed whilst fielding (the biggest part of the game) and the mental toughness it takes to play well at a high level. Also to believe in their own ability. We also wanted the boys to keep the spirit of cricket on going for years to come.

We had a great bowling and fielding attack this season with a number of the boys taking the new ball. We saw some great opening spells from all bowlers showing great discipline in line and length and the ability to swing a ball. All the pace men did a fantastic job. The

bowling was always backed by a very vocal encouraging team which is always a great sign. Our two spinners were always a big part of the game. Both Daniel Watts and Harrison Brock proved that they have a mature approach whilst bowling with a lot of thought and tricks up there sleeve. William Akhurst did a very good job as wicket keeper with very few byes throughout the season and showed us some great catches and stumpings.

Despite winning one game in five they were without doubt one of the most energetic & competitive, yet professional fielding and bowling teams in the competition. I hope all the boys can take something positive from the season and learn. I'd like all the boys to work hard on their skills for next year and believe in themselves that there's no reason why they can't win the comp whoever they play against.

After discussion with Luke Grant and Co. we felt the player of the year would be given to Jack Pickering for always working hard at training, having come up from the President's Cup in previous years. He did a great job as skipper this year keeping the boys in order on the pitch, showing that he has a good cricket brain and always adopting a professional manner on and off the pitch. I think he showed all the boys what can be done if you work hard. WELL DONE JACK.

I'd like to give a special thanks to the team Manager, Sharon Bain, for doing a fantastic job organizing everything throughout the season. Sharon would always be at the ground before anyone else setting up and getting everything in order well before the warm up period. Sharon really made a big effort for the team and myself and made the days run very smooth.

I'd also like to say a big thank you to Duncan Kerr (Mr Motivator), who was always willing to lend a hand. It was great to have someone like Duncan showing the boys the correct side of fitness and to constantly encourage and teach them what it takes to be the best mentally and fitness wise. He's a great guy to have around any team or player. Thanks again Duncan.

A final thanks to all the rest of the parents for helping out.

This season was again one to remember with the boys once again leading the competition into the last two rounds. The core of last year's T20 winning side continued to play good cricket and we also had some new faces who played exceptionally well.

The team once again owes its success in part to the support of parents who are always willing to help out with coaching, management and catering. Once more, the team is very grateful to Manly Junior Rep Cricket who treated the boys to some specialist sessions with Sportspro that went down tremendously well.

This year, everyone had their time in the sun with most boys posting a good score or taking a couple of wickets in one or more games. While everyone bats and bowls, openers Liam Michael, Henry Johnson, Todd Anderson could be relied upon to get the team off to a good start and set up middle order players Sam Kelly, Ellis Raymond, Josh Tighe, Josh Blount and Toby Kovacs to often get the score over 150. Most impressive with the bat were Toby and Ellis whom posted 50s. Bowling this year was exceptional, with Ruben Donato getting some genuine pace happening and Matt and Lachlan Morley and Josh Tighe swinging the ball both ways. Particularly impressive was spinner Dan Horton who got a '5 for' in his first game.

Choosing the best player this year was difficult but we can't go past Ellis Raymond, who batted exceptionally well in most games in the very important and high pressure position of number 3. Ellis is well-deserving of this award and brings a great attitude to every game; he is a very good sport, never gets too stressed, yet comes up with the goods again and again.

Manly U14 Graeme Malcolm Shield Carnival Report

The Manly U14 team that travelled up to Newcastle for the Graeme Malcolm Shield carnival was Will Akhurst, Alex Bain, Josh Blount, Ruben Donato, Max Jolley, Lachlan Kerr, Toby Kovacs, Tully Moffat, Jack Pickering, Josh Tighe, Joel Wood, Matt Lawson, Coaches Rob Pickering, Craig Blount, and a very dedicated group of parent supporters.

The Graeme Malcolm Shield was first played in Newcastle in 1982 and has been a successful carnival since, with Newcastle opening up some awesome turf pitch grounds located around the city centre. We were lucky enough to even play at No.1 Sportsground which is as good as any in the country. We were very competitive, beating Parramatta and Southern Highlands but going down to Newcastle, Hunter Valley and Hornsby, although two of those games went down to the wire.

There were some great performances during the week by all players but best performance honours go to Joel Wood. In our last game, Joel opened the bowling, and in his second over took the two opener's wickets. Joel's 4th over saw him bowling to Lauren. She popped up a catch to Jack, before Joel then steamed in and the entire team went up for one of the loudest LBW shouts ever heard at the ground – YES!! The next Highlands batsman apprehensively approached the crease, with the Manly parents wondering what kind of ball Joel would bowl to try for his first hat-trick. The boys took time to set the field, and then Joel was powering in – the batsman nervously stuck out his bat and edged one to slips, where Will managed to get a hand to it, and then lose the ball before getting his hand under it on the way to the ground – HAT TRICK to Joel!!! Fantastic to see this, and it was appreciated not only by the Manly supporters but also by the wonderful group of Highlands supporters also. Joel also scored 50 runs that game.

The under 15 squad got together in the last weekend in July, commencing a pre-season training program where we worked hard on preparing for the upcoming season with special focus on fitness and fielding. We had a very high calibre of special "guest" coaches

throughout the pre-season as well as the season and I would like to acknowledge their additional support - David Gainsford as always had a great rapport with the squad and assisted with our pace bowlers in particular, Greg Boyer gave the wicket keepers invaluable advice during the pre-season training, Simon Couch conducted a great session for our spin bowlers, while Dean Gilchrist provided some excellent insight to batting and bowling over the season with great support from Aidan Baker and Cameron Merchant. Some of our pace bowlers were also lucky enough to be invited to a fast bowling seminar with Brett Lee where they got some valuable insight on the fast bowling trade.

After concluding a strong pre-season training program, both the DCA and Presidents Cup team went into the North Shore trial ready to play some real cricket. The DCA boys showed enormous spirit to overcome North Shore, a team that they had never beaten over the past six seasons of DCA cricket. Kieren Nixon in particular shone with an excellent 56 not out. After a strong performance against 2011/12 premiers Sutherland, we were drawn against Bankstown in round 1 who ultimately went on to play in the semis. Chasing 255 we fell just a few runs short in an amazing run chase, notable particularly for Joe Graham scoring his career best DCA score of 74 which involved a 105 run partnership with Matt Brock.

It was a disappointment for all of us when Glyn Archer pulled up after the Bankstown match with a serious back injury that would see him miss the DCA season and play no further cricket until the New Year. As a final note however on that, it was great to see Glyn return to rep cricket in 2013 where he was able to fill in for both the under 15 and under 16 President's Cup teams, performing very well.

The DCA pace attack were invited to a fast bowling seminar with Brett Lee in the pre-season where they had the opportunity to meet Brett

The remaining DCA matches did not quite go to plan given the strong start we had had, and while some of the results were disappointing the boys learnt a lot about the commitment and mental toughness required at this level. We have a lot of talented cricketers who need to believe that on their day they are good enough to beat any team in

their age group and certainly proved what they were capable of against strong North Shore and Bankstown teams who ultimately made the finals.

On an individual basis, Joe Graham's batting was consistently solid, scoring 253 runs across the 5 DCA matches and two trials. I'd also like to thank Hayden Gullick (opener) and Matt Brock (#3) who were new to those positions in the order and had a number of good innings throughout the season. Jake Carden (elevated to #4 and 5 in the batting order this season) and Nick Hidas always looked dangerous but we will be looking forward to them building some large innings and showing off their enormous potential next season. Kieren Nixon was like a rock to which many of the players looked to when needing someone to stay in and bat through difficult times. An outstanding attitude, I was delighted to see Kieren score an unbeaten half century against North Shore and then after the DCA season had completed, was asked to fill in for the U16 Presidents Cup when they were short. Against Sutherland in Round 6, Kieren notched up 52 not out which was very well deserved. Max Domanski and Aaron Peters in their first DCA seasons are really exciting to watch at the crease and I look forward to seeing them progress further as batting all-rounders in the coming season. Our tail end batsmen, Liam Mason, Byron Leach and Will Denny got some regular opportunities to bat in difficult circumstances and never let us down with their gritty determination. Liam Mason, in particular was asked to open the batting in Round 5 against South Eastern when regular opener Hayden was injured in the field. Liam batted beautifully with Joe and will be looking forward to seeing his batting continue to progress.

On the bowling front, our opening pace attack of William Denny / Jake Carden and change bowler Joe Graham proved to be very effective, taking the bulk of the season wickets with Byron Leach, Nick Hidas, Kieren Nixon, Hayden Gullick and Aaron Peters providing great support. Also thanks to Harrison Dunn who filled in for us a couple of times in the absence of Glyn. Special mention to Joe who was a revelation with his nagging medium pace, managing to get a career best DCA return of 5/23 against Blacktown in a superb bowling display. Our spin duo of Liam Mason and Matthew Brock bowled well and enjoyed the challenge of bowling on turf wickets. Special thanks also to co-captain Byron Leach for his tireless efforts on the field and the great attitude he brings to the side.

Well done to Max Domanski our ever-reliable wicket keeper who performed all the wicket keeping duties throughout his debut DCA season and did a tremendous job.

With the DCA team finishing their season, the President Cup boys were all fired and up and ready to begin their campaign the very next Sunday. All of our Under 15 squad had been training hard together since August so they were well and truly ready to put it all together on the field, including veteran representative player Harrison Dunn in his team captaincy debut.

The boys had performed strongly in the first trial against a strong North Shore team, going down in a run chase, so when we met North Shore again in Round 1 we knew there was plenty to prove. Winning the toss we sent North Shore and our pace bowlers had North Shore in trouble at 5/54. Our off-spin bowlers Johnny McNally (4/6) and Bryton Caldwell (1/1) then finished off the opposition with them only contributing another 24 runs. Whilst losing some wickets along the way and having a few nervous moments, in the end the Manly boys comfortably reached the required total of 78.

The round 2 match against Blacktown is worthy of mention due to one of the most amazing bowling performances seen by a Manly junior. Occasionally you have days as a

cricketer when everything just falls into place. Abhijeet Virdi had one of those days against Blacktown. With bowling figures of **9 wickets for 2 runs** from 6 overs, he destroyed the innings of Blacktown single-handedly having them all bowled out for 35. With a cross-breeze and plenty of moisture in the air, the conditions were perfect for Abhijeet's in-swingers. He took full advantage of this assistance, collecting a wicket with his second ball, a quick full pitched delivery that literally shattered the off stump. With the stump replaced, he finished his first over - a wicket maiden. Abhijeet started his second over with a wicket, and also collected wickets with his 3rd & 4th balls, finishing with a triple wicket maiden, and figures of 4-0 off 2 overs. Abhijeet commenced his third over with wickets on 1st, 3rd, 4th & 6th balls - a quadruple wicket maiden, and figures of 8-0 off 18 deliveries! Abhijeet bowled another 3 overs, including a 4th over maiden, 2 runs off his 5th over (including 1 no ball), and another wicket maiden in his 6th over. His 9 wickets consisted of 7 bowled and 2 LBW wickets. Manly overtook the Blacktown total of 35 with the loss of only one wicket.

The U15 President's Cup players celebrate with Abhijeet Virdi after his phenomenal bowling spell of 9/2 off 6 overs helped Manly to a strong win over Blacktown in Round 2

From then on the boys performed very well in some tough matches – Round 3 saw Manly going down to Hornsby after having to bat on a wicket that had become rain affected after the tea break with no covers available. With the ball skidding all over the place and continued sleet falling, I was very proud of the determination showed by the boys, particularly Theo Guichon (32), Bryton Caldwell (28), Daniel Turkovic (27) and Jayden Pomeranetz (15) who showed a lot of courage in appalling conditions. The next match was a nail-biting top of the table clash against ultimate premiers Central Coast, While Manly went down in a close one, the boys proved they could match it with the best with Harrison

Dunn (38), Abhijeet Viridi (32), Jayden Pomeranetz (20*) and Charlie Hole (18) batting particularly well and Abhijeet Viridi (2/18), Jarod Horan (1/12) and Matt Beatty (1/10) being the pick of the bowlers.

With plenty of rain and training cancellations in January due to the inclement weather, the boys were a bit underdone for the season resumption in 2013 however continued to get better and better over those final few rounds culminating in an outstanding performance against Penrith in the final round to cap off a great season. Batting first we had some very solid batting from Charlie Hole, Jayden Pomeranetz, Harrison Dunn, Jarrod Hummelstad and Cameron Brown, however the standout batting performance was Theo Guichon who scored his maiden representative half century (53) in a flawless display of strokeplay, getting on the front foot and continually driving the ball into gaps. Defending 179, the boys put on their finest fielding performance of the season, however the bowling accolades went to Matt Beatty our left arm orthodox bowler who bowled superbly for a return of 5/17 limiting Penrith to 87 all-out. It was a magnificent all-round team effort to complete the season which made me, the families and in particular the players deservedly proud.

From a cricketing point of view the Presidents Cup team have developed wonderfully as a group – having never won a match two seasons ago they are one of the strongest teams in the competition. I was very proud of the way the boys united as a team throughout the season, showing tremendous attitude and growth as cricketers and young men.

Overall, it was a pleasure to welcome representative cricket newcomers Aaron Peters (DCA), Matthew Beatty (Presidents Cup) and Jayden Pomeranetz (Presidents Cup) into the squad and it was a great to see these boys improve and perform very well over the course of the season. It was also fantastic to see Jarrod Hummelstad (Presidents Cup) back in the Manly colours after being out of representative cricket last season. Jarrod performed very well and continually was able to pick up breakthrough wickets with his nagging line and length pace bowling.

I have found it very rewarding seeing the growth of all 24 boys, both as cricketers and young men over the course of the season with many of our squad members gaining additional experience by participating in senior cricket for an MWCA club, Warringah Cricket Club or in the case of Joe Graham, making his debut for the Manly grade cricket club. Also well done to Joe Graham, Byron Leach and Jake Carden who made their Green Shield debuts in January.

There were many people who helped me during the course of the season, but I would like to particularly thank Denise Gullick (DCA) and Jeanette Dunn (President Cup) for the outstanding job they did managing the squad through the pre-season and their respective seasons. Special thanks must go to Danny LeMoy who was our head selector for the age group and provided great help in the pre-season training. Mitch Pugh and Rod Streater contributed greatly as assistant coaches throughout the season and it was a pleasure having them on board and seeing the great rapport they built with the players. Steve Carden, as always was there to help out, particularly during our pre-season fielding clinics and his time was always greatly appreciated. David Brown was also always willing to help with the President Cup team at training or on game day.

Finally, a thank-you to our great group of parents who supported both me and the players so well during the season, and particularly those that gave a hand at training or at the match whenever needed.

DCA C.S. Watson Shield – Under 16

The 2012/13 U16 DCA team performed strongly during the season, qualifying for the semi-finals after winning 4 of their 5 preliminary matches.

Unfortunately, what followed the preliminary matches was nothing short of farcical, as 5 teams were disqualified due to in-eligible players. We were one of those clubs disqualified. Despite all our players being local juniors, the majority were playing in the Pathway

Program with Warringah Shires, or Manly Grade, and were thus deemed by the DCA committee not to be affiliated with the Manly Junior Association. What a disgrace.

For the boys to end their Junior rep careers in such a farcical way, was very frustrating, (probably more so for the parents and coaches). The boys took it in their stride and by the time the decision was made, it was bordering on comical and we were all prepared.

The boys performed strongly in the lead up games. They thrashed Bankstown and Sutherland, won closer matches with Canterbury and Illawarra, and lost a tight match to defending premiers Hornsby, at the magnificent Barker College ground.

The highlight of the season was the performances of Sam Gainsford, who, against Bankstown in Rd 1, took 6-33 and followed it up with 119no. In the next match Sam slaughtered Sutherland to the tune of 101, and followed up with 89 against Canterbury. All innings combined some brutal power with extravagant shot making and were a just reward for a talented and dedicated cricketer.

Other batting highlights came from James McClintock (75 v Hornsby and 52 v Bankstown), Jack Murphy (52 v Sutherland), Daniel Plant 48 and Andy Mahn 44 (both v Sutherland).

In addition, the character of the team was reflected in the win against Illawarra, recovering from 5-5 on a barren dustbowl, to reach 102, thanks largely to the lower order of Ben Wickham, Zach Trewartha and Nic White. They followed this with their usual high standard of bowling and fielding to rout Illawarra for 58, and qualify in 4th spot.

Apart from the Bankstown game, the wickets were generally shared, as has been the case over a number of seasons. Jack Shepherd, Zach Trewartha, Nic White, along with Sam Gainsford, all taking more than 5 wickets.

In all games, our fielding was outstanding, and is a reflection of the attitude and dedication of the individuals.

This majority of boys in this age group have been together since Under 10s or 11s and the friendships and team spirit were evident amongst the group, not only this season, but in previous seasons.

In Under 13s, this squad improved from the bottom half of both competitions, to be one of the dominant clubs in both DCA and Presidents Cup. Indeed, the Presidents Cup team has won the competition twice, in Under 14s and Under 15, and over the last 3 seasons, has lost only 2 games; a testament to the depth in this age group. At the same time, in the past 3 seasons, the DCA team has only lost 4 matches.

We have trained as an entire squad for the past 4 seasons and this has bonded all the boys together. Training has always been noisy, well attended, fun and with plenty of competitive banter thrown in.

Most of the boys in this squad have experienced either Shires or Grade cricket, and this was an integral part of their development over the last couple of seasons.

The parent group over all seasons has been a fun, relaxed and dedicated group. The country carnivals have been highlights of each season, and friendships amongst many families will live on forever.

The experiences, memories and friendships that these boys and families have had over the past years, will last a lifetime and we have all been very fortunate to be part of wonderful era of Manly Junior Cricket.

I've thanked most people over the years, or in other reports, so for now I'll just wish every boy all the best in their cricket careers and I look forward to hearing about their success over coming years.

**Cheers
Roscoe**

President's Cup – Under 16

The 2012/13 U16 Presidents Cup experienced a season of mixed fortune. After initially having 15 in the age group train on squad, we commenced the season with only 8 players and struggled to find the necessary 4 each week to complete the team.

Despite these challenges, 18 players represented the MWJCA in the Presidents Cup competition with 6 from the U15 age group and 3 eligible U16 who were not included with the initial squad, enjoying and succeeding at this level.

Of the 6 rounds, we won 4 on the score book and lost the final 2 rounds. Unfortunately the circumstances imposed on the DCA side were also extended to the Presidents Cup with our side ultimately being penalized the points for winning 3 of the initial 4 rounds due to the DCA imposed ruling on player eligibility.

Thus the final position on the table was not a true reflection of the season and shows we won 1 game, lost 2 to better opposition and had the winning points from 3 games removed on penalty. We fielded a full player list only once but still managed to take 51 wickets while only losing 43 of our own.

The batting highlights include 4 century makers (Braden King, Matt Wickham, Hayden Kelly and Matt Levene). Braden King with 278 runs with an average of 92.7 and Matt Wickham 209 runs at 41.8.

The bowling was tight & economical. Michael Wright with 7 wickets at 7.9 average runs per over while supported by Charlie Hawling with 7 wickets at 12.3 and Jack Collins with 6 wickets at 16.3.

MWJCA Old Records

Association records have been kept since the 1957/58 season. Rule changes resulted in records being re-commenced around 1975 (the exact year varied in each age group). Under 10 and Under 11 Division 2 and 3 now play average cricket so these records are now unchanged. The old records were:
